

EPPING FOREST DISTRICT COUNCIL

Planning Letter 2015/16

March 2015

PROPOSED FEES

Scope of the audit

We are required to report to you our proposed fees and programme of work for the 2015/16 financial year.

The existing Commission's Code of Audit Practice has been replaced by a new Code of Audit Practice issued by the National Audit Office for 2015/16. However, there is little change to the scope of the work required to be undertaken by auditors.

The Code audit fee covers:

- Audit of the financial statements
- Value for money conclusion.

There is a separate proposed fee for the certification of the Housing Benefit subsidy claim on behalf of the Department for Work and Pensions.

Indicative fees

The proposed fee is based on the consultation undertaken by the Audit Commission in October 2014. Although the Commission will close on 31 March 2015, the Department for Communities and Local Government (CLG) has asked the Commission to set fees for principal bodies before it closes. The Audit Commission will confirm the final 2015/16 work programme and scale fees in late March.

The indicative fee does not include any time required to investigate questions or objections from members of the public. Should any arise, time spent dealing with questions and objections will be billed separately. Where possible we will provide an estimate of the likely time required to respond to the matters before starting the work.

From 1 April 2015, Public Sector Audit Appointments Limited (PSAA) will oversee the Commission's contracts through to the end of 2017. It will also be responsible for setting fees in the future.

If we need to propose any amendments to the audit fee during the course of the audit or where our assessment of risk and complexity are significantly different from those reflected in the proposed fee, we will first discuss this with the Director of Resources and seek approval from PSAA for a proposed variation of fee. If necessary, we will also prepare a report outlining the reasons why the fee needs to change for discussion with the Audit and Governance Committee.

Fees

AUDIT AREA	PROPOSED FEE 2015/16 (£)	PROPOSED FEE 2014/15 (£)	ACTUAL FEE 2013/14 (£)
Code audit fee	64,672	86,229	85,329
Certification fee	18,533	24,710	24,884
Total fees	83,205	110,939	110,213

The Commission has consulted on rebasing the Code audit fee from 2014/15 for the work previously undertaken as part of the certification work and reviewed the additional work that we are required to undertake following the withdrawal of the audit requirement to certify Non Domestic Rate income. From 2014/15, we have therefore increased the Code audit fee by £900. The £900 increase has been included in the current published indicative scale fees.

The Commission completed a further audit procurement exercise in April 2014 which has enabled it to further reduce fees for the two years 2015/16 and 2016/17, and CLG may wish to extend these contracts to lock in the reduced fees for a further three years. This has allowed the Commission to reduce fees by 25%, resulting in combined Code and certification fee savings of £27,734 for the Council.

The proposed fees for 2015/16 remain at the scale rate published by the Commission.
