| <b>DESCRIPTION OF PROPOSAL:</b> | Change of use of land to Lorry Park for 25 lorries, change of use of existing house to drivers' facilities and offices and alteration to existing access. (Revised application) |
| <b>DECISION:</b>                | Refused   |

**REASONS FOR REFUSAL**

- 1 The development has resulted in an increase in the use of an existing access to Honey Lane which, at this location is a Main Distributor (PR1). The primary function of this route is the carrying of traffic freely and safely between major centres in the region. The increased use of the access is prejudicial to that function and as such is contrary to Policy 1.2.1 of the Essex County Council 2006-2011 Local Transport Plan and to Policy ST4 of the adopted Local Plan and Alterations.
- 2 The development is inappropriate in the Metropolitan Green Belt in that it is harmful to its openness and visual amenities. The special circumstances put forward by the applicant do not amount to very special circumstances sufficient to override the harm caused by the development. The use is therefore prejudicial to the purposes of including the land in the Metropolitan Green Belt and, accordingly, is contrary to the provisions of PPG2, and policies GB2A and GB7A of the adopted Local Plan and Alterations.
