

THE KEY DECISION LIST

INCLUDING PROPOSED PRIVATE DECISIONS

(11 November 2013)

The Key Decision List including Proposed Private Decisions

There is a legal requirement for local authorities to publish a notice in respect of each Key Decision that it proposes to make, at least 28 days before that decision is made. There is also a similar requirement to advertise those decisions, whether they are Key Decisions or not, which it is proposed to be made in private with the public and press excluded from the meeting. This Key Decision List, including those decisions proposed to be made in private, constitute that notice. Copies of the Key Decision List are available for inspection at the Council's Civic Offices, as well as on the Council's website in the 'Your Council' section.

Any background paper listed can be obtained by contacting the relevant Officer in the first instance, or failing that the Democratic Services Officer listed below.

Key Decisions

The Council's Constitution defines key decisions as:

- (i) Any decision within budget and policy that involves expenditure/savings of £250,000 or more in the current municipal year;
- (ii) Any decision not within budget and policy that involves expenditure/savings of £100,000 or more in the current municipal year;
- (iii) Any decision that raises new issues of policy;
- (iv) Any decision that increases the Council's financial commitments in future years, over and above existing budgetary approval;
- (v) Any decision that involves the publication of draft or final schemes, which may require either directly, or in relation to objections to, the approval of a Government minister:
- (vi) Any decision that involves the passage of local legislation; and
- (vii) Any decision that affects two or more wards, and has a discernible effect on the quality or quantity of services provided to people living or working in that area.

Borrowing or lending decisions undertaken under delegated authority by the Director for Finance and ICT are not defined as a key decision.

The Council has also agreed the following additional requirements in relation to key decisions:

- (a) Key decisions cannot be made by officers;
- (b) Key decisions not within budget and policy can only be made by the Council;

(c) Key decisions within budget and policy but involving expenditure/savings in excess of £1million can only be made by the Cabinet and/or Council;

(d) Key decisions within budget and policy but involving expenditure/savings between £250,000 and £1million can be made by the relevant Portfolio

Holder;

e) Portfolio Holders can only make key decisions affecting their wards if the decision is based upon a recommendation by a Service Director or as

one of a range of options recommended by a Service Director.

Private Decisions

Any decisions that are proposed to be taken in private will be reported as such. The paragraph number quoted relates to Part 1 of Schedule 12A of the
