CONDITIONS

- 1 The development hereby permitted will be completed and retained strictly in accordance with the approved drawings numbers: 2573 - 15A4 - 201A, 2573 - 15A4 - 202A and Flood Risk Assessment by UK Flood Risk Consultants (dated 10/04/2018).
- 2 The caravan hereby approved shall only be used as an office ancillary to the business operation of the nursery and not for any residential or social purposes.
- 3 In the event that the nursery use ceases on site, the caravan hereby approved shall be removed, and the land shall thereafter cease to be used for the stationing of a caravan.
- 4 The proposed use of this site has been identified as being particularly vulnerable if land contamination is present. Should any discoloured or odorous soils be encountered during development works or should any hazardous materials or significant quantities of non-soil forming materials be found, then all development works should be stopped, the local planning authority contacted and a scheme to investigate the risks and/or the adoption of any required remedial measures be submitted to, agreed and approved in writing by the local planning authority prior to the recommencement of development works. In such instances, following the completion of development works and prior to the first occupation of the site, sufficient information must be submitted to demonstrate that any required remedial measures were satisfactorily implemented or confirmation provided that no unexpected contamination was encountered.
- 5 Within 3 months of this approval, a landscaping scheme shall be submitted and agreed in writing by the Local Planning Authority to provide screening for the front and side of the mobile homes. The details as approved shall be carried out onsite

CONDITIONS

- 1 On or before the expiration of 28 days from the date of this approval, the 2 dilapidated caravans at present located at the site as shown on drawing number 2573-15A4-202A, and any associated base, dwarf wall or associated works shall be removed, and the land shall thereafter cease to be used for the stationing of a caravan.
- 2 The development hereby permitted will be completed and retained strictly in accordance with the approved drawings numbers: 2573-15A4-201A, 2573-15A4-202A and the Flood Risk Assessment by UK Flood Risk Consultants (dated 10/04/2018).
- 3 The occupation of the 2 caravans hereby approved shall be limited to persons solely or mainly working, or last working, at Oakleigh Nursery as horticultural workers.
- 4 There shall be no external lighting erected or fitted on or by the mobile homes.
- 5 Each mobile home shall not have more than four adult persons residing in it at any time.
- 6 There is to be no residential vehicular access to the mobile homes via the southern gate on the approved fence and gates.
- 7 In the event that the nursery use ceases on site, the caravans hereby approved shall be removed from the site, and any associated base, dwarf wall or associated works shall be removed, and the land shall thereafter cease to be used for the stationing of

caravans for residential accommodation.

- 8 The proposed use of this site has been identified as being particularly vulnerable if land contamination is present. Should any discoloured or odorous soils be encountered during development works or should any hazardous materials or significant quantities of non-soil forming materials be found, then all development works should be stopped, the local planning authority contacted and a scheme to investigate the risks and/or the adoption of any required remedial measures be submitted to, agreed and approved in writing by the local planning authority prior to the recommencement of development works. In such instances, following the completion of development works and prior to the first occupation of the site, sufficient information must be submitted to demonstrate that any required remedial measures were satisfactorily implemented or confirmation provided that no unexpected contamination was encountered.
- 9 Within 3 months of this approval, a landscaping scheme shall be submitted and agreed in writing by the Local Planning Authority to provide screening for the front and side of the mobile homes. 21. PLANNING APPLICATION - EPF/0665/20 80 UPSHIRE ROAD, WALTHAM ABBEY

APPLICATION No:	EPF/0665/20
SITE ADDRESS:	80 Upshire Road Waltham Abbey EN9 3PA
PARISH:	Waltham Abbey
DESCRIPTION OF PROPOSAL:	Proposed double storey side extension with part single storey rear extension & skylights. (Revised application to EPF/1897/19)
DECISION:	Refuse Permission (Householder)

Click on the link below to view related plans and documents for this case:

http://planpub.eppingforestdc.gov.uk/NIM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=635159

REASONS FOR REFUSAL

- 1 The proposal would result in an cramped form of development which due to its bulk and mass would have an unacceptable adverse impact on the character and appearance of the street scene and an overbearing impact on the neighbouring property at 82 Upshire Road, and lack refuse facilities, contrary to the NPPF and policies DBE 9 & 10 of the adopted Local Plan and policies DM9 & 10 of the submitted version Local Plan

Members were concerned about the bulk and mass of the extension especially with the closeness to the large retained outbuilding in the rear garden, and the lack of provision for refuse facilities.

Way forward

To reduce the bulk and mass of the extension and include suitable refuse facilities.
