2. Declarations of Interest

- 2.1 Members of the Committee are subject to the Council's Code of Conduct and to advice from the Standard Board for England, details of which will be provided to those members.

3. Participation in the Hearing

- 3.1 Debate shall be restricted to members of the Licensing Committee. Where a local ward member, not being a member of the Committee, wishes to participate in the hearing, they may do so only with the permission of the Chairman and their participation shall be subject to the same rules as are applied to any other witnesses to the application.
- 3.2 In hearings other than those under the Licensing Act 2003, where a ward member is a member of the Committee, and wishes to object to the application, the member shall give 14 days' notice of their intention, and shall play no part in the decision-making process of the Committee. In hearings under the Licensing Act 2003, those named as responsible authorities and interested parties in the Act may only make representations within the time limits set out in the relevant statutory provisions.
- 3.3 All persons participating in the hearing shall be made aware of the limitations or scope of statements that will be acceptable and, in particular, that statements should be factual or a fair statement on a matter of public interest.

4.1 The Council's Constitution and relevant statutory provisions relating to the admission or exclusion of the public shall apply to all meetings of the Licensing Committee.

5.1 There are two elements to natural justice:

(a) Fairness

(i) All persons affected by the decision or in the case of matters associated with the Licensing Act 2003, those named as responsible authorities and interested parties in the Act, will be allowed a hearing before a decision is made.

(ii) Only objectors who can show clearly that they are affected by a decision shall be afforded the right to be heard or, in the case of hearings under the Licensing Act 2003, only those named in the Act as responsible authorities or interested parties.

(iii) All information shall be made available, where possible in advance, to the applicant and the Committee.

(iv) All members of the Committee shall be present throughout the hearing of a particular application. Where a member arrives late or leaves during a hearing of a particular application, that member shall play no part in the decision-making process. Where an application is adjourned it shall be continued by the same members only, and no others.

(v) The Committee shall have discretion in respect of 'late' objections. Such objections shall be clearly marked on the agenda as such and the Committee shall decide on their acceptability. The applicant shall be advised of any late objections. In the case of representations made in relation to the Licensing Act 2003 applications, these shall only be accepted in accordance with the relevant statutory provisions.

(b) Prevention of Bias

(i) The rules on the declarations of interest shall be firmly applied.

(ii) If the Committee moves into private session to consider its decision, it shall be accompanied only by its advising officers, none of whom shall

have taken a substantive part in the hearing, and shall play no substantive part in the decision-making process.

6. General Procedures for Hearings

6.1 The following procedural requirements shall be followed at all times:

- (a) There shall be no recommendation from officers on the agenda;
- (b) The Committee shall be supplied with copies of all relevant documentation and the process and order of procedure shall be as follows:
 - (i) The Chairman will open the meeting and introduce persons as appropriate asking applicants and representatives to identify themselves.
 - (ii) The Chairman will outline the procedure to be followed.
 - (iii) The Lead Officer will outline the matter in hand.
 - (iv) The applicant or representative will present his/her case, with or without witnesses, and be questioned by members or any objectors/persons making representations present.
 - (v) Any objectors/persons making representations may then present their objections/representation, with or without witnesses, and be questioned by members or the applicant/s or their representative.
 - (vi) The objectors/persons making representations may make a final statement (without introducing new issues).
 - (vii) Finally, the applicant has the right to make a final statement (without introducing new issues).
 - (viii) All evidence/disclosures are to be made in the presence of all persons, unless someone voluntarily excuses themselves from the proceedings.
 - (ix) Committee members shall restrict themselves to questions and not discussion or comment.
 - (x) The applicant, objectors/persons making representations shall be allowed to ask officers questions of a technical/factual nature at any time during the proceedings.
 - (xi) An adjournment should be granted where to do otherwise would deny a fair hearing.
 - (xii) The Committee may resolve to decide upon the application in private session, however, if it becomes necessary to recall anyone

for additional information, everyone shall be invited to return to the Hearing.

- (xiii) The decision shall be given in the presence of all parties that wish to be present and confirmed in writing as soon as possible thereafter. If legal advice is given to members this advice will be repeated in summary form.

INTRODUCTION

- 1.1 This guidance explains how to use the provisions in the Licensing Act 2003 (“the 2003 Act”), inserted by section 21 of the Violent Crime Reduction Act 2006, which allow a quick process for attaching interim conditions to a licence and a fast track licence review when the police consider that the premises concerned is associated with serious crime or serious disorder (or both).
- 1.2 This guidance has no statutory basis but is intended to assist police forces and licensing authorities when considering using the procedures.
- 1.3 The powers are set out in sections 53A to 53C of the 2003 Act and apply only where a premises licence authorises the sale of alcohol. They do not apply in respect of other premises licences, or to premises operating under a club premises certificate. The purpose of these powers is to complement existing procedures in the 2003 Act for tackling crime and disorder associated with licensed premises. Existing powers in Part 8 of the 2003 Act provide for the instant closure of premises by the police in some circumstances (in essence, disorder or nuisance) and the consequent review of premises licences by the licensing authority. The powers under sections 53A to 53C, which are in Part 3 of the 2003 Act, are aimed at tackling serious crime and serious disorder, in particular (but not exclusively) the use of guns and knives.
- 1.4 The powers allow:
 - the police to trigger a fast track process to review a premises licence where the police consider that the premises are associated with **serious** crime or **serious** disorder (or both); and
 - the licensing authority to respond by taking interim steps quickly, **where appropriate**, pending a full review.
- 1.5 In summary, the process is:
 - the chief officer of police for the area in which the premises are situated may apply to the licensing authority for an expedited review of a premises licence where a senior police officer has issued a certificate stating that in his/her opinion the premises are associated with serious crime or serious disorder (or both);
 - on receipt of the application and the certificate, the licensing authority must within 48 hours of the time of its receipt consider whether it is necessary to take interim steps pending determination of the review of the premises licence – the authority must in any event undertake a review within 28 days after the day of receipt of the application.
- 1.6 The options open to the licensing authority at the interim steps stage include:
 - modification of the conditions of the premises licence;
 - the exclusion of the sale of alcohol by retail from the scope of the licence;
 - removal of the designated premises supervisor from the licence; and

- suspension of the licence.

1.7 Following the full licence review, the licensing authority may do any of the above or may revoke the licence.

1.8 The purpose of this guidance is to:

- set out the circumstances where the power can be used; and
- outline the process and the steps at each stage.

THE STEPS

2. Triggering the expedited review

2.1 Section 53A of the Licensing Act 2003 sets out who may apply for an expedited review and the circumstances in which it can be used.

Application for expedited review

2.2 The chief officer of police for the area in which the premises are situated may apply to the relevant licensing authority for an expedited licence review if a **senior member** of the force has issued a **certificate** that in his/her opinion a licensed premises is associated with **serious crime or serious disorder (or both)**.

2.3 The key definitions used above are:

- **Senior member of the force:** This must be an officer of the rank of superintendent or above.
- **Certificate:** This is a formal note which identifies the licensed premises and includes a signed statement by a senior officer that he believes the premises is associated with serious crime, serious disorder or both. **This form is not prescribed in legislation. However, a sample form which forces may wish to adopt is attached at annex A to this guidance.**
- **Serious crime:** The tests to determine the kinds of conduct that amount to serious crime are set out in section 81(2) and (3) (a) and (b) of the Regulation of Investigatory Powers Act 2000. Those tests are that the conduct:
 - (a) constitutes an offence for which a person who is 21 years of age or over with no previous convictions could reasonably be expected to be sentenced to imprisonment for 3 years or more; and
 - (b) Involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.
- **Serious disorder:** There is no definitive list of behaviours that constitute serious disorder, and the matter is one for judgment by the local police. The phrase should be given its plain, ordinary meaning, as is the case under section 12 of the Public Order Act 1986 in which it is also used.
- **The application for a summary or expedited review:** this is an application made by, or on behalf of, the Chief Officer of Police under section 53A of the

2003 Act. **The application must be made in the form which is set out in Schedule 8A to the Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005 (SI 2005/42). The completed application must be accompanied by the certificate issued by a senior officer. The form which must be used is reproduced in annex B of this guidance.**

2.4 In deciding whether to sign a certificate, the senior officer will want to consider the following (as applicable):

- The track record of the licensed premises concerned and whether the police have previously had cause to give advice about serious criminal or disorderly conduct (or the likelihood of such conduct) attributable to activities taking place on the premises – it is not expected that this power will be used as a first response to a problem.
- The nature of the likely crime and/or disorder – is the potential incident sufficiently serious to warrant using this power?
- Should an alternative power be deployed? Is the incident sufficiently serious to warrant use of the powers in sections 161 to 165 of the 2003 Act to close the premises? Or could the police trigger a standard licence review to address the problem? Alternatively, could expedited reviews be used in conjunction with other powers (for example, modifying licence conditions following the use of a closure power).
- What added value will use of the expedited process bring? How would any interim steps that the licensing authority might take effectively address the problem?

2.5 It is recommended that these points are addressed in the chief officer's application to the licensing authority. In particular, it is important to explain why other powers or actions are not considered to be appropriate. It is up to the police to decide whether to include this information in the certificate or in section 4 of the application for summary review. The police will also have an opportunity later to make representations in relation to the full review.

2.6 In triggering the process, the police will wish to take into account the fact that an intended use of the power is to tackle the use of dangerous weapons and the violence they fuel. For example, in appropriate circumstances the police might want to make representations to the licensing authority suggesting that they modify the conditions of the premises licence to require searches of customers for offensive weapons upon entry. Under the powers in sections 53A to 53C, this could be done on an interim basis pending a full hearing of the issues within the prescribed 28-day timeframe.

2.7 Similarly, the power could, **where appropriate**, be used to reduce the risk of injury caused by glass by requiring the adoption of a safer alternative (but see paragraphs 3.6 and 3.7 below).

2.8 However, it should continue to be borne in mind that these are selective measures. It is not the aim to require all licensed premises to undertake these searches or use toughened glass. Rather, the policy aim is to provide a selective

tool, to be used proportionately, to limit this condition to those pubs that are at risk either because police intelligence shows there is a risk of knives/guns being carried or because crime and disorder has occurred on the premises.

3. The Licensing Authority and the interim steps

3.1 Within 48 hours of receipt of the chief officer's application, the licensing authority must give the premises licence holder and responsible authorities a copy of the application for review and a copy of the certificate, and must also consider whether it is necessary to take interim steps. When calculating the 48 hour period any non-working day can be disregarded.¹

3.2 The licensing authority may want to consult the police about the steps that it thinks are appropriate, pending the determination of the review, to address the immediate problems with the premises, in particular the likelihood of serious crime and/or serious disorder. The licensing authority may consider the interim steps without the holder of the premises licence having been given an opportunity to make representations. This does not, of course, mean that the licensing authority *cannot* afford such an opportunity if it thinks it appropriate and feasible to do so in all the circumstances.

3.3 The determination of interim steps is not a matter that may be delegated to an officer of the licensing authority. The relevant decisions are likely to be taken by a licensing sub-committee. It should also be noted that there is no requirement for a formal hearing in order to take interim steps. This means that the relevant sub committee members can communicate by telephone or other remote means in order to reach a decision. A written record should always be produced as soon as possible after a decision is reached.

3.4 The interim steps that the licensing authority must consider taking are:

- the modification of the conditions of the premises licence;
- the exclusion of the sale of alcohol by retail from the scope of the licence;
- the removal of the designated premises supervisor from the licence; and
- the suspension of the licence.

Modification of the conditions of the premises licence can include the alteration or modification of existing conditions or addition of any new conditions, including those that restrict the times at which licensable activities authorised by the licence can take place. Further examples of possible licensing conditions, including those aimed at tackling crime and disorder, can be found in the amended guidance issued under section 182 of the 2003 Act (available at:

www.homeoffice.gov.uk/publications/alcohol-drugs/alcohol/guidance-section-182-licensing).

3.5 If the licensing authority decides to take steps at the interim stage:

¹ This means that, for example, if the application was received at 3pm on a Friday, the 48 hour period would cover the remaining 9 hours on that Friday and the remaining 39 hours starting on the Monday morning (provided it was not a bank holiday). In this case the licensing authority would have to decide on interim steps by 3pm on the Tuesday.

- the decision takes effect immediately, or as soon after it as the licensing authority directs; but
- the licensing authority must give immediate notice of its decision and its reasons for doing so to the holder of the premises licence and the chief officer of police who made the application. The 2003 Act does not specify that the immediate notice has to be in writing. However, in an individual case the licensing authority may consider that the need for immediate communication at least initially requires a non-written approach, such as a telephone call. This may happen when, for example, the authority decides that the decision should have immediate effect. In such a case, the decision and the reasons for it should be explained clearly and in full to the licence-holder (or someone who may properly act for the licence-holder), and the call followed up as soon as possible with a written version of the decision and the reasons (for example, by email or fax) which is identical to, or not significantly different from, the version given by telephone.

3.6 The licensing authority, in deciding when its decision on interim steps should take effect, should consider the practical implications of compliance in relation to the premises. For example to comply with a modification of the conditions of a licence that requires employment of door supervisors, those running the premises may need some time to recruit appropriately qualified and accredited staff.

3.7 In addition, very careful consideration needs to be given to interim steps which would require significant cost or permanent or semi-permanent adjustments to premises which would be difficult to remove if the outcome of the subsequent full review was to withdraw or modify those steps. For example, making structural changes, installing additional CCTV or replacing all glassware with safer alternatives may be valid steps, but might be disproportionate if they are not likely to be deemed necessary following the full review (or any subsequent appeal). The focus for interim steps should be on the immediate measures that are necessary to prevent serious crime or serious disorder occurring. In some circumstances, it might be better to seek suspension of the licence pending the full review, rather than imposing a range of costly conditions or permanent adjustments.

4. Making representations against the interim steps

4.1 The premises licence holder may make representations against the interim steps taken by the licensing authority. There is no time limit for the premises licence holder to make representations on the interim steps, although in practice this would at some point be superseded by the full review which would have to be completed within 28 days of the application being received by the licensing authority. On receipt of such representations, the licensing authority must (if the representations are not withdrawn) hold a hearing within 48 hours of their receipt. When calculating the 48 hour period, any non-working day can be disregarded.

4.2 The licensing authority must give advance notice of the hearing to the premises licence holder and the chief officer of police. Given that these measures are designed to deal with serious crime and serious disorder on an interim basis only, the process is designed to avoid delay and, as such, significant portions of the Licensing Act 2003 (Hearings) Regulations 2005 (SI 2005/44) (which set out the usual processes governing the conduct of licensing authority hearings) do not apply in order to streamline the hearing process. One result of this is that licensing authority cannot adjourn the hearing to a later date if the licence holder fails to attend

at the scheduled time, as is the case under the normal review procedure. And as is the case with that procedure, the licence holder does not have to be present for the hearing to take place. In addition, there is no timescale for notifying the licence holder of the hearing under the modified process, providing the notification takes place before the hearing is held. However, it is imperative that the licence holder be given as much notice as is possible in the circumstances to afford the holder a maximum practicable opportunity to prepare for and attend the hearing. Licensing authorities should bear in mind that the usual principles of public law decision-making will apply to interim determinations, in a form that has regard to the statutory context of an expedited process.

4.3 At the hearing the licensing authority must:

- consider whether the interim steps are appropriate for the promotion of the licensing objectives; and
- determine whether to withdraw or modify the steps taken.

4.4 When considering the case the licensing authority must take into account:

- the senior officer's certificate that accompanied the application;
- the chief officer's representations (if any); and
- any representations made by the premises licence holder.

4.5 There is no right of appeal to a magistrates' court against the licensing authority's decision at this stage.

5. The review of the premises licence

5.1 The licensing authority must hold a review of the premises licence within 28 days after the day of receipt of the chief officer's application. This must take place even if the chief officer asks to withdraw his application or representations. At the hearing, the licensing authority must:

- consider what steps it considers appropriate for the promotion of the licensing objectives; and
- decide which interim steps (if there are any) cease to have effect altogether or become the subject of any steps which it considers are appropriate when making its determination on the review.

5.2 The steps the licensing authority can take are:

- the modification of the conditions of the premises licence;
- the exclusion of a licensable activity from the scope of the licence;
- the removal of the designated premises supervisor from the licence;
- the suspension of the licence for a period not exceeding 3 months; and
- the revocation of the licence.

Modification of the conditions of the premises licence can include the alteration or modification of existing conditions or addition of any new conditions, including those that restrict the times at which licensable activities authorised by the licence can take place. Further examples of possible licensing conditions, including those aimed at tackling crime and disorder, can be found in the amended guidance under section 182 of the 2003 Act.

5.3 The licensing authority must:

- advertise the review inviting representations from any persons for no less than seven consecutive days, by notice as described in regulation 38 of the Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005 (SI 2005/42) and, if applicable, on the licensing authority's website (see regulation 38(1)(b) of the above). The relevant notices should be published on the day after the day of receipt of the chief officer's application.
- advertise that any representations made by the premises licence holder, responsible authority and any other persons should be submitted to the licensing authority within 10 working days of the advertisement of the review appearing.
- give formal notice of the hearing no later than five working days before the day or first day on which the hearing is to be held to the premises licence holder and to every responsible authority².

5.4 A party shall give to the authority a notice no later than two working days before the day or the first day on which the hearing is to be held stating –

- whether he intends to attend or be represented at the hearing;
- whether he considers a hearing to be unnecessary.
- whether he would like permission for any other person (other than the person he intends to represent him at the hearing) to appear at the hearing and, if so, explain on which points that person will be able to contribute.

5.5 The regulations relating to hearings are set out in the Licensing Act 2003 (Hearings) Regulations 2005 (S.I. 2005/44). They apply to final hearings under the section 53A(2)(b) in a similar way to hearings following closure orders under section 167 of the 2003 Act (it should be emphasised that the truncated version of the hearings regulations described in paragraph 4.2 above applies to interim hearings only). The issues they address include who can make representations and what those representations can be about. It is therefore possible for responsible authorities or any other persons to make representations in relation to any of the licensing objectives, not just crime and disorder. Similarly, where it is in the public interest, the regulations relating to the exclusion of individuals from hearings, or conducting the hearing in private, will apply.

5.6 The licensing authority must take into account any relevant representations made. Relevant representations are those that:

² Responsible authorities are defined under sections 13(4) and 69(4) of the 2003 Act.

- relate to one or more of the licensing objectives;
 - have not been withdrawn; and
 - are made by the premises licence holder, a responsible authority or any other person (who is not also a responsible authority).
- 5.7 The licensing authority must notify its decision and the reasons for making it to:
- the holder of the premises licence;
 - any person who made relevant representations; and
 - the chief officer of police who made the original application.

6. Right of Appeal

6.1 An appeal may be made to the magistrates' court within 21 days of the licence holder being notified of the licensing authority's determination on the review. An appeal may be made by the premises licence holder, the chief officer of police and/or any other person who made relevant representations.

6.2 The decision of the licensing authority, following the review hearing, will not have effect until the end of the period allowed for appeal, or until the disposal of the appeal.

I am a Licensing Officer employed by Essex Police for the Epping Forest and Brentwood areas. I have been employed by Essex Police for 11 years and 10 months. I have been in this role since August 2011.

I have known Anthony PAPADOPOULOS for approximately 3 years. I would describe him as IC1 male approximately 5'8" tall, and approximately 31 years old. I have known him as the owner and DPS of The Villa, and will refer to him as Mr PAPADOPOULOS throughout my statement.

Mr PAPADOPOULOS purchased a nightclub originally known as Edge, Cottis Lane, Rear of 195-199 High Street, Epping CM16 4BL in March 2012. Prior to Mr PAPADOPOULOS purchasing the venue a review was ongoing due to previous problems associated with the venue.

Prior to refurbishing and opening the venue under the new name Mr PAPADOPOULOS met with myself, Sgt 75040 ALLSOP, and Insp 2633 BARKER regarding the existing licence and a minor variation was applied for in relation to additional conditions to streamline the management of the venue.

Since this time I have had sporadic contact with Mr PAPADOPOULOS regarding incidents and had 2 management meetings as evidenced as exhibits PJ\201503\01 which refers to a meeting on Wednesday 26th March 2014 raising our concerns in the management and door supervision.

Exhibit PJ\201503\02 relates to an email sent on 26th September 2014 in relation to a meeting held with A/Insp Welch, Mr PAPADOPOULOS, and myself regarding additional actions

Signature: Signature witnessed by:

volunteered by Mr PAPADOPOULOS following an incident on 6th September 2014, EP-20140906-0211 refers.

Since 1st March 2014 Essex Police have recorded 34 incidents which vary from grievous bodily harm to minor public order offences. During the same period Essex Police have investigated 20 crimes that have been associated with the Villa. A summary report has been enclosed as exhibit PJ\201503\03.

Following an incident on 1st March 2015 an informal meeting was conducted at the Villa on Monday 2nd March 2015 with Mr PAPADOPOULOS, Sgt 74228 ALCOCK, Insp 3652 THOMAS and myself. During the meeting we discussed the events leading up to the incident and the original risk assessment conducted by the venue. Mr PAPADOPOULOS explained that he used a promoter not previously used called 'Serenity London'. The promoter sold 7 tables with 51 named persons and 94 people individual tickets. Details of these were provided to me along with a copy of the risk assessment. A copy of the risk assessment has been included as exhibit PJ\201503\04.

Based on my experience I found this risk assessment to have insufficient information included to allow the venue to properly assess the potential risks associated with using an unknown promoter.

We discussed the incident and Mr PAPADOPOULOS advised a drink was thrown in the face of another customer; this then led to a number of persons leaving the Villa one of whom had a champagne bottle which was later smashed in Cottis Lane outside the venue. Within Cottis Lane there was wood and bricks from a nearby building site. These were all used as weapons against other persons, and in an attempt to regain entry to the Villa whose doors were being held shut by door staff from the inside to protect those inside the premises. Mr PAPADOPOULOS advised the manager on duty Jim HOLLYWOOD called Police for assistance.

Additional information was also provided by Mr PAPADOPOULOS from his ID entry system demonstrating that approximately 85% of those attending were new customers.

I asked for a copy of the door staff log at the Villa in relation to an existing condition of the licence regarding employment of door staff and their ratio to customers. This log was found to be incomplete. Mr PAPADOPOULOS advised an entry dated 28th February 2015 actually related to 27th February 2015, and no entry was made on 28th February 2015. This was later provided by email. A copy of the door staff log and email have been included as exhibits PJ\201503\05 and PJ\201503\06.

A copy of CCTV was requested by CID and is part of an ongoing investigation.

Signature:  Signature witnessed by:

After conclusion of the meeting Sgt 74228 ALCOCK, Insp 3652 THOMAS and myself had a further meeting to discuss the most appropriate course of action. Insp THOMAS felt that the actions of the management on the night had put the public safety at risk and further measures could have prevented this disorderly incident. It was decided by Insp THOMAS with the support of myself that an expedited review would be conducted in fear of further violent disorder should the venue continue to trade.

On Tuesday 3rd March Insp THOMAS spoke with Supt 198 ROBINSON who agreed to sign the certificate authorising the expedited review.

A request was made to Epping Forest District Council for a copy of their CCTV and stills in relation to the incident on 1st March 2015. This was provided and logged into bag references S00505574 and S00505575 respectively. A copy of the statement from the officer is enclosed as exhibit PJ\201503\07. A copy of the CCTV is enclosed as exhibit PJ\201503\08. Copies of the stills are enclosed as exhibit PJ\201503\09.

Following an internal investigation by myself; Essex Police feel the Premises Licence should be revoked due to the nature of the incident and the poor management demonstrated during this time.

However, should the members of the Licensing Sub-Committee feel that revocation of the Premises Licence is not proportionate; Essex Police have looked at the Premises Licence and further measures that may assist in the promotion of the Licensing Objectives. I produce this as exhibit PJ\201503\10.

Exhibit PJ/201503/01

3 March 2014

Dear Anthony,

Further to our meeting on Wednesday 26th March 2014, I am writing to formalise, the concerns in management and door supervision at The Villa.

After viewing CCTV provided to me by Epping Forest District Council regarding an incident in the early hours of Saturday 1st February 2014, it was clear that door supervision is not being undertaken effectively. It was seen that a male attempted to punch one of your door team, whom then pinned the attacker against the wall; and then door staff from Club 195 stepping in and assisting.

This whole event escalated to a point where patrons of The Villa, came out into Cottis Lane, looking to fight. Barriers from both clubs were pushed over, shirts were removed, and a tyre wrench was seen in one males hand. A female was also punched to the floor; however, she has made no complaint to Police.

It has also been noted that people, are breaching your security, by entering the smoking area at the far end; and then entering The Villa, unchallenged, and unsearched.

I advise that although the conditions of your licence specify for a ratio of door staff to patrons, that this should be routinely exceeded. It is my advice that on Friday two door staff should be permanently on the front door, and two inside. The two on the front door should monitor and manage the smoking area. On a Saturday, this should increase to six, with an additional door supervisor at the far end of the smoking area, and another inside.

I also had a look at your ID scanner and software. Although this is not a condition of your licence, I feel that the process is less than adequate. You have no searching facility, and are effectively scanning ID to an image file, similar to what a home computer might. I therefore also advise you research specialist equipment, similar to what other nightclubs in the area use.

Finally, although I cannot dictate whom you allow in your club, it has been reported to me, that persons ejected from and refused entry to Club 195 are being allowed entry to your club. I am advised that door staff from Club 195 do tell your door staff reasons for ejection/refusal but door staff often ignore this.

I hope to see a vast improvement in the management of the club, and fewer issues accordingly. Any further problems will be brought to your attention. Please also note that

Essex Police will review a Premises Licence where it is felt that management is poor and incidents support this.

Yours sincerely,

Anthony,

Thank you for taking the time to meet with Inspector Welch and myself. Please also extend my thanks to Andrew.

I have just bullet pointed the actions volunteered by you.

1. Earlier closing. Friday to close at 03:30 and Saturday 04:00. This will be with 30 minutes downtime beforehand, where alcohol will go off sale, lights will be brought up, and music turned down.
2. Cessation of a buy one get one free (BOGOF) promotion on cocktails.
3. Door Supervisors will remain visible in Cottis Lane and High Street, after closing to assist with the dispersal.
4. Details of DJs and promoters to be emailed to me.

This will be reviewed in a few weeks.

Kind Regards

I am employed by Epping Forest District Council as the CCTV Operations Officer, based at the Civic Offices, High Street, Epping, Essex CM16 4BZ. My role and responsibilities include the co-ordination, development and management of Epping Forest District Council's Public Space CCTV systems. On 05/03/2015 I received a request from licensing officer Peter Jones of Essex Police to preserve images from the Council's CCTV system located at Cottis Lane and High street Epping, in relation to an incident that happened on 01/03/2015 between 02:38hrs and 02:47hrs. I downloaded the video imagery from the CCTV control equipment onto a DVD. After using the talking clock to check the time, I can confirm that the time displayed on the footage was checked against Greenwich Meantime and was displaying correctly. The DVD was placed into a sealed evidence bag numbered S00505574 and marked exhibit AP/1. I was also requested to provide a number of still frames from the video imagery these were placed into a sealed evidence bag numbered S00505575 and marked exhibit AP/2. These were then stored securely at the Civic Offices, Epping, until handed over to Essex Police in accordance with CCTV release form AF2013892.

FROM INSP BLAKESLEY - ON ARRIVAL AT THE SCENE NO PERSONS WERE PRESENTING AS SUFFERING THE ILL EFFECTS OF ANY KIND. HAVING SPOKEN TO OTHER OFFICERS AT SCENE IT WAS CLARIFIED THAT	13/04/2014	03:52:29	WEBNET	115
THE LOCATION OF THIS INCIDENT WAS IN THE WALKWAY OUTSIDE "THE VILLA" AND NOT "195" AS PREVIOUSLY REPORTED.	13/04/2014	03:52:29	WEBNET	115
OFFICERS PRESENT STATED THAT ON 1ST ARRIVAL SEVERAL PEOPLE "PUBLIC" AND "DOOR STAFF" WERE SUFFERING EFFECTS SIMILAR TO THOSE EXPERIENCED FOLLOWING CONTACT WITH A CS OR SIMILAR	13/04/2014	03:52:29	WEBNET	115
TYPE GAS	13/04/2014	03:52:29	WEBNET	115
WHEN I ARRIVED NONE OF THESE INDIVIDUALS WERE STILL AT SCENE OR WERE MAKING THEMSELVES AVAILABLE TO POLICE.	13/04/2014	03:53:25	WEBNET	115
NO ONGOING EFFECTS FROM THE "GAS" WERE EVIDENT	13/04/2014	03:53:25	WEBNET	115
DOOR STAFF AND CLUB MANAGER WERE SPOKEN TOO AND CLAIMED THAT THE INCIDENT HAD NOT HAPPENED IN THE CLUB AND THAT NO LARGE GROUPS HAD BEEN EJECTED, THEY BELIEVED THAT THE INCIDENT	13/04/2014	03:55:01	WEBNET	115
WAS RANDOM AND COMMITTED BY SOMEONE WALKING PAST TEH CLUB.	13/04/2014	03:55:01	WEBNET	115
AT THE TIME OF MY ARRIVAL THE AREA WAS FULL OF MEMBERS OF THE PUBLIC AS "195" HAD RECENTLY STARTED CLOSING.	13/04/2014	03:55:01	WEBNET	115
MESSAGE SENT TO (74561 TAPPENDEN #	13/04/2014	04:03:58	CTC	CADSVR
THE MANAGER OF THE CLUB INDICATED THAT AS A RESULT OF THE INCIDENT HE WAS GOING TO CLOSE EARLY THIS EVENING AND THAT CCTV WOULD BE AVAILABLE TO VIEW / RECORD ONCE ALL THE	13/04/2014	04:04:34	WEBNET	115
"PUNTERS" HAD LEFT THE PREMISES.	13/04/2014	04:04:34	WEBNET	115
APS HOUNSLOW WAS TASKED WITH OBTAINING FULL DETAILS FROM THE OFFICERS ATTENDING INITIALLY INCLUDING ANY PERSON REPORTING ILL EFFECT AS A RESULT OF THE INCIDENT AND HAS BEEN TASKED	13/04/2014	04:04:34	WEBNET	115
WITH ENSURING THAT ALL DOOR STAFF WERE SPOKEN TOO AND DETAILS OBTAINED.	13/04/2014	04:04:34	WEBNET	115
IT IS MY OPINION THAT THERE ARE AT LEAST TWO MEMBERS OF DOOR STAFF WHO HAVE BEN AFFECTED BY THIS INCIDENT AND THAT THEY SHOULD BE TREATED AS VICTIMS OF ASSAULT AND SEEN BY	13/04/2014	04:04:34	WEBNET	115
PARAMEDICS WHEN THEY ARRIVE ALTHOUGH HAVING SPOKEN TOO THEM I BELIEVE THEY WILL BE RELUCTANT TO BE SEEN OR BE TREATED AS A VICTIM OF CRIME. APS HOUNSLOW WILL ENSURE CCTV IS	13/04/2014	04:04:34	WEBNET	115
CAPTURED AND THAT ANY OTHER VICTIMS ARE DEALT WITH APPROPRIATELY	13/04/2014	04:04:34	WEBNET	115
PLEASE ENSURE THAT THIS INCIDENT IS ALSO BROUGHT TO THE ATTENTION OF LICENSING FOR REVIEW	13/04/2014	04:04:34	WEBNET	115

CLUB 195 ARE ERECTING BARRIERS AS WE SPEAK. THEY ALSO HAVE ONE OF THEIR DOORSTAFF ON THE MINI ROUNDABOUT BY THE CHURCH DIRECTING THEIR CUSTOMERS WHERE TO GO ROUND THE	07/09/2014	00:11:18	DD56	2299

HAVE AT CLOSING TIME IS THE TAXI'S TURNING UP. SO I PROPOSE TO SHUT THE HIGH STREET TO VEHICLES FROM THE MINI ROUNDABOUT BY THE CHURCH AT ONE END TO THE JUNCTION WITH HEMNAL	07/09/2014	00:11:18	DD56	2299

WITNESS STATEMENT

Criminal Procedure Rules, r 27. 2; Criminal Justice Act 1967, s. 9; Magistrates' Courts Act 1980, s.5B

URN [] [] [] []

Statement of: Inspector Richard Thomas

Age if under 18: 18 (if over 18 insert 'over 18') Occupation: Police Inspector 3652

This statement (consisting of 2 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Signature: [Signature] (witness) Date: 16/03/2015

I am the Neighbourhood Policing Inspector for Epping Forest District. I have fulfilled this role since October 2014. I have been a serving Police Officer since 1995. I have a breadth of experience from Uniform roles and that of Detective.

On Monday 2nd March 2015 I attended a meeting at the Villa, Rear of 195-199 High Street, Cottis Lane, Epping CM16 4BL in company with Sgt 74228 ALCOCK, Licensing Officer 7706 Peter JONES and a male I now know to be Anthony PAPADOPOULOS the owner and DPS of the venue. During this meeting we discussed the incident that took place on Sunday 1st March 2015. Throughout this meeting with the owner it is apparent that there were a number of failings by the management to safeguard the public. In addition to this on reviewing the risk assessment further failures were established which could have prevented this disorderly incident occurring and averted the violence seen in the early hours of Sunday the 1st March 2015. This violence resulted in one male receiving head injuries which necessitated the Hospital putting him into a drug induced Coma, two other males arrived at North Middlesex hospital one with stab injuries to his buttocks and this related to the incident of violence that started at Villa Night Club Epping and continued into the street. This was an extreme level of violence for a quiet rural town and totally out of character with issues the local Police deal with on a day to day basis.

At the conclusion of the meeting I was not satisfied with the response and felt the proposed measures offered were not adequate to ensure a similar incident did not occur. I therefore felt that a suspension of the licence by means of an expedited review was necessary.

Upon my return to Loughton Police Station the following day I contacted Supt 198 ROBINSON to express my concerns and summarised our meeting with the owner. Based on the information I provided, he felt there were adequate grounds to submit the expedited review application.

Subject: THE VILLA COTTIS LANE EPPING CM16 4BL

Dear Sir/Madam,

We have lived in Epping for 6-years.

In that time we have noted that the behaviour of revellers leaving the Cottis Lane area in the early hours has decidedly got worse.

We live adjacent to Twankhams Alley and are subjected to screaming, shouting, glass bottle being broken and vomit.

We hear the sirens of police cars and sadly ambulances when there has been a major incident which, as we all know there have been far to many of.

We have three young grandchildren who often stay at weekends and have been scared by the din that is made by revellers leaving the clubs.

We try to assure them that the people making the noise are just having some fun but we do wonder if another poor soul has been stabbed or worse.

To be honest we wish the clubs were NOT there as we believe premises that are licences to beyond 4.00am should NOT be within high residential areas and belong in industrial or commercial areas.

At the very least we would like all the licenced premises in Epping to close before the last train leave Epping station.

Kind regards

Dear Sir/Madam,

Re: Review of Licence - The Villa, Cottis Lane, Epping, Essex, CM16 4BL

I understand that a review of the licence for the business noted above has been requested by Essex Police.

I am writing to express my deep concerns about the growing number of violent and antisocial incidents which have occurred in our High Street over the past few years including a near fatal stabbing last September.

On Sunday morning, I left St. John's church after our service to do some shopping with my children and we had to step over broken glass (this has become quite commonplace) and a trail of blood as we made our way to the shops. I don't need to explain to you why as an individual, let alone a mother of two young boys, this is upsetting and shocking.

The sad fact of the matter is that I wasn't surprised. As a family we have seen the High Street in this state on many a Sunday morning. I'm sure that you will recall the incident last September which led to our street to be closed off for some time whilst Essex Police investigated the stabbing. I found myself wondering how to explain this to my children so that they wouldn't be worried about being on the High Street. I have recently allowed my eldest son to visit the shops and café's without adult supervision as he grows in age and independence, but I have to admit to having concerns for his safety after seeing what violence can take place on the streets which I had considered to be so safe.

My children have also become quite used to seeing the paraphernalia of drug use scattered near the clubs (particularly in the area behind the clubs/rear car parks). My eldest son's school took steps to provide information to the children and parents about such drugs as a direct result. Are we to turn a blind eye or condone this?

I have lived in Epping for 15 years. I love the area and the community spirit. My husband and I have become actively engaged in the community; I've been a governor of Epping Primary school for 6 years, my husband runs Epping Beavers, Cubs and assists with Scouts all based at Stonard's Hill and we are choristers with St. John's Church. It has all the ingredients to be a wonderful place to bring up a family, but there is a caveat and that this the ongoing public and disorder, not to mention safety issues we are facing which are caused by the clubs/bars in the High Street.

Someone recently argued in the local newspaper that these clubs create revenue, jobs and bring people into our town. I would argue that the people being attracted are clearly not the sort of people we want to welcome. As for jobs and revenue, I feel that you need to balance any positive element of the clubs against the, albeit rather more difficult to measure in a monetary sense, feelings of worry, concern and fear amongst the population whom have to live with the aftermath of a Saturday night.

I do feel somewhat let down by the authorities whom manage the licencing and management of the issues I have noted above. As I said when I spoke to the Council Licencing department earlier this week, I wonder how severe the violence needs to be before something is done to put a stop to such incidents which are frankly becoming all too frequent. Do we need a fatal stabbing? More serious mass brawls involving hundreds of people, rather than just 20 or 30?

Our churches in Epping are currently investigating the idea of putting Street Pastors in Epping at the weekend. We've had a representative from Harlow meet with us to give us an idea of what the role entails. He advised us that we should wear a stab vest. I have to say that based on, yet another, incident of this type, I would not consider volunteering and would advise my friends and family not to do so – it simply isn't safe enough. As David King, owner of the 195 Club himself said in a comment on the Epping Guardian website said, "It was very, very, nasty and it got out of control - people throwing bottles and lumps of wood at each other. I had to bring my security staff back in, it was too dangerous for them."

Goodness help us poor individuals then.

I would implore you to review the current situation and consider the people of Epping, particularly the young people and families.

Yours Sincerely

Amanda Theodorou BA (Hons) FCCA

Representation regarding Licensing Consultation

The Villa Cottis Lane Epping Essex CM16 4BL

We are writing to make a representation on the grounds of :

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- The protection of children from harm

We own and run a local business in Epping located close to The Villa and we are making a representation against this application on the following grounds:

On two occasions in the last couple of years, we have arrived at work on a Saturday morning to find the entire area around our business premises cordoned off to allow the police to investigate a serious assault. My understanding is that the crimes related to members of the public attending the Villa and the neighbouring night club. On both occasions, access to our premises was severely restricted resulting in a significant loss of business. On one occasion there was no public access to our premises, resulting in the loss of an entire day's business.

Every week, we find bottles and glasses discarded in the access area behind our business premises. To prevent injury to any persons or vehicles accessing this area, which is used both for parking and as a fire exit, the broken glass and discarded alcohol has to be regularly cleared away. Broken glass and discarded bottles containing alcohol are also left outside the front of the premises on a regular basis, and these have to be cleared away before the business can open, to avoid injury to the public and to our staff.

As independent business owners, we are keen to encourage other independent businesses in Epping. Therefore, we do not make this representation lightly. However, we feel that there is a significant risk to public safety of both adults and children from patrons visiting the nightclub, leading to public nuisance, crime and disorder.

Subject: RE: Notification of Consultation letter of 5th March with respect to The Villa, Cottis Lane

Dear Licensing Manager,

Having received your Notification of Consultation letter of 5th March with respect to The Villa, Cottis Lane, the Parochial Church Council (PCC) of St. John the Baptist Church, St. John's Road, have considered it and how we should respond.

Due to the very short timescales, we were unable to take a wider view from our congregation, and have instead taken and compiled the views of the members of the PCC, which are as follows.

- There have been a number of violent incidents in recent years, including one incident last year that was so serious, the High Street was closed for much of the following 2-days.
- Because people are being hurt, we certainly agree that the licence should be reviewed.
- Although none of our PCC members have been affected directly, we know anecdotally that people living near the club are disturbed by late night noise. We know that stabbings have occurred, tying up local police resources, and it seems that people are drinking to excess, which almost certainly fuels the fighting.
- The very late night licence affects a number of aspects of our town, including visitors to Epping, and makes a the area around these premises a virtual no-go area at times.

We believe that the above points are issues under the areas of:

1. Prevention of Crime & Disorder
2. Public Safety
3. Prevention of public nuisance

We therefore fully support the application by Essex Police for you to review the License for this premises.

Regards,

Steve Carter

Dear Mrs Tuckey,

Licensing Act 2003

Review of Premises Licence, 'Villa Epping', Cottis Lane, Epping.

At the Town Council's Ordinary meeting held on 10th March 2015, members discussed the recent disorder in Epping High Street and the subsequent decision of the District Council's Licensing Committee to suspend the premises licence of the above premises and to conduct a review.

The Town Council recognises that Essex Police and the District Council responded quickly in the wake of the incident and supports the prompt action that was taken to suspend the Licence.

As an 'interested party', the Town Council does not have any direct evidence to offer in relation to this review. Whilst the Council has received a number of complaints concerning the operation of late night premises in the town, these are not specific to a particular premises. The fact that there are two nightclubs in the same small alleyway makes it difficult to be specific about anti-social behaviour without access to CCTV footage or eyewitnesses. If we do receive any more specific information we will encourage people to report it to you.

Council is reminded of the suspension of the licence of Club 195 in 2009 when there were similar issues of anti-social behaviour and disorder. It appears to be the case that the additional conditions that were placed on the licence of that premises has had the desired effect, i.e. problems that premises was experiencing have been largely resolved. It seems obvious therefore, that conditions at least as onerous as those placed on Club 195 at that time should be imposed before Club Villa is permitted to open again.

Alan Shaw, Town Clerk

Whilst a number of residents who attended the Council's Annual Meeting on Friday 13th March 2015 were calling for the premises to be closed down entirely, the Town Council does not share this view. We recognise that the night-time economy is important to the town and that people who visit the town for one leisure activity are likely to visit for others, to the overall benefit of our local economy.

It is very easy to see why some residents have formed this view, however, when there are stabbing incidents and near-riots taking place, not to mention the on-going low level incidents of petty vandalism, littering, broken glass etc. which plague the town at weekends.

However, If the premises is not willing to accept additional conditions including better identification and vetting of customers, security, CCTV and a reduction in operating hours then the Town Council would call on the District Council to revoke the licence.

We would also call on the District Council to ask for better Policing of the town at weekends, particularly at times when late-night premises are closing. The Town Council understands that there was no Police presence at all in the town when the most recent incident took place. We fully intend to make the case for better and more visible policing in Epping at weekends.

Yours sincerely,

Dear Mr. Tuckey,

We vare responding to your letter of 5th March regarding a review of the licenssing of The Villa, Cottis Lane, Epping, and strongly recommend permanent closure because of the continuing instances of crime and disorder. Specifically, we were roused by a lot of noise in the early hours of Sunday 7th September last. Because of the stabbing in the High Street the previous night, the street was closed and a lot of young people gathered in our part of St. John's Road where taxis were plying for hire. At one point five or six of them came on to our property and we were fearful of what might happen next. Consequently we rang 999 for assistance and, as a result, prompt action by the Police prevented any further trouble. There was no question of sleep for nearly one and a half hours!

Public safety is an important issue and we have found from personal experience that walking along High Street in the vicinity of Cottis Lane late at night to be very unnerving because of the behaviour of young people in the area.

We hope that these and other issues raised by local inhabitants and business people will help to avoid any future serious troubles.

Yours sincerely,

Peter and Anne Double (aged 82 and 77 respectively)

Dear Sirs,

RE: The Villa, Cottis Lane, Epping, Essex, CM16 4BL

On behalf of the Epping Society and our members, whom I had an opportunity to speak with members at the AGM on 9th March, I am writing to you in connection with the licence for the captioned premises.

We have seen in the press that following the recent incident near the night clubs in Epping the Villa has had its licence suspended.

We support this action as apparent customers of the club have been involved in altercations a number of times over the last 2 years particularly since the extension of its opening hours to 4.30am.

We are concerned about this establishment on a number of levels as follows:

- It is a danger to public safety as it attracts people to the local area who appear to be involved in illegal activity
- The club creates a public nuisance and a not inconsiderable burden on local policing especially around closing time of the club
- It creates crime and disorder in the town as evidenced by Essex Police's evidence to the licensing Unit has already ably demonstrated
- The negative reporting of the incidents diminishes the reputation of Epping as a whole giving the impression that it is unsafe to visit in the evenings

Whilst we applaud the decision to suspend the clubs licence we are concerned that the club will be given back its licence and that the issues detailed above will start again.

If the club is to have its licence reinstated we would ask that you consider the following:

- Restrict its licensing hours so that it closes much earlier than the existing 4.30am
- Ensure that the club employs sufficient security staff to deal with any problems which arise whether they be public order, drug or other criminal activities
- Charge the club for extra policing needed to keep the public and law abiding clients safe so as to not add to the tax payers council tax bill

I look forward to hearing from you in due course

Yours Sincerely

Adam Long,
Vice Chairman Epping Society

Dear Sirs,

Re: Premises Licence Number: LN/210001103 – The Villa, Cottis Lane, Rear of 195-199 High Street, Epping, CM16 4BL

We write with reference to the above and confirm we act on behalf of TDS Entertainment Limited, Club 195, 195 Cottis Lane, Epping, Essex, CM16 4BL.

Having read the application for Summary Review, our client supports the Police's application for review.

Our clients are concerned that the above premises attracts customers who cause issues and disturbance (including serious violence and disorder).

It is not uncommon for persons who are refused entry to our client's premises being admitted to The Villa notwithstanding we are of the opinion that they are pre-intoxicated and/or not suitable for admission.

There are insufficient Security Industry Authority door supervisors and furthermore our client has seen groups of men just entering the premises refusing to be searched, even though they were asked.

There appears to be a total lack of control of the venue; control of the door and persons leaving with bottles. Our client is concerned that there is serious crime and disorder and public safety concerns in relation to this premises and asks that the hours of the premises either be dramatically reduced or the licence revoked.

We enclose a brochure which our client believes is being circulated within the trade, seeking investment for the premises seeking to expand its operation to a four day week, clearly showing the direction of travel for this venue.
