- (viii) All evidence/disclosures are to be made in the presence of all persons, unless someone voluntarily excuses themselves from the proceedings.
- (ix) Committee members shall restrict themselves to questions and not discussion or comment.
- (x) The applicant, objectors/persons making representations shall be allowed to ask officers questions of a technical/factual nature at any time during the proceedings.
- (xi) An adjournment should be granted where to do otherwise would deny a fair hearing.

Dear Ms Kits

**Re: Notice of application for a premises licence under the Licensing Act 2003 in respect of 112-120 High Road, Loughton IG10 4HJ**

Members present at the Planning and Licensing Committee meeting on 12 August 2013, made the following representation.

Owing to the number of late night premises in the immediate vicinity of 112-120 High Road, the Committee considered this application would have an adverse effect on three of the four licensing objectives, detailed below:

1. The prevention of crime and disorder.
2. Public safety.
3. The prevention of public nuisance.

The Committee OBJECTS to the granting of this licensing application, in an area where there had been several instances of public disorder, to which the availability of alcohol late at night in various licensed premises was a contributory factor as identified by the Police, unless the following restrictions were imposed:

1. No consumption of alcohol outside the premises (including any forecourt).
2. Sale of alcohol with meals only.
3. On-sales of alcohol only.

I would be grateful if you can acknowledge receipt of this letter and let me know whether it will go to the Licensing Sub-Committee and date of this meeting, or be dealt with by officers.

Yours sincerely

25<sup>th</sup> July 2013

Dear Sir / Madam

I am writing with regard to the new premises application made by Medmix Limited for Mezesphere 112-120 High Road, Loughton, Essex IG10 4HJ.

I wish to make representation on the grounds of **the prevention of public nuisance**. I am already disturbed every weekend by noise from people coming from Luxe and Nu bar. These people shout, scream and swear along the street just outside my flat. They also drive cars and motorbikes loudly and dangerously frequently sounding their horns. I feel this behaviour is likely to be due to a large intake of alcohol and fear that another establishment serving alcohol could only worsen this problem.

I can just about cope with being kept awake at the weekends, but this proposal is for a licence all week until midnight – this is much too late for a week night. This is a residential area and the situation is bad enough that I would move if I could afford it.

I would also like to make representation on the grounds of **the prevention of crime and disorder**. A few weeks ago someone was attacked with broken glass right outside my flat. I have also heard fights breaking out also likely to be fuelled by alcohol.

I have contacted the council on a number of occasions about the current problem, but it has not improved, I fear that if the problem worsens with another licensed premises I would continue to find complaining ineffectual.

Yours faithfully

Dear Sirs

**Medmix Limited – Mezesphere 112 – 120 High Road Loughton IG10 4HJ**  
**Sale of Alcohol - Monday – Saturday 11 am – 12 pm Sunday 11am – 22.30pm**  
**Late Night Refreshment Monday to Saturday 11pm to 12 midnight**

We would like to record our strongest possible objection to the granting of the above licences for the following reasons:-

- The High Road has become a late night venue where mobs of people are discharged from premises late at night and all of whom are inebriated to a different degree. Some are drunk and disorderly. To have another late night drinking venue so close to existing late night licences and particularly opposite the Nu Bar is likely to add further to the violence that has occurred in the past. To prevent further crime and disorder the licences if granted at all should terminate at 11 pm.
- The High Road late at night has become a threatening place to young and old as people who frequent these places spill out onto the street and pedestrians have to walk in the road to avoid drunken louts. From a public safety viewpoint we believe that the licences should not be granted.
- We reside just around the corner to the site for which the licence is sought and Ollards Grove although it used to be a quiet residential street it is no longer the case. Frequently drunken hoards of youths having parked their cars in our road and then return to their cars after 12 pm and sometimes much later, singing, shouting, playing loud music, screeching car tyres and even hooting. Our grandchildren who stay at our house are frequently woken as we are ourselves. It is not fair on the residents in Ollards Grove to impose further damage to our living environment by the creation of even more public nuisance.
- I should also point out that these youths also throw litter, cans and empty wine bottles into residents' front gardens and bushes and into the road where smashed glass is a danger to motorists and pedestrians alike.

For all of the above reasons we would ask that the licences be refused but if the restaurant is to be a restaurant and not just another place selling alcohol and you were of a mind to licence the premises then that licence should terminate at 10 pm on all weekday nights with the sole exception on Saturday when it should be 11 pm.

Yours faithfully

29 July 2013

Dear Sir,

**Re: Licence application for the sale of alcohol and late night refreshment by Medmix Limited in respect of Mezesphere, 112-120 High Road, Loughton, IG10 4HJ dated 22 July 2013**

I wish to make the following representations in respect of the above licence application on the grounds of the prevention of public nuisance.

I am the occupier of [REDACTED] Station Road, Loughton, which is in close proximity to 112-120 High Road (the "Premises"). At present, there are a number of premises licensed for the sale of alcohol, late night refreshment and late night entertainment concentrated around the location of the applicant's Premises. This concentration of licensed premises creates a significant amount of street noise as the evening progresses, as customers migrate from premises to premises or leaving for home, often in a loud and drunken manner, creating a significant amount of noise nuisance, especially around closing time.

During the summer months in particular, when the only means of ventilating bedrooms to a sufficient degree to maintain comfort is to leave windows open, the street noise created by this concentration of licensed premises is a significant disturbance and often interferes with my and my family's sleep. Even with windows closed, the street noise can be significant and still audible.

In addition, significant noise is created by the staff of various licensed premises as they clear glass bottles into recycling bins outside the premises, creating loud sounds of breaking glass, often after midnight, which is particularly disturbing.

The addition of another licensed premises to this location will exacerbate the current situation of unacceptable and nuisance noise levels late at night and consequently I object to the licensing of the applicants Premises for the sale of alcohol and / or late night refreshment.

The proposal that the applicant's Premises be licensed to serve alcohol until midnight is inappropriate in a mixed commercial / residential setting as this is more likely to cause noise during typical hours of sleep and therefore more usual licensing hours should be preserved, i.e. no later than 11pm, if any licence is granted at all.

**Re: Register of Licence Applications Received for Medmix Ltd, 112-120 High Road, Loughton,  
Essex, IG10 4HJ**

Dear Sir or Madam,

My partner and I have been a resident of Loughton since 2010. I would like to raise a few issues which have affected me due to the high level of alcohol consumption in the High Road. My partner has been harassed by intoxicated people on a number of occasions whilst walking home from work, and on two occasions they have physically abused her.

It has come to my attention that another food premises is opening at: 112-120 High Road, Loughton, Essex, IG10 4HJ. For the safety of the general public, I would like to object to the sale of alcohol at the premises, so that people of Loughton do not have to go through traumatic experiences which individuals like as my partner has had to go through. Also in the last three years there have been devastating incidents which I have witnessed in Loughton including stabbings, sexual assault and even murders.

Also with the current supply of alcohol in Loughton via the current licensed premises in the High Road has also increased driving whilst intoxicated with alcohol, thus endangering the general public both in vehicles and on foot, also allowing the chance of further damage to buildings, and possibly leading to deaths.

Currently there are six premises who are serving alcohol around the premises which is in application, all of who are serving alcohol till late. These premises include Nu Bar, Loughton BBQ, Luxe Bar and Bayliss News (the off license). Therefore I do not think it is necessary to add to the list as it will increase the consumption within the area, and therefore cause more alcohol fuelled rage and bring more fights decreasing the safety of the public.

I thank you for taking my view into consideration, and I hope you understand my concerns.

Yours sincerely

RE: Licensing Application Mezesphere 112-120 High Road, Loughton IG10 4HJ

Dear Sirs,

Regarding your letter dated 22<sup>nd</sup> July, we wish to confirm our objection to the above premises application for extended licensing hours to 12pm Monday to Saturday. They should be restricted to 11pm at the latest, to prevent public nuisance from noise and disturbance to many local residents.

Regrettably the council have allowed far too many late night drinking establishments at this end of the high road which degrades the amenities to residents. Every weekend there is little via empty beer cans and bottles left all over the vicinity which the council is slow to clear.

Unfortunately what will happen if you grant this application without reducing its hours, sometime in the future there will be a new application to extend its drinking hours in line with the late night bars top compound this problem.

Yours Faithfully

License Application for Mezesphere, 112-120 High Road, Loughton

Dear Sir/Madam,

I understand Nu Bar in Loughton has recently applied to extend their closing hours on Sunday evenings, from 12am to 1am. Please be aware that as a resident of Connaught Avenue (which is just across the road) I strongly object to this.

Currently, not only can I hear the music from Nu Bar, but I am also constantly woken up from people exiting Nu Bar once it has closed. Every weekend I am woken up from the sounds of shouting, girls screaming, fighting and aggressive behavior, which normally spills into my road and then police sirens. Personally, I do not think it is acceptable to extend their hours on Sunday nights when most people, including myself, have to get up early for work the next morning.

Whilst writing, I also understand that a new premises application has been made with regards to 112-120 High Street. I am unclear as to if this is planning to be another bar or a restaurant and so I am very concerned about this. As I mentioned above, not only am I woken up every weekend with people exiting Nu Bar, this also applies to people exiting Luxe, 126 High Street and therefore I am concerned about further premises selling alcohol late into the evening.

Yours sincerely,

Dear Sir/Madam,

**Re: New Premises Application – Medmix Ltd  
Mezesphe, 112-120 High Road, Loughton, Essex IG10 4HJ**

I would like to object to the application Medmix Ltd has made to open yet another premises to sell alcohol.

The reasons for my objections are

1. For the safety of the public.
2. The clientele are very likely to cause a nuisance as they leave the premises with drunken behaviour.
3. Based on current observations, there will be noise, fights, and broken glass strewn down the street. (The Forest Hall steps continually attract bottles, broken or otherwise, along with the selection of glasses.)
4. General fast food litter; as it seems that these people who get drunk tend to buy food on their way home and drop their rubbish on the streets.

The government have identified that alcohol is a problem among the nation and I would hope that the council will take this into consideration when granting licences to companies for all day / night drinking.

Forest Hall church hold a Mums & Tots Group on Monday mornings, also a children's clubs on Sunday afternoons and on evenings during the week; opening another premises of this nature so close to this building will put these young people's safety at risk. Drunken people are not the role model that we would wish our young children to emulate. We desire that they will drink sensibly and in moderation; and not to excess as happens on too many occasions in Loughton.

Yours faithfully,

Dear Sirs

**Application to vary a premises licence under the Licensing Act 2003 in respect of 112-120 High Road, Loughton**

We object to this application unless the following restriction is imposed: sale of alcohol with meals only.

The LRA Plans Group looks at all planning & licensing applications in Loughton; it operates completely separately from those LRA Councillors who are, or might be, involved as Councillors in Town or District Council planning or licensing meetings, under a Protocol agreed with the District Council in respect of planning matters (and which we apply equally to licensing cases, on a voluntary basis).

### **Objections related to the Licensing Objectives**

The grounds for the objection are that it would increase **crime and disorder** in the immediate vicinity, and along the roads leading to/from the premises, due to the possibility of off-sales customers consuming excess alcohol in public and the effects thereof, given the nature / hours of operation of the business, the number of late-night venues in Loughton High Road whose clients are likely to visit the premises before visiting these venues, the proximity of the premises to Loughton station.

Yours sincerely

Dear Sirs

**Re: License Application under the Licensing Act 2003 by Medmix Limited  
regarding Mezephere, 112-120 High Road, Loughton IG10 4HJ**

Further to receipt from you of the Licensed Premises application the following points detail our concerns:-

#### **The Prevention of Public Nuisance**

- Where does the landlord propose to be their customer designated smoking area? There is a car park behind 112-120 High Road but this would not be a suitable place to use for this, meaning that customers and staff may have to stand out in the street, possibly obstructing the public path.
- Deliveries to the restaurant via the front or rear of the building may cause a nuisance or impact on our running of our office, people using the bus stop and other members of the public walking past.

#### **Public Safety**

- Rubbish disposal – there is no space to accommodate restaurant waste so this may build up and be a risk to public health & safety.

I do hope you will be able to take these points into account.

Yours faithfully

Dear Sirs

**Licensing Application 112-120 High Road Loughton ("Mezesphere")**

We are writing to object to this licensing application for the sale of alcohol after 10.30pm, and specifically object to **any** off-sales being permitted.

These premises are in close proximity to private housing; there are flats in the Loughton High Road, flats and houses in Ollards Grove, Connaught Avenue, Connaught Hill, High Beech Road and Smarts Lane. We are already experiencing noise nuisance late at night when trying to sleep, particularly when customers leave nearby Nu-Bar and Luxe bar late at night, shouting and yelling. This is a great public nuisance. Youngsters gravitate to this area in Loughton from all of North and East London, knowing that there are drugs and alcohol available until the early hours and there is seldom any Police presence. The area is becoming a no-go zone to local residents late at night. Everyone knows that Police are rarely around. We have used telephone numbers to call to report the nuisance, but there is often no-one available to attend the scene.

More late-night licensed premises (particularly if off-sales were allowed) would undoubtedly exacerbate the noise problem and increase the incidence of crime and disorder with neighbouring cars being damaged and residents' gardens vandalised and urinated in etc. Broken glass, bottles and vomit are often found in the adjoining streets; a safety issue to children and adults alike going to school/work/station in the morning.

Public safety is also threatened as this corner of Loughton is on the pedestrian route from Loughton Station and people are intimidated when trying to walk home past crowds of hyped-up, drunk/drugged and disorderly people hanging around on the street. The Police and Council should actually attend this area between 11.00pm - 1.00am at the weekend so that they can see for themselves and gain first-hand knowledge.

We hope these comments will be taken into account when deciding upon the application.

Yours faithfully
