7. EPF/1305/08 1 CARTERSFIELD ROAD, WALTHAM ABBEY, ESSEX, EN9 - DEMOLITION OF EXISTING BUILDINGS AND ERECTION OF NEW 'LIDL' FOODSTORE AND CONSTRUCTION OF FIVE START-UP INDUSTRIAL UNITS (REVISED APPLICATION)

The Principal Planning Officer presented a report regarding EPF/1305/08 – 1 Cartersfield Road, Waltham Abbey (revised application). The Sub-Committee had been asked to consider a variation to condition No. 19 of the application:

The industrial units hereby approved shall be completed prior to the occupation of the store.

Reason: - The provision of the industrial units was a significant factor in the reuse of the designated employment land for retail purposes.

The Sub-Committee were informed that planning permission for the demolition of existing buildings and erection of a new 'Lidi' food store and construction of five start-up industrial units had been considered by Area Planning Subcommittee West on 29 October 2008 and referred to District Development Committee on 2 December 2008 (minute 36(19)) at which it was agreed to grant consent subject to conditions and a S106 agreement.

Since the S106 agreement had not yet been completed and no decision had been given for the scheme, the applicant had raised issues with the timescale, given that applicant felt confident the approved store could be erected and opened within an approximate 18-week period and the control of the industrial units remained with the freehold owner.

In view of the fact that the S106 agreement had not yet been completed the wording of the condition could be altered without a further planning application.

The Sub-Committee had been asked to consider the variation of condition No. 19, to read:

The industrial units hereby approved shall be completed within 12 months from the date of occupation of the store.

RESOLVED:

That, the variation to condition No. 19 be granted, to read:

The industrial units hereby approved shall be completed within 12 months from the date of occupation of the store.

Reason: - The provision of the industrial units was a significant factor in the reuse of the designated employment land for retail purposes.

8. DELEGATED DECISIONS

The Sub-Committee noted that details of planning applications determined by the Head of Planning Economic Development under delegated authority since the last meeting had been circulated to all members and were available for inspection at the Civic Offices.
