**THE EAST HERTFORDSHIRE DISTRICT COUNCIL
(4 SPENCER STREET) COMPULSORY PURCHASE ORDER**

The Housing Act 1985 and the Acquisition of Land Act 1981

1. Notice is hereby given that the East Hertfordshire District Council, in exercise of the powers of the confirming authority under the above Acts, on 25 April 2016 confirmed the East Hertfordshire District Council (4 Spencer Street) Compulsory Purchase Order 2016 made by it. No objections to the order were received within the permitted period and consequently notification was given by the Secretary of State for Communities and Local Government to confirm the order may be exercised by the acquiring authority in accordance with section 14A of the Acquisition of Land Act 1981.
2. The order as confirmed provides for the purchase, for the purpose of the provision of housing accommodation, of the land described in the schedule below.
3. A copy of the order as confirmed by the East Hertfordshire District Council and of the map referred to therein have been deposited at the offices of East Herts Council, Wallfields, Pegs Lane, Hertford SG13 8EQ, and may be inspected at those offices during reasonable hours.
4. The order as confirmed becomes operative on the date on which this notice is first published. A person aggrieved by the order may, by application to the High Court within 6 weeks from that date, challenge its validity under section 23 of the Acquisition of Land Act 1981. The grounds for challenge can be that the authorisation granted by the order is not empowered to be granted or that there has been a failure to comply with any relevant statutory provisions relating to the order.

**SCHEDULE
LAND COMPRISED IN THE ORDER AS CONFIRMED**

4 Spencer Street, Hertford SG13 7AN (having an area of approximately 91.5 square metres) and being registered at the Land Registry with title number HD185548

FORM OF STATEMENT OF EFFECT OF PARTS II AND III OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981

Power to make General Vesting Declaration

1. The East Hertfordshire District Council (hereinafter called "the Council") may acquire any of the land described in the Schedule above by making a General Vesting Declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981. This has the effect, subject to paragraph 4 below, of vesting the land in the Council at the end of the period mentioned in paragraph 2 below. A Declaration may not be made before the end of the period of 28 months from the first publication of a notice which includes this statement except with the consent in writing of every occupier of the land affected.

Notices concerning General Vesting Declaration

2. As soon as may be after the Council make a General Vesting Declaration, they must serve notice of it on every occupier of any of the land specified in the Declaration (except land where there is one of the tenancies described in paragraph 3) and on every person who gives them information relating to the land in pursuance of the invitation contained in any notice. When the service of notices of the General Vesting Declaration is completed, the land specified in the Declaration will, from the first day after the end of this period ("the vesting date") the land described in the Declaration will, from the vesting date, vest in the Council together with the right to enter on the land and take possession of it. Every person on whom the Council could have served a Notice to Treat in respect of his interest in the land under one of the tenancies described in paragraph 3) will be entitled to claim compensation for the acquisition of his interest in the land, with interest on the compensation from the vesting date.

Modifications with respect to certain tenancies

3. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", ie a tenancy for a year or a yearly tenancy of a lesser interest which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the Declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the tenant has every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.
4. The modifications are that the Council may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 3 unless they first serve Notice to Treat in respect of the land then serve every occupier of the land with a notice of their intention to enter and take possession after the period (not less than fourteen days from the service of the notice) specified in the notice. The right of entry shall be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

Every person who, if a General Vesting Declaration were executed in respect of all of the land comprised in the Order (other than land in respect of which notice to treat has been served), would be entitled to claim compensation in respect of any such land is invited to give information to the Council in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out in the Schedule.

Dear Mrs Tuckey,

LICENSING ACT 2003 – GRANT OF PREMISES LICENCE SECTION 17

NEW PREMISE: River Palace Café. Dobbs Weir Road

DPS: Ali Erdogan

APPLICANT: Ali Erdogan via Personal Licence Training (UK) Ltd.

Further to the above application for the Grant of a Premises Licence received on 10 May 2016. I write to inform you that Essex Police make representations under prevention of crime & disorder, prevention of public nuisance and public safety.

This premises is in close proximity to residential dwellings, and open water. It is therefore the concern of Essex Police that the availability of alcohol without additional measures being put in place, that persons frequenting the premises may cause a nuisance to those residents. Also persons under the influence of alcohol, may wander away from the premises and put their life in danger by entering the open water.

Essex Police has emailed the applicants agent, and subsequently spoken to them when they verbally agreed to the additional measures, save for one which was negotiated. However; we have not received any formal response.

As such should the applicant agree to the enclosed conditions being added to the Premises Licence, Essex Police shall withdraw.

Please advise when the Licensing Panel will be meeting to hear this so I can be in attendance.

Yours sincerely,

Mr Peter Jones ABII
Epping & Brentwood Licensing Officer

Dear Sarah,

Thank you for consulting Planning Services re: the application for a premises license to the above address.

This café is restricted by Planning Condition in terms of its hours of operation. The current restriction is as follows:

The café use hereby permitted shall not be open to customers outside the hours of 07:00 to 22:00 on Monday to Saturday from April to October and 08:00 to 16:00 Monday to Saturday from November to March and 09:00 to 20:00 on Sundays and Public Holidays.

The reason for this condition is "to protect the amenities of adjacent neighbours".

This application seeks to serve alcohol and be open to the public between the hours of 11:00 and 22:00 Monday to Thursday and 11:00 to 00:00 on Fridays, Saturday and Sundays. Given the close proximity of residential properties it is considered that patrons leaving the premises at 00:00 on Fridays, Saturdays and Sundays would likely result in public nuisance in terms of noise and disturbance. The Planning Authority therefore **objects** to this licence variation.

It should also be noted by the applicant that, due to the above restricted condition, planning consent would be required for the proposed increase in opening hours. Due to the potential disturbance to neighbouring residents it is likely that planning consent would not be forthcoming for the variation of this condition.

Reason:- To safeguard the visual amenities of the locality.

- 4 The cafe use hereby permitted shall not be open to customers outside the hours of 07.00 to 22.00 on Monday to Saturday from April to October and 08:00 to 16:00 Monday to Saturday from November to March and 09:00 to 20:00 on Sundays and Public Holidays.

Reason:- In order to minimise disturbance to local residents and in accordance with the original consent..

- 5 The garden area to the rear of the cafe shall not at any time be used for seating in connection with the cafe use and shall remain a private garden with no public access. No doors shall at any time be inserted which would allow direct access from the cafe into this garden area.

Reason: To protect the amenities of adjacent residents.

- 6 Prior to commencement of development, details of the proposed store and bike store shall be submitted to the Local Planning Authority and approved in writing and the development shall be completed in accordance with the approved details.

Reason: To ensure the proposals are visually acceptable and do not impact adversely on neighbouring amenity.

- 8 Prior to the commencement of development, full details of the proposed kitchen extract system shall be submitted to and agreed in writing by the Local Planning Authority. The approved system shall be fully installed prior to the first use of the kitchen and utilised whenever cooking takes place.

Dear Sirs

River Palace Cafe' Dobbs Weir Rd

With reference to the licence application made by Mr Erdogan for the above premises, I wish to make a representation against this under the clause "The prevention of public nuisance".

My objection is to the late opening hours at the weekend, especially on Sunday nights. I am concerned that this will not just be a case of evening meals with which alcohol can be served but possible block bookings for parties resulting in the noise of people and vehicles leaving en masse after midnight.

Dear Ms Moran,

Re: An Application in respect of a New Premises Licence for River Palace Café, Dobbs Weir Road, Hoddesdon EN110AZ

Representations and Objections to the issuing of an Alcohol Licence.

We refer to the above Licence Planning Application from the above Café.
The Café having been in operation for some time.

We are strongly against the proposed Licensing of the Café.

The prevention of crime and disorder

The hours requested namely covering a span of between 11.00a.m. In the morning to 22.00 (10p.m) Monday to Thursday

And Friday to Sunday 11.00 to 00.00p.m (midnight).

This will attract very late parking in the Car Park, with resultant disturbance (noise) e.g., arriving and leaving the Car Park and have a very detrimental effect on the Residential Properties directly adjoining the Café and those in close proximity.

Also by granting a licence to provide alcohol at such late hours this could attract late-night drinking and revellers to congregate in the Car Park, again, with resultant Noise and disturbance to Residents.

With the Risk of Crime and Disorder.

It will certainly affect peace of mind and fear of Safety at Night.

In addition the Supplying of Alcohol from the Café, at such late hours (At the weekend) and the Café Open to these hours, will provide a legitimate reason for vehicles to remain in the Car Park until very late. With resultant Risk of Crime to the Residential Properties adjoining the Café and Car Park.

The Café does not own the Car Park, and the Car Park has to be used by those driving to the Café as Parking in Dobbs Weir Road is Not allowed. (Double Yellow lines and a Single Road). Therefore the Café is significantly reliant on using the Car Park.

Public Safety

By granting of a Licence it is likely to change the Character of what always was and is currently is a Café for the Public which operated very well for decades, under various previous Owners/Leaseholders

By agreeing to a Licence for trading at such late Hours and the supply of Alcohol up until late at night, could well have an effect on Public Safety.

The prevention of Public Nuisance

There are already albeit occasional incidents of late night revellers sitting in vehicles listening to loud music in their vehicles. (At the Moment, not related to the Café, due to the Café always closing early, both historically and currently).

By also allowing the Café to provide and sell alcohol, especially to late hours there is likely to be many more incidents.

Creating the threat of Nuisance and Disorder.

By selling Alcohol and intending to be open to the Public, covering the whole of the Weekend including Sundays this will provide little peace of mind and quality of Life to the Neighbours, which includes us, as we are directly adjoining Neighbours to the Café,

The Current Operating of the Café and all previous Owners/Leaseholders of the Café have had reasonable opening hours **(unlike the ones quoted)**

And have not been intrusive or disruptive to Neighbours, particularly as respite has been given by early Closing Hours, including earlier Sunday closing, and Bank/Public Holidays.

There would obviously be an increased flow of people and vehicles to the Café until late at Night if the times stated were adopted on Weekends Friday – Sunday which could drift into the Early Hours of the Morning.

It should be noted that All of the Properties in Dobbs Weir Area are Residential, with the exception of the Fish & Eels Public House and The Café, itself.

The protection of children from harm

Children with their families currently enjoy the Caravan and Camping and the Lea Valley Park, itself, e.g., those with families feeding the Ducks and People Fishing, Cyclists, Boat users, Walkers and Ramblers and Lea Valley Park Organised Walks.

By granting of this Licence it is likely to change the Character of what has been a Café for the public and operated very well for decades, under various previous owners. E.g., a Tea Room Ambience.

Up until now, the current Café operation and all previous arrangements have sought to protect and safeguard the Amenities of the Dobbs Weir Area and protect the Public and Amenities for the adjacent and surrounding Residents, while continuing to maintain a safe environment for Children and Families.

Dear Sarah,

We would like to object to this application as we lease this car park from Roydon Parish Council and sublet to the owners of the Fish and Eels PH. The owner of the café has no rights to use the car park for his customers and any extension of his licence would likely conflict with ours and the PH's rights under the respective leases.

Although we have difficulty controlling the café's customers using the car park during the day the possibility of it being used by his customers during the evening and later would impact on the Authority's adjacent landholdings which are provided for the public's enjoyment. The likelihood of anti social behaviour is increased discouraging the public from using the area and management problems are also likely to increase for Authority staff. The WC's provided for the car park users are closed from dusk so potentially causing extra potential for management issues to emerge

Dear Ms Moran

Re: An Application in respect of a New Premises licence for River Palace Café, Dobbs Weir Road, Hoddesdon, EN11 0AZ

With reference to the above planning application we list below our objections under the four headings. We are strongly opposed to this application being approved.

The prevention of crime and disorder

The late opening hours proposed throughout the week till 2200 and especially the weekend until 0000 will mean that people are parking in the car park late at night creating more noise and disturbance to ours and other adjoining properties. With the addition of the provision of an alcohol licence this could encourage late night/underage drinkers and thus the potential of increased crime and disorder.

In addition, there is no lighting in the car park by the cafe so cars parking late potentially could be left there overnight providing targets for opportunist criminals.

Public Safety

If the licence is approved for late night opening the cafes usage will change. Public Safety could be put at risk as there will be increased traffic on the road and by foot, especially in the car park adjoining the café. There are no official crossings through the car park and once again no lighting to improve safety.

When walking our dogs on an evening it is already uncomfortable walking near that area due to the lack of lighting and safety provisions. Should the late hours be approved we will not feel safe walking through there at all knowing that potentially the customers may have been drinking and that our quiet stroll could become unsafe.

The Prevention of Public Nuisance

We already have occasions when we have disturbances from the car park next to the café and the increased opening hours will only add to these disturbances. The addition of an alcohol licence will facilitate even more of a public nuisance. The Fish & Eels pub already deals with issues of its own due to alcohol consumption and if the café is also providing alcohol at late hours then late night revellers from the pub could drift in the café and continue drinking. The cafes current hours are

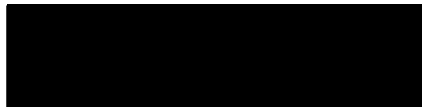

ideal for its location as they do not disturb the local residents. It provides an ideal place for walkers, cyclists, boat owners and dog walkers amongst others to stop for a bite to eat and a drink during the day when the demand for it is there. An alcohol licence and late opening would provide a location for people to become intoxicated and become a public nuisance and that isn't the nature of a 'café'.

The protection of children from harm

The River Lea is known for attracting old and young alike and especially families. The cafes location affords the luxury of providing a safe stopping point for them on their travels. There are no provisions at present to safely cross through the car park to the café or across the Dobbs Weir Road to get to the café. With increased hours would come increased traffic and therefore increased risk of harm to the children and families using the area and enjoying its calm surroundings.

Having two young children who are already disturbed occasionally by late night revellers from the Fish & Eels we cannot understand how providing approval for such elaborate hours and the inclusion of an alcohol licence can be deemed anything but a public nuisance to the local community and also an invitation for crime and disorder in the area to increase.

Yours sincerely,

Dear Sarah

The Parish Council considered this application at its recent meeting and agreed to object to the application for any alcohol licence after 11pm.

A licence until 11pm is compatible with the neighbouring public house licence and would cause less disturbance to neighbouring properties.

For the attention of Sarah Moran

Many thanks for your letter dated 10th May 2016 regarding the above.

I am concerned about this application because of the following reasons:

That there will be an increase in noise and nuisance if the licence and extended hours are granted - we already have a problem sometimes with this when the Fish & Eels Pub (just opposite this cafe) is full, it uses this car park as an overflow to its own car park.

I am concerned that alcohol sales will cause more noise and disturbance for neighbouring properties, for the visiting canal boats and for the quiet and peaceful enjoyment of families, ramblers, cyclists and dog walkers who like to walk along the river bank tow path. This is a local natural beauty spot and its tranquility should be upheld.

Dear Mr Tuckey

**NOTIFICATION OF CONSULTATION UNDER THE LICENCING ACT 2003 – An
Application in respect of a New Premises Licence for River Palace Cafe, Dobbs Weir
Road, Hoddesdon EN11 0AZ**

Thank you for your letter of 10 May and the invitation to make representations on this application.

Our concerns cover the grounds of;

- The prevention of crime and disorder
- Public Safety
- The prevention of public nuisance
- The protection of children from harm

The concern we have for this application is that, whilst the restaurant, even with a drinks licence, is unlikely to be boisterous, the off-licence may well attract noisy and disruptive youth to the area as has been the case in nearby Lower Nazeing Parade and Mount Parade Broxbourne High Road and here, in close proximity to the Weir, they could come to serious harm.

We hope you can address these concerns by way of limiting the opening hours or other suitable conditions.

Yours sincerely
