Housing Benefit Administration	1,022	1,324	1,139	1,760	(546)	1,214	Various one-off Government Grants have been awarded to enable the Council meet the many new burdens being placed upon it from Central Government. These items have been put into the DDF some of which will be spent in the next two years. There have been a number of vacancies during 2016/17 creating a large underspend between Original 2016/17 and the Probable Outturn.
Rent Allowances	(307)	(368)	(532)	19,871	(20,418)		Claimants living in the private rented and housing association sectors are paid from this budget. The net income figure shown reflects the clawback of overpaid housing benefits as well as subsidy on overpayments.
Non Hra Rent Rebates	114	82	110	280	(145)		This budget relates to homeless people placed in Bed and Breakfast accommodation. The Council has seen an increase in the numbers entering Bed & Breakfast accommodation over the past year reflected in the higher estimate.
Hra Rent Rebates	93	177	59	14,793	(14,735)	58	Tenants of Housing Revenue Account properties claiming Housing Benefits are paid from this budget. Some properties attract 100% subsidy whilst others receive limited (40%) or none at all based upon their circumstances.
Council Tax Benefits	(58)	(15)	(17)	-	-	-	This relates to overpaid Council Tax Benefit clawed back. The benefit was originally awarded prior to the introduction of Local Council Tax Support on 1 April 2013 and is expected to fall out during 2017/18.

Council Tax Collection	1,256	1,061	1,275	1,592	(323)		In order to improve Council Tax collection rates the Council has employed additional staff to achieve this. Most of any additional income is due to the other precept authorities, so an agreement is in place for those authorities to pay back to this Council a proportion of their additional income. From the 2016/17 probable outturn this is accounted for as general income rather than within this Directorate.
Nndr Collection	135	167	186	396	(188)		Non-Domestic rate income is accounted for in the Collection Fund, but collections costs are accounted for in the General Fund with an allowance from Central Government to assist. This allowance is non incremental whereas costs of collection increase over time due to inflation.

Burials (National Assist Act)	25	27	26	25	_	25	It is the duty of the Council to bury or cremate the body of any person who has died in the Epping Forest District area, where no other suitable arrangements for the disposal of the body have been made. Direct costs are recovered where possible from the estate of the deceased person, and the costs shown for this budget relate to work undertaken by the Resources Administration team.
All Saints Churchyard	14	13	13	14	-		This budget is for residual maintenance responsibilities facing the Council of a closed burial ground.
Finance Miscellaneous	185	145	208	67	-	67	The recharges to services are ascertained based on an initial estimate of costs quite early in the budget process. As the budget progresses figures are confirmed and various changes occur, with the overhead account totals invariably changing, because the Support Service allocation system is quite involved it is impractical to re-run the allocations so any differences that occur are shown here.
Vacancy Allowance	-	(241)	-	(248)	-	(248)	A vacancy allowance of 1.5% (1.5% in 2016/17) of general fund original salaries is set aside to account for staff movements throughout the year.
Prov Bad And Doubt Debts	215	50	100	100	-	100	This budget accounts for officer estimations as to the level required to be set aside for the non payment of sums due to the Council.
Concessionary Fares	-	4	4	5	-		The ongoing budget relates to rail passes and London Transport blind passes where the Council has a responsibility for the costs until the pass holders retire or move out of the District.
Sundry Non-Distributable Costs	120	136	131	140	(18)		Non distributed costs comprise the elements of cost which are excluded from the definition of total cost of a service. The budget in this case relates to charges for unused shares of depot and office accommodation space, which cannot be identified to a service. The costs vary from year to year depending upon the unallocated revenue element of those fixed assets.

Building Maintenance - General	822	960	979	987	-		Fluctuations will arise on this budget heading due to building maintenance costs being determined on a rolling 5 year programme which identifies and prioritises the works required to the non-office assets. A significant element of this is DDF expenditure.
Civic Offices	1,502	1,608	1,626	1,636	(6)		This budget makes up the total cost of running the Civic Offices site in Epping. There has been a significant increase in the Non-Domestic Rateable 5 year valuation process causing a cost increase which has been partly offset by a reduction in the Building Maintenance recharges.
Hemnall Street Offices	74	108	73	83	(1)		This budget comprises the total cost of running the Offices at Hemnall Street, where Community Services operate from. The main variances relate to the timing of works attributed to the Building Maintenance recharges.
