5. Independent Advisory Group (IAG)

The Youth Council have 3 members on the IAG group. They feel that they are making a positive difference by having a youth representative at the meetings. 8. Youth Conference

Please save date. The Epping Forest Youth Conference will be held on Friday 19th November 2021. All secondary schools will be invited to attend by sending 8 young delegates with a teacher. Mathew suggested the environment as a topic as it is very prevalent. Sydnae suggested a debate as they enable everyone to have their say. Daniel suggested a debate about whether school strikes and protests are the way to get real climate justice. He also raised the idea of a teacher workshop for Headteachers about how to save the planet while also saving money, which can then be reinvested in children's

education. Martin offered to spend his Jack Petchey award money on the Youth Conference. Sydnae also raised the idea of having guest speakers to share their experience.

10. Any other business

Harriette and Max have recently resigned from the Youth Council.

Special thanks go to Harriette for serving 3 and half years as a Youth Councillor for the Ongar Academy and as an independent Youth Councillor, as she moved schools to attend Chelmsford County High. With year 13 commitments looming, Harriette will spend her time focusing on her schoolwork.

Max has served 14 months representing Epping St Johns School. He has recently taken up sport and training will be held on the same evenings as EFYC meetings; therefore, it was a difficult decision to make but he has chosen sport. We wish him a successful future too. The Youth Council formally thanked them for their contribution and wished them good luck for their future.

The meeting ended at 17:07hrs

Date of Next Full Youth Council meeting:

Tuesday 7 September 2021 at 19:00 – 20:30hrs
