After receiving the option to object the opening hours to pizza hut, 21 the broadway i decided to do some homework. After living here for just over a year i am very aware of the 'issues' in the area. I feel that allowing the opening times till midnight would not help this and almost encourage more problems to the area.

Since january 2017, 142 incidents have been reported in the ig10 3sx area. 22 in the area of the shops in the broadway. These include..

Vere Road:
Anti social behaviour
Drugs
Robbery
Violence and sexual offences

Lytton close:
Vehicle crime
Violence

Burton road:
Anti social behaviour
Possession of a weapon
Theft which includes leaving without payment.

Public safety and nuisance to those who live,work and commute in the area are my main focus. Although these are some of the reports that i have pulled up using the web address www.police.uk many go unreported. I didnt object to pizza hut opening, i welcome the idea of businesses being able to expand but please bear in mind people live above these such shops and have small children etc. Anti social behaviour is the number one problem with youths jumping our walls, (recently the council had to put Metal frames around some walls, not that it helped much) hanging out in the communal corridors taking drugs, banging on our doors, sitting in the car parks front and back revving engines and playing very loud music and starting fights and this is mainly due to one shop that stays open till late 10pm roughly. I have had many incidents personally, my car has been damaged 5 times 1 time resulting in my number plates being stolen and another time i came home from work, a bunch of youths had jumped the walls and were hanging out in the corridors and bottles were thrown at me for no reason at all! Having a pizza hut which is asking to open till this late will only give more reason for public nuisance. As i said before i never objected to it opening but i will object to the opening times.

If you need anymore from myself please feel free to contact me.
