Dear Sir/Madam.

We are writing to
strongly oppose the
application for a full time
license which the Copped
Hall Trust have applied
for.

We believe the granting
of such an application
would create a situation
which would encourage people
to indulge in excess alcohol
on a regular basis leading
to behavior and disturbance
of residents and wildlife
which is totally unacceptable.

At present the Venues are limited throughout the year, but the granting of a full time license would leave the gates wide open for all sorts of functions, excess rubbish, noise and wear and tear of the road leading from the gates to the mansion which is maintained by the residents.

We believe the purpose of acquiring the mansion and grounds is to save and restore it, not to use it as some sort of boozing 'in' place to go.

We are positioned next to the old hall and we are the ones who will have to deal with the litter and

youngsters who already
trespass on the property.

We would be very
grateful if you would
think very carefully the
effect of granting such
a license would have on
the community.

Thank you,
Mr & Mrs Haley.
