Attached for consideration.

4. **PARISH AND TOWN COUNCIL REMUNERATION SCHEMES**

To consider proposals, if any, from Parish and Town Councils regarding:

- (a) the introduction of a remuneration scheme where none is operating at present;
or
- (b) changes to an existing remuneration scheme.

Officers will report orally at the meeting on any approaches received after publication of the agenda.

Parish and Town Councils have been advised that if they wish to continue with their existing schemes for another year without alteration, they do not need to respond but need to take account of the fact that schemes have to be reviewed by the Panel after four years of operation have elapsed.
