

The map displays crime hotspots in Chigwell, Essex. The legend indicates three types of data: 'Issued' (blue), 'Observations' (green), and 'Patrols' (red). The map shows several areas of high crime density, particularly in the central and northern parts of the town. Key locations include Chigwell, Hainault, and Chigwell Row Water Works. The map also shows major roads like the M11 and A100, and various local streets such as High Rd, Manor Rd, and Kings Ave.

Observations (logged vehicles in limited waiting areas) overlaid.

PCNs that were issued on the same timescale.

The map below shows that the Epping Forest District get the majority of all NEPP enforcement.
