Horoscopes with Claire Petulengro

WEEKLY HOROSCOPES BY
 CLAIRE PETULENGRO

WEEK COMMENCING SATURDAY 30TH AUGUST

ARIES (March 21st-April 20th)

Bad news you've already received makes way for good news
 as you're about to learn how good your sign is at getting
 out of a sticky situation. Time spent with family can help you
 learn what has really gone on in their lives in recent weeks.
 Supporting each other gives you back the faith that's been
 lacking. Ring now for a surprise announcement.

TAURUS (April 21st-May 21st)

You seem to be juggling funds this week and you may find
 it hard to know if you're in credit or debt. Everything has the
 ability to work out well for you if you'd face facts instead of
 imagining them. Travel plans prove to you that someone has
 given you their loyalty. Give me a ring to hear why this is a
 great week to start a new job.

GEMINI (May 22nd-June 21st)

Spend some time with your loved ones this week. A meeting
 of minds can ensure that you approach the future as a team,
 rather than working against each other. Utilising old skills
 midweek can put you in touch with faces that can make you
 your fortune. Give me a ring now to hear why you shouldn't
 rule out house moves.

CANCER (June 22nd-July 23rd)

Stop trying to manage everything on your own and accept
 the help which those around you are trying to offer.
 The moon makes you more emotional than usual this
 weekend and could see you agreeing to things you'll regret.
 Think and ask for time, if it's the first time you've heard what's
 available. Phone me so we can talk this week through more.

LEO (July 24th-August 23rd)

Why have you left a bad air to stew between you and a
 close one? Surely it would be far better to talk things out?
 You're worried because others are watching, but the sooner
 you clear the air, the sooner you'll see that you were both
 working towards the same goals, just with different styles.
 Ring now so I can help you see life clearly.

VIRGO (August 24th-September 23rd)

You are going to have to make your family a priority this
 week, or you could find a falling out that is not easily
 repaired. Long distance relationships however are well
 starred and could have the makings of something permanent
 in your future. Ring now to hear why it's imperative you turn
 up on time, or even early, for all meetings.

LIBRA (September 24th-October 23rd)

Try to stick to your word in business this week, as more
 people are watching you than you think. You may be of
 the mind that small changes are ok, but I beg to differ.
 They could be the reason you lose the support for a personal
 change you want in your work at the end of the week. Ring
 now to hear how love and white lies are in the office.

SCORPIO (October 24th-November 22nd)

You'll want to tell half truths in order to save other's feelings,
 when you should be telling them the facts. It's the only way they'll
 be able to deal with the issues properly. Smile at strangers this
 week. Impromptu meetings ensure your life starts to get more
 than a little interesting. Ring now to hear how exciting your work
 sector is getting this month.

SAGITTARIUS (November 23rd-December 21st)

New relationships come under a lot of pressure from the
 stars and you may be finding it hard to work out your
 feelings. You know sometimes you can be your own worst
 critic. Stop over-analysing and instead just feel your way
 through the events in the next seven days. Give me a ring
 now to hear about a new admirer you've earned.

CAPRICORN (December 22nd-January 20th)

Education is important this week Capricorn. Make sure that
 if there is the chance for you to expand your knowledge,
 you accept it. Not even you can know everything.
 Word from someone you have not heard from recently puts
 a skip in your step and helps you to feel optimistic about
 relationships. Ring me. We need to talk about last weekend.

AQUARIUS (January 21st-February 19th)

Although you're seeing a new side to a close one's character,
 don't immediately think that they don't fit into your life.
 The fact that they're opened up to you means that they
 trust you more, not less. Let time be the judge of how
 well you work as a team. Better still, let your heart decide.
 Call now to hear why I think you can aim higher in business.

PISCES (February 20th-March 20th)

This is a great time to sign up for a course or lecture,
 or anything which enables you to polish up old skills or learn
 new ones. A broken promise is meant to be and is replaced by
 something better. Friends turn into romantic interests for some
 of you Pisces. Ring now to hear why it's worth calling up family
 and making the effort to see them this week.

Dear Ms Kits

Re: Notice of application for a new premises licence under the Licensing Act 2003 in respect of Café Bengal, 41 The Broadway, Loughton IG10 3RX

The Planning and Licensing Committee considered this application at its meeting on 8 September 2014.

The Committee asked if the closing times applied for could all be reduced by half an hour to allow patrons and staff clearing up to leave earlier, thereby reducing noise disturbance to residents in the flats above.

I Mr Saad Miah on behalf of Castpan Ltd trading as Cafe Bengal restaurant 41 the broad way loughton IG10 3SP. I have heard about the music playing in my restaurant could make some noise and make disturbance so as a responsible person I can promise you that the music which will be played in side the restaurant will not be heard from outside this will be done through my staff, they will be trained too keep the volume on a low level so neighbours will not be interrupted.

I hope you and other residence of my restaurant can take my word into account seriously and consider my license application.

Your sincerely

Barrington Road,
Loughton,
Essex.

25th September, 2014.

Dear Sir/Madam,

Cafe Bengal licence application; Ref WK/201428210

Thank you for your letter of 4-9-14 regarding the above.

The Police already have evidence of public nuisance and sometimes crime and disorder in the area outside Cafe Bengal and up Bricklamps Path which serves as a thoroughfare from Debden Broadway to the mass of houses north, west and east of the Broadway. The Police have already had to ban gatherings of young people in this area.

The proposal to permit the sale of alcohol until midnight will exacerbate the above problem and encourage people to linger late at night when they might otherwise disperse and go home. The sale of alcohol at the nearby off-licence, McColls, which unlike the proposal for Cafe Bengal, does not entail consumption on the premises, ceases at 11.00 pm (10.30 pm on Sundays). There is no reason why Cafe Bengal's requested licence should not similarly prevent the sale of alcohol after 11.00 pm (10.30 on Sundays).

The sale of recorded music could become a public nuisance if it is too loud, especially late at night directly under a block of residential dwellings, and the Sub-Committee may wish to consider a noise level limit, measurable in decibels immediately outside Cafe Bengal's premises.

Yours faithfully,

David Paget
