Dear Ms Tuckey

I write to you regarding the above address, after today seeing the licence/change of use application posted on the shop front. I am a local, residing at [REDACTED] and regularly use the shops at Borders Lane.

My objection to the licence application/change of use is straightforward and two fold.

- 1) It is not an appropriate area for any type of shop involved in the sex industry. I am far from a prude but surely it should be the local parents decision as to when to broach this subject with their children. They are exposed to enough adult material on a daily basis without them having to walk past a shop of this nature and inevitably give in to their curiosity or ask difficult questions.
- 2) I believe this will be a short lived venture and what we need in our community hub is stability. The small parade of shops is well serviced by food outlets, convenience stores and beauty related establishment. I believe the proposed venture does not sit comfortably within that environment.

I look forward to hearing the decision of the council.

Yours sincerely
[REDACTED]
