- 3.1 Debate shall be restricted to members of the Licensing Committee. Where a local ward member, not being a member of the Committee, wishes to participate in the hearing, they may do so only with the permission of the Chairman and their participation shall be subject to the same rules as are applied to any other witnesses to the application.
- 3.2 In hearings other than those under the Licensing Act 2003, where a ward member is a member of the Committee, and wishes to object to the application, the member shall give 14 days' notice of their intention, and shall play no part in the decision-making process of the Committee. In hearings under the Licensing Act 2003, those named as responsible authorities and interested parties in the Act may only make representations within the time limits set out in the relevant statutory provisions.

### **(a) Fairness**

- (i) All persons affected by the decision or in the case of matters associated with the Licensing Act 2003, those named as responsible authorities and interested parties in the Act, will be allowed a hearing before a decision is made.
- (ii) Only objectors who can show clearly that they are affected by a decision shall be afforded the right to be heard or, in the case of hearings under the Licensing Act 2003, only those named in the Act as responsible authorities or interested parties.
- (iii) All information shall be made available, where possible in advance, to the applicant and the Committee.
- (iv) All members of the Committee shall be present throughout the hearing of a particular application. Where a member arrives late or leaves during a hearing of a particular application, that member shall play no part in the decision-making process. Where an application is adjourned it shall be continued by the same members only, and no others.
- (v) The Committee shall have discretion in respect of 'late' objections. Such objections shall be clearly marked on the agenda as such and the Committee shall decide on their acceptability. The applicant shall be advised of any late objections. In the case of representations made in relation to the Licensing Act 2003 applications, these shall only be accepted in accordance with the relevant statutory provisions.

### **(b) Prevention of Bias**

- (i) The rules on the declarations of interest shall be firmly applied.
- (ii) If the Committee moves into private session to consider its decision, it shall be accompanied only by its advising officers, none of whom shall have taken a substantive part in the hearing, and shall play no substantive part in the decision-making process.

## **6. General Procedures for Hearings**

6.1 The following procedural requirements shall be followed at all times:

- (a) There shall be no recommendation from officers on the agenda;
- (b) The Committee shall be supplied with copies of all relevant documentation and the process and order of procedure shall be as follows:

  - (ii) The Chairman will outline the procedure to be followed.

- (iii) The Lead Officer will outline the matter in hand.
- (iv) The applicant or representative will present his/her case, with or without witnesses, and be questioned by members or any objectors/persons making representations present.
- (v) Any objectors/persons making representations may then present their objections/representation, with or without witnesses, and be questioned by members or the applicant/s or their representative.
- (vi) The objectors/persons making representations may make a final statement (without introducing new issues).
- (vii) Finally, the applicant has the right to make a final statement (without introducing new issues).
- (viii) All evidence/disclosures are to be made in the presence of all persons, unless someone voluntarily excuses themselves from the proceedings.
- (ix) Committee members shall restrict themselves to questions and not discussion or comment.
- (x) The applicant, objectors/persons making representations shall be allowed to ask officers questions of a technical/factual nature at any time during the proceedings.
- (xi) An adjournment should be granted where to do otherwise would deny a fair hearing.
- (xii) The Committee may resolve to decide upon the application in private session, however, if it becomes necessary to recall anyone for additional information, everyone shall be invited to return to the Hearing.
- (xiii) The decision shall be given in the presence of all parties that wish to be present and confirmed in writing as soon as possible thereafter. If legal advice is given to members this advice will be repeated in summary form.

Dear Mr Khalid

**246B High Road, Loughton**

I refer to the application for a Premises Licence for the above site, received by Planning Services on 07 August 2009, in its role as a Responsible Authority under the 2003 Licensing Act.

The application seeks to gain a licence for the premises to be open between the hours of 10:00am ~ 02:00am (the following day), every day of the week; and the provision of recorded music, indoors, between the same hours.

Additionally, the application seeks to gain a provision for late night refreshment, indoors, between the above mention hours.

It is noted from the application forms that a considerable amount of floor space at the site is to be allocated for seating and tables, and the availability of food being served for consumption at the premises.

Planning history records for the site show that it has A1 Retail Class Use; and, as such, does not have permission for the premises to trade as a café.

Planning Services do not object to this application on licensing grounds. However, planning permission appears to be needed for a change of use from retail to café use. You are advised to contact a Planning Officer before proceeding with this proposal.

Yours sincerely

Hello Roy

My name is Colin Corrigan and I am a LRA member who lives round the corner from you at No.8 Brooklyn Avenue.

I am somewhat dismayed to read in the window of Cakes and Shakes that they are applying for a license to open until 2 in the morning. I am against this because of noise from the premises, car parking, etc. In addition, I believe that it will attract children late at night and encourage gathering that will have the potential to recreate the problems we had 2 or 3 years ago with large groups of children gathering. Coupled with the post-pub people that it will attract, I think we have the makings of an issue that would be detrimental to the well-being of the town and a further distraction for the police.

I find it disappointing that the application is not more widely known as I am sure that more local people would complain if they knew about this. I shall now write a letter to the licensing dept at the council, although I am not quite sure that my concerns will be considered valid (or if indeed I will be any good at expressing them). I need to send this off by tomorrow as the deadline is Tuesday. On the off chance that you are around, perhaps you might like to e-mail me or ring me (8508 2779) with any comments/advice that you might have.

Perhaps I'm just a miserable so-and-so, but if this goes through, I dare say that an alcohol license will eventually be applied for and then off we go...

I always say that nice places don't stay nice by themselves. I like Loughton and I don't really want it to turn into Ilford!

Thanks for listening

Colin

Dear Vivienne

We would be very grateful if the following comments could be drawn to the attention of the Committee:

4.3 Notice of Application to vary the Premises Licence at Cakes and Shakes

Loughton, 246B High Road, Loughton, IG10 1RB . Min. no. 233.1

We urge the committee to oppose this application strongly. 2am is wholly inappropriate in this location. There are flats over the shops. Indeed all the roads leading to or from them premises (including the High Roads) are residential roads. There is a significant risk that the premises would become a gathering place for youths in the small hours, with consequent noise and disturbance to residents at the site, and to others as they depart.

Dear Sir/Madam

I am writing to express my concern and objections to an application for a late licence by an establishment called "Cakes and Shakes" in Loughton High Road.

The application is to extend opening times daily until 2am. This will cause a huge amount of anti-social behaviour by patrons who are largely youths, and will cause noise levels for residents surrounding the high road to rise significantly through the early hours.

I would appreciate any support you could provide in objecting to this application. I am writing as a member of the Loughton Residents Association and as the Neighbourhood Watch Lead for the Conservation Area of Loughton Hills.

I look forward to hearing from you.

Dear Sirs,

Re proposed retail shop – Cakes and Shakes, High Road, Loughton (no number on the shop)

I write regarding the above and would appreciate information on the following points.

1. Since this was formerly a clothes outlet, at what point was a 'change of use' notice posted, since the first notification of significance which appeared in the window, was one advising the general public that Cakes and Shakes was due to open and inviting staff applications.
2. I had understood that the quota/number or whatever it might be called for food outlets, had already reached capacity for the High Road – understandably. Why then have we apparently got one more?
3. The licence application for opening hours which has recently appeared, states 10 a.m. - 2 a.m. seven days a week. How can this be justified for an outlet of this sort?
4. As someone who lives in a road not too far away from the proposed cafe/shop/whatever, the thought of an outlet open till 2 am (selling cakes and milk shakes???) particularly in that area which already has considerable problems in relation to anti-social behaviour during evenings, causes me great concern.
5. If this application succeeds in relation to the hours applied for, this will then set a precedent to other existing outlets and possible future ones; I really don't want to consider what this might mean for those residents living in the immediate vicinity of the High Road.

This letter should be treated as an objection to the licence application specifically. Since a shop sign has already gone up with the Cakes and Shakes name on it, there is obviously no point in objecting to the change of use – which appears to have slipped through effortlessly!! I would however, appreciate a response to my questions, particularly regarding just how many more food outlets of whatever description might be given permission to open. Is there a limit, if so what is it?

Yours etc.

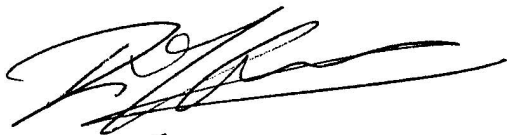

Mrs.M.Froud.

PETITION AGAINST THE LICENSING AND CHANGE  
OF USE AT 246B HIGH ROAD LOUGHTON IG10 1AQ

We, the undersigned, are residents in Brooklyn Court, which is a block of 33 flats immediately opposite the proposed hot food establishment. It is assumed that this will have a take away facility as it is proposed to stay open until 0200 hours daily. This will generate unacceptable noise and nuisance to our residents who range in age from babies to pensioners in their nineties. It is also flying in the face of planning authorities who have stated that we are already at the 30% maximum for food outlets in the High Road and have refused permissions for other food applications.

There has been an application to the District Council for a late-night refreshment licence, Monday – Sunday, 10am – 2am for a shop called Cakes & Shakes.

On behalf of local residents, we object to this application - a closing time of 2am will inevitably mean late-night noise and disturbance for local residents on the High Road and other roads nearby (all the roads leading to and from this shop - including the High Road itself – are residential).

**Re: Premises Licence Application for 246B High Road, Loughton-Cakes and Shakes**

I write with regard to the premises licence application for the above-mentioned business.

I see that the notice posted at the site states that a late night refreshment license is sought to cover opening hours at the premises from 10am through until 2am 7-days a week.

As a local resident I am concerned that the late-night element would lead to contravention of a number of the licensing objectives.

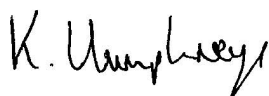

Existing 'casual' food outlets at this end of the High Road appear to currently be scheduled to close no later than midnight and the 2 that currently stay open until this time already attract groups of youths that can cause noise and other public nuisance for nearby residents when dispersing, often up to an hour or more after the premises have officially closed.

A late night refreshment license until 2am would, I fear, extend this problem further into the night.

Another concern with the 2am license is that the premises is presumably looking to cater to an age group attracted to 'cakes and shakes.' Would a 2am license sit comfortably then with the licensing objective to "protect children from harm?"

While I have no problem with anyone trying to make a living and extracting maximum value from their business franchise I do not feel that a 2am license is appropriate in this vicinity for a venture of this nature.

Kind Regards

Dear Sirs

RE :- License Application Cakes and Shakes Loughton

I am writing to object to the above license application. As a local resident, I am most concerned by the hours of opening.

There are already gangs of teenagers congregating outside the premises very late at night. They are very noisy and create an atmosphere of intimidation. The local police worked very hard two years ago to eradicate the problems of teenage violence in the High Road and I believe granting a license to 2am will encourage the problem to return.

Furthermore, there has already been an increase of litter outside the premises which serves only to encourage the rat problem around the interchange of The Drive and the High Road.

Whilst I encourage the opening of new businesses in Loughton, I do not believe that it is necessary to be open until the hours of 2am.

Yours faithfully

Dear Sir/Madam,

**Cakes & Shakes, High Road, Loughton**

I wish to register my objection to the licensing application from the above. The application is for a license to operate until 2am. I believe that the application should be limited to midnight at the latest.

I have a number of concerns, which generally relate to:

- Noise from the premises impacting on the residents that live opposite;
- Noise from cars and customers impacting on the residents that live opposite and in the surrounding roads;
- The premises becoming a late night focal point for children, with the potential for the issues of two or three years ago, whereby large groups of children were becoming a nuisance, coming back to the fore;
- The premises attracting a number of post-pub customers with the possibility of inappropriate interaction with minors;
- The premises becoming a further distraction for the local police.

I also fear that the grant of a late license will subsequently attract an application for an alcohol license, thereby accentuating the above issues.

This is a very brief objection as I have only recently become aware of the application. If I had not passed by and happened to read the A4 notice in the window, then I wouldn't have been in a position to object. No doubt, more widespread notification would have attracted more objections.

Yours faithfully
