

**Epping Forest
District Council**

THE KEY DECISION LIST

INCLUDING PROPOSED PRIVATE DECISIONS

(12 October 2017)

The Key Decision List including Proposed Private Decisions

There is a legal requirement for local authorities to publish a notice in respect of each Key Decision that it proposes to make, at least 28 days before that decision is made. There is also a similar requirement to advertise those decisions, whether they are Key Decisions or not, which it is proposed to be made in private with the public and press excluded from the meeting. This Key Decision List, including those decisions proposed to be made in private, constitute that notice. Copies of the Key Decision List are available for inspection at the Council's Civic Offices, as well as on the Council's website in the 'Your Council' section.

Any background paper listed can be obtained by contacting the relevant Officer in the first instance, or failing that the Democratic Services Officer listed below.

Key Decisions

The Council's Constitution defines key decisions as:

- (i) Any decision within budget and policy that involves expenditure/savings of £250,000 or more in the current municipal year;
- (ii) Any decision not within budget and policy that involves expenditure/savings of £100,000 or more in the current municipal year;
- (iii) Any decision that raises new issues of policy;
- (iv) Any decision that increases the Council's financial commitments in future years, over and above existing budgetary approval;
- (v) Any decision that involves the publication of draft or final schemes, which may require either directly, or in relation to objections to, the approval of a Government minister;
- (vi) Any decision that involves the passage of local legislation; and
- (vii) Any decision that affects two or more wards, and has a discernible effect on the quality or quantity of services provided to people living or working in that area.

Borrowing or lending decisions undertaken under delegated authority by the Director of Resources are not defined as a key decision.

The Council has also agreed the following additional requirements in relation to key decisions:

- (a) Key decisions cannot be made by officers;
- (b) Key decisions not within budget and policy can only be made by the Council;

- (c) Key decisions within budget and policy but involving expenditure/savings in excess of £1million can only be made by the Cabinet and/or Council;
- (d) Key decisions within budget and policy but involving expenditure/savings between £250,000 and £1million can be made by the relevant Portfolio Holder;
- (e) Portfolio Holders can only make key decisions affecting their wards if the decision is based upon a recommendation by a Service Director or as one of a range of options recommended by a Service Director.

Private Decisions

Any decisions that are proposed to be taken in private will be reported as such. The paragraph number quoted relates to Part 1 of Schedule 12A of the Local Government Act 1972, and their definitions are as follows:

- (1) Information relating to any individual.
- (2) Information which is likely to reveal the identity of an individual.
- (3) Information relating to the financial or business affairs of any particular person (including the authority holding that information).
- (4) Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
- (5) Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
- (6) Information which reveals that the authority proposes:
 - (a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
 - (b) to make an order or direction under any enactment.
- (7) Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

Corporate Aims & Key Objectives 2017/18

- (1) To ensure that the Council has appropriate resources, on an ongoing basis, to fund its statutory duties and appropriate discretionary services whilst continuing to keep Council Tax low:
 - (a) To ensure that the Council's Medium Term Financial Strategy plans to meet the Council's financial and service requirements for any forward five year period, whilst minimising any reliance on Government funding;
 - (b) To continue to review and develop the Council's own assets and landholdings for appropriate uses, in order to maximise revenue streams and capital receipts, and to deliver the following key projects:
 - (i) The Epping Forest Shopping Park, Loughton;
 - (ii) The Council Housebuilding Programme;
 - (iii) The St John's Redevelopment Scheme, Epping; and
 - (iv) North Weald Airfield;
 - (c) To explore appropriate opportunities to make savings and increase income through the shared delivery of services with other organisations, where such arrangements would provide improved and/or more cost effective outcomes.
- (2) To ensure that the Council has a sound and approved Local Plan and commences its subsequent delivery:
 - (a) To produce a sound Local Plan, following consultation with local residents and working with neighbouring councils, that meets the needs of our communities whilst minimising the impact on the District's Green Belt;
 - (b) To increase opportunities for sustainable economic development within the District, in order to increase local employment opportunities for residents; and
 - (c) To deliver the Council's new Leisure and Cultural Strategy, in order to maximise participation and value for money in the provision of leisure and cultural services to local residents and visitors.
- (3) To ensure that the Council adopts a modern approach to the delivery of its services and that they are efficient, effective and fit for purpose:
 - (a) To have efficient arrangements in place to enable customers to easily contact the Council, in a variety of convenient ways, and in most cases have their service needs met effectively on first contact;
 - (b) To utilise modern technology to enable Council officers and members to work more effectively, in order to provide enhanced services to customers and make Council services and information easier to access; and

(c) To ensure that the Council understands the effects of an ageing population within the District and works with other agencies to make appropriate plans and arrangements to respond to these effects.
