

THE EXECUTIVE WORK PROGRAMME

INCORPORATING THE FORWARD PLAN

(COVERING STATUTORY PERIOD 1 January 2010 – 30 April 2010)

The Forward Plan

There is a legal requirement for local authorities to publish a Forward Plan setting out the key decisions to be made in the four-month period ahead. Each successive Forward Plan has to be published and available for public inspection at least two weeks before the first day of the first month of the four-month period. Copies of the Forward Plan are available for inspection at the Council's information offices throughout the District, as well as on the Council's website in the Local Democracy section.

The Executive Work Programme

The Executive (i.e. the Cabinet) is required by the Constitution to have a work programme, which indicates how the aims and objectives set out in the Council will be achieved. The work programme covers the year ahead, and by law the Council is required to state:

- Who will make the decision;
- When it is likely to be made;
- Arrangements for consultation and representations; and
- Background documents used.

As all the items in the work programme involve key decisions, it has been agreed to merge the two into *The Executive Work Programme incorporating the Forward Plan*.

Key Decisions

The Council's Constitution defines key decisions as:

- (i) Any decision within budget and policy that involves expenditure/savings of £250,000 or more in the current municipal year;
- (ii) Any decision not within budget and policy that involves expenditure/savings of £100,000 or more in the current municipal year;
- (iii) Any decision that raises new issues of policy;
- (iv) Any decision that increases the Council's financial commitments in future years, over and above existing budgetary approval;
- (v) Any decision that involves the publication of draft or final schemes, which may require either directly, or in relation to objections to, the approval of a Government minister;
- (vi) Any decision that involves the passage of local legislation; and

(vii) Any decision that affects two or more wards, and has a discernible effect on the quality or quantity of services provided to people living or working in that area.

Borrowing or lending decisions undertaken under delegated authority by the Director for Finance and ICT are not defined as a key decision.

The Council has also agreed the following additional requirements in relation to key decisions:

- (a) Key decisions cannot be made by officers;
- (b) Key decisions not within budget and policy can only be made by the Council;
- (c) Key decisions within budget and policy but involving expenditure/savings in excess of £1million can only be made by the Cabinet and/or Council;
- (d) Key decisions within budget and policy but involving expenditure/savings between £250,000 and £1million can be made by the relevant Portfolio Holder;
- (e) Portfolio Holders can only make key decisions affecting their wards if the decision is based upon a recommendation by a Service Director or as one of a range of options recommended by a Service Director.

Executive Priorities 2009-10

The Cabinet has determined that its Corporate Priorities for 2009-10, are:

- (i) To help mitigate the impact of the current economic conditions on local people and businesses, through appropriate initiatives;
- (ii) To improve access to information about the Council's services, through the implementation of a Customer Transformation Programme;
- (iii) To ensure the Council provides good value for money, through the development of a comprehensive Value for Money Strategy;
- (iv) To achieve accreditation for the Council's Environment and Neighbourhood Officers under the Essex Police Community Safety Accreditation Scheme by June 2009;
- (v) To complete the strategic review of North Weald Airfield, through the continuing work of the North Weald Airfield Strategy Cabinet Committee;
- (vi) To work with Essex County Council, Epping Forest College and local Schools to further the educational opportunities and facilities for the local young people; and
- (vii) The delivery of a Gypsy and Traveller Development Plan.

In addition, there are a further 21 objectives split between the eight Portfolios detailed in the key priority objectives 2009/10.

Cabinet Membership 2009-10

- Cllr Diana Collins - The Leader of the Council.
- Cllr Chris Whitbread - Deputy Leader; Finance & Economic Development Portfolio Holder.
- Cllr Mitchell Cohen - Legal & Estates Portfolio Holder.
- Cllr Mary Sartin - Environment Portfolio Holder.
- Cllr David Stallan - Housing Portfolio Holder.
- Cllr Syd Stavrou - Community Safety & Transport Portfolio Holder.
- Cllr Richard Bassett - Performance Management Portfolio Holder.
- Cllr Brian Rolfe - Leisure & Wellbeing Portfolio Holder.
