PART C - GENERAL INFORMATION

1. PAVEMENT LICENCES

The Business and Planning Act 2020 received Royal assent on 22 July 2020 and has been introduced to assist businesses in recovery from the impacts of Covid-19. Measures include ability for bars, pubs and restaurants that had on site alcohol licences to be able to sell off site and to allow premises the flexibility to seek licences for outdoor seating.

A Temporary Pavement licence gives permission for removeable tables, chairs and other furniture to be used on the pavement outside a business to allow customers to enjoy Al fresco dining whilst also helping businesses to observe the social distancing rules. Eligible businesses include pubs, cafes, bars, restaurants, snack bars, coffee shops and ice cream parlours, and the licensing scheme continues until 30 September 2021.

The licence application process is fast tracked, all correspondence is electronic, and councils must determine an application within 14 days of receipt. Any applications not approved within the statutory timescale are deemed approved.

Cabinet agreed at its meeting on 20 July 2020, in preparation for the introduction pavement licence applications, and in order to meet the tight deadlines imposed by the new licensing regime, that the decision to determine an application will be made, where there are no objections, by the Service Director. Where there are objections, the Portfolio Holder for Commercial and Regulatory Services or the Leader of the Council will be consulted as well as the Chair or Vice Chair of the Licensing Committee before a decision can be made. In addition, all consultations will be carried out by electronic and digital means only and all applications will be made online.

It is also confirmed that all ward members will be consulted by email on any applications related to their ward.

Full details about the new Temporary Pavement Licences are available on the [website](#), including the EFDC Pavement Licence Policy, the standard licence conditions (that will be subject to change depending on premises specific circumstances) and the link to the on-line application form.

Members are encouraged to direct businesses to the EFDC [website](#) or to contact the [Licensing Team](#) for further advice or information.
