The Planning Officer amended the description of development to remove reference to erection of a garage as this has been removed from the plans

**CONDITIONS**

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 Materials to be used for the external finishes of the proposed development shall match those of the existing building, unless otherwise agreed in writing by the Local Planning Authority.
- 3 No development shall take place until details of foul and surface water disposal have been submitted to and approved in writing by the Local Planning Authority. The development shall be implemented in accordance with such agreed details.
- 4 No development shall take place, including site clearance or other preparatory work, until full details of both hard and soft landscape works (including tree planting) and implementation programme (linked to the development schedule) have been submitted to and approved in writing by the Local Planning Authority. These works shall be carried out as approved. The hard landscaping details shall include, as appropriate, and in addition to details of existing features to be retained: proposed finished levels or contours; means of enclosure; car parking layouts; other minor artefacts and structures, including signs and lighting and functional services above and below ground. The details of soft landscape works shall include plans for planting or establishment by any means and full written specifications and schedules of plants, including species, plant sizes and proposed numbers /densities where appropriate. If within a period of five years from the date of the planting or establishment of any tree, or shrub or plant, that tree, shrub, or plant or any

replacement is removed, uprooted or destroyed or dies or becomes seriously damaged or defective another tree or shrub, or plant of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.

- 5 No development, including works of demolition or site clearance, shall take place until a Tree Protection Plan Arboricultural Method Statement and site monitoring schedule in accordance with BS:5837:2012 (Trees in relation to design, demolition and construction - recommendations) has been submitted to the Local Planning Authority and approved in writing. The development shall be carried out only in accordance with the approved documents unless the Local Planning Authority gives its written consent to any variation.
- 6 The development hereby permitted will be completed strictly in accordance with the approved drawings nos: 16, 17, 19B,

The Planning officer admitted that the A2 drawing showing proposed finished levels that was referred to in the report had not been received and suggested that this could be covered by condition. Members however considered that the previously requested information was necessary for proper consideration of the application and therefore voted to defer the application to a later committee.

A motion was put forward and seconded to refuse the application on the grounds that development would compromise the openness of the Green Belt and that it is not a sustainable location for residential development. However the vote was lost.

Members then voted on the recommendation to grant and this was agreed.

However, 5 members then stood to exercise the right under section 13, para (2) of the Constitution to require that no action be taken and to defer decision to the District Development Control Committee (DDCC) (now known as District Development Management Committee (DDMC)

Members requested that the report to DDMC provide more detailed explanation of the history of the site, including the enforcement action and appeal decisions.

Members voted on the recommendation in the report to grant subject to 106 agreement and conditions), but the vote was lost.

A motion was then put forward and seconded to refuse the application on grounds of unsustainability and no very special circumstances to outweigh the harm to the green belt from the incursion onto currently unbuilt on land. This vote was won.

4 Members of the committee then stood to exercise the right under section 13, para 2 of the Constitution to require than no decision be taken and to defer decision to the District Development Control Committee (DDCC) (now known as District Development Management Committee (DDMC))

Members requested that a site visit be arranged for DDMC Members and that the report to DDMC should provide more information with regard to the provision of the footpath link to Shelley.

**REASONS FOR REFUSAL**

- 1 Due to the location, remote from shops, employment, schools and facilities, with no local bus stops and no pavements along the adjacent highways, residents of the development will be heavily reliant on private car trips. The development is therefore unsustainable and contrary to policies CP1, CP3, CP6, ST1 and ST2 of the adopted Local Plan and Alterations.
