Report Item No: 8

APPLICATION No:	EPF/1517/08
SITE ADDRESS:	The Old Rectory Mount Road Theydon Mount Epping Essex CM16 7PW
PARISH:	Theydon Mount
WARD:	Passingford
DESCRIPTION OF PROPOSAL:	Demolition of existing dwelling house and erection of a new 4 no. bedroom detached house and 3 no. car garage block.
DECISION:	Refused Permission

REASONS FOR REFUSAL

- 1 The proposed replacement house is materially greater in volume than that which it would replace and, due to its bulk and massing, would have a greater impact on the openness of the Green Belt than the existing house. The proposed house is therefore inappropriate development in the Green Belt, which is by definition harmful to it. No very special circumstances sufficient to outweigh the harm that would be caused by the development have been demonstrated by the applicant. Accordingly, the proposed house is contrary to policies GB2A and GB15A of the Epping Forest District Local Plan and Alterations.
- 2 By reason of its bulk, massing and unsympathetic design, the proposed replacement house would fail to respect the wider landscape setting of the site and would form a poor contrast with neighbouring buildings to the detriment of the established local character. It therefore conflicts with the adopted planning policy objectives of protecting the quality of the rural environment and safeguarding the visual amenities of the Green Belt. Accordingly, the proposed house conflicts with policies CP2, GB7A, DBE1, DBE4 and LL2 of the Epping Forest District Local Plan and Alterations.
