9.1 **Questions by Members**

To consider the following questions received in accordance with the Council’s Procedure Rules:

- (i) **By Councillor Mrs J H Whitehouse to Councillor M Heavens, Portfolio Holder for Housing**

“As the funding for the Handyperson Scheme, which assists older people with minor repairs and falls prevention works, has not been increased since it was started in 1999, would the Portfolio Holder agree to review the funding of this scheme with a view to increasing the money available for the project and for staffing?”

(ii) By Councillor Mrs J H Whitehouse to Councillor D Jacobs, Portfolio Holder for Environmental Protection

“Are you aware of the literature which is being delivered in many parts of the District which says that you, as the Portfolio Holder, have “forced through proposals to impose £1000 fines on householders who persistently leave additional black sacks as well as full wheelie bins” and will you clarify the situation as it seems that your report to Cabinet on 14 November 2005 has been misrepresented?”
