Subject: Luxe Essex Licence Review

Dear Kim
Thank you for the opportunity to comment on this matter.

Please find below our comments to be considered in the full hearing review of the Luxe licence requested by Essex Police.

Loughton Town Council fully supports the views of local residents and OBJECTS to the continuation of the late night licence for Luxe.

Despite its High Road location, the impact of the antisocial behaviour and activities associated with this club have, over a long period, had an unacceptable impact on our residents living in the surrounding roads. Residents will have submitted detailed accounts of the problems that they have experienced in recent years.

This situation is in contravention of the four licensing objectives

- *The prevention of crime and disorder*
- *Public safety*
- *The prevention of public nuisance*
- *The protection of children from harm*

Whilst the town council is keen to support local business and facilities, this type of venue is clearly not an asset for our own residents but attracts customers from further afield, a situation intensified by the all night underground services.

The Town Council previously objected to the granting of this extended opening hours licence in 2012, stating that the proposals would only serve to exacerbate noise late at night from patrons using the club. This has proved the case and the recent incident only reinforces the Council's view that the licence should be withdrawn.

Thank you for your attention.

Please acknowledge receipt of these comments.

Regards

Enid
