Members, county councillors, and town/parish council representatives are reminded to sign the attendance register, in order to ensure that the minutes of the meeting accurately reflect attendance.

**4. MINUTES OF PREVIOUS MEETING (Pages 5 - 18)**

To confirm the minutes of the meeting of the Committee held on 28 March 2023 and any matters arising therefrom.

**5. EPPING FOREST LOCAL HIGHWAYS PANEL - NEW STRUCTURE**

(Cllr S Kane, Chairman of the Epping Forest Local Highways Panel) To notify Town and Parish Councils of the new arrangements for the Epping Forest Local Highways Panel.

The rules concerning the Local Highways Panels had changed at Essex County Council and a discussion had taken place on how the Epping Forest Local Highways Panel should operate in the future. A number of options had been considered and it

was decided that no Town or Parish Council representative should be invited to future meetings, and that any representations from Town or Parish Councils should be directed through their Essex County Councillor.

**6. ECC CABINET MEMBER FOR HIGHWAYS MAINTENANCE AND SUSTAINABLE TRANSPORT - CLLR LEE SCOTT**

(Cllr Lee Scott, ECC Cabinet Member for Highways Maintenance and Sustainable Transport)

To provide an update on his plans for the future of Highways in the County, and to address any areas of general concern that Parish and Town Councils may have, including the following items outstanding from the meeting of the Committee held on 5 October 2022 when Cllr Scott gave his apologies:

- The efficacy of the Local Highways Panel and the adequacy of budgets provided to them.
- The prime remit of Local Highway Panels
- What (if any) options are available for introducing traffic calming measures on rural country roads?
- The contract with Ringway Jacobs, how long this is in place for, when it is due for renewal, and whether or not they offer value for taxpayers' money?

**7. ISSUES RAISED BY LOCAL COUNCILS**

To discuss the following matters raised by the local councils:

(a) At the meeting held on 28 March 2023, Town and Parish Councils were advised paper copies of the Local Plan would **NOT** be printed, and that a copy of the whole document was available on the council's website, with papers copies available to look through at local library's and at the Civic Offices. There are some parishes in the District where access to a local library is not possible unless visiting a neighbouring village or town, or in areas where there is a library it may be open limited hours. It is understood that the rationale for EFDC not providing Parish and Town Councils with a hard copy of the local plan is simply one of cost. The Levelling Up and Regeneration Bill supports communities having more say over planning matters, and it should be recognised that providing Parish and Town Councils with a hard copy of the local plan would support this agenda and provide for increased opportunities for residents in the district by providing this additional facility. In addition, some Parish Councils are very small, with limited printing capacity. We therefore ask the District Council to reconsider providing each of the 24 Parish and Town Councils in the District with one hard copy of the Local Plan Part 1, Part 2, and Policies Map.

(b) Request that the Cllr Nigel Bedford, EFDC Portfolio Holder for Place, provides members with an update on who the Officers are on the Planning Policy and Implementation Team, and their respective roles.

(c) EFDC has indicated they will not provide training on the new planning system (Arcus) to Parish and Town Councils, despite this being requested on numerous

occasions. As such, can EFDC answer the following:

- (i) Does the new system allow a user of the site to identify which properties / who has been consulted on a planning application. If so, can you demonstrate how this can be done. If it cannot, why not?
- (ii) The previous system allowed a user to search for the history of a particular property by using the 'file number'. Can this be done on the new system, and can it be demonstrated how. If it cannot, why not?
- (iii) Would EFDC be willing to commit to a 2 hour online tutorial with parish and town councils, showcasing the benefits of the new system and how it operates?
- (d) The weekly planning list is normally distributed on a Friday afternoon, however there are occasions when this does not take place (due staff holiday, etc). On these occasions, could arrangements be made for another staff member to distribute the weekly list on a Friday afternoon to ensure continuity.
- (e) Branch Members would like to invite the new Chairman of the Qualis Group to attend the meeting and provide an update on the Qualis organisation, how it supports the functions of EFDC, his role and responsibilities, and how he will improve openness and transparency for the council tax paying residents in the district.

### 30 ISSUES RAISED BY LOCAL COUNCILS

The Town and Parish secretary submitted questions to the Council regarding the Code of Conduct; Training for Local Councillors and planning issues.

Answers to the Code of Conduct and training had been provided within the agenda. The Service Director for Planning Services provided the following answers:

1. What changes / improvements have been made to the new online planning system following the numerous suggestions / issues that were sent directly to the planning department late last year.

**We have been working with the supplier over the last few months, and they have now agreed to allow customer Councils to have more freedom in changing the format of their Public Registers. This will allow enhanced searching and a slightly changed layout for Epping Forest. We are testing the changes in the coming weeks and will update Town and Parish Councils as soon as we have completed the testing and activated the changes.**

2. At the November meeting, Parish and Town Councils requested training on the new system. Will this be forthcoming, and when.

**As indicated at the November meeting, we do not consider training is necessary, however, some “tips and tricks” videos or written guidance will be provided once the new version of the Public Register is released over the next few weeks.**

3. With regard to Planning Enforcement, what is the current situation in terms of staff numbers and the approach to dealing with enforcement matters.

**The Heritage, Enforcement and Landscape Team has three enforcement officer posts, one senior enforcement officer post and one fixed term contract enforcement officer post. One enforcement officer post is vacant after a recent resignation. Our approach to planning enforcement may be found here: <https://www.eppingforestdc.gov.uk/planning-and-building/planning-enforcement-service-charter/> and here <https://www.eppingforestdc.gov.uk/wp-content/uploads/2022/05/Local-Enforcement-Plan-2022.pdf>**

**At present we have 350 live enforcement investigations. During the 2022 calendar year we opened 427 new investigations, closed 360 investigations, and issued 19 Notices.**

**A new team manager (James Stubbs) joined us from Chelmsford City Council in October 2022 – he is a very experienced planner and has expert knowledge of all planning enforcement matters. We are fortunate to have one of the best resourced planning enforcement teams in Essex.**

#### **ACTIONS:**

- 1. Monitoring/Deputy Officer to give a definition of what is expected of Councillors in regard to the Code of Conduct. (Attached)**

2. **Repeat email to be sent to the Town and Parish Clerks regarding the training provided by the Council on 12 May 2023. Requests to attend the training must be submitted via the Town/Parish clerk.**
