

## **APPENDIX 1**

### **Why accepting the national scheme opt-in invitation is the best solution**

#### **Public Sector Audit Appointments Limited (PSAA)**

We are a not-for-profit, independent company limited by guarantee incorporated by the Local Government Association in August 2014.

We have the support of the LGA, which in 2014 worked to secure the option for principal local government and police bodies to appoint auditors through a dedicated sector-led national body.

We have the support of Government; MHCLG's Spring statement confirmed our appointment because of our "strong technical expertise and the proactive work they have done to help to identify improvements that can be made to the process".

We are an active member of the new Local Audit Liaison Committee, chaired by MHCLG and attended by key local audit stakeholders, enabling us to feed in body and audit perspectives to decisions about changes to the local audit framework, and the need to address timeliness through actions across the system.

We conduct research to raise awareness of local audit issues, and work with MHCLG and other stakeholders to enable changes arising from Sir Tony Redmond's review, such as more flexible fee setting and a timelier basis to set scale fees.

We have established an advisory panel, which meets three times per year. Its membership is drawn from relevant representative groups of local government and police bodies, to act as a sounding board for our scheme and to enable us to hear your views on the design and operation of the scheme.

#### **The national scheme for appointing local auditors**

In July 2016, the Secretary of State specified PSAA as an appointing person for principal local government and police bodies for audits from 2018/19, under the provisions of the Local Audit and Accountability Act 2014 and the Local Audit (Appointing Person) Regulations 2015. Acting in accordance with this role PSAA is responsible for appointing an auditor and setting scales of fees for relevant principal authorities that have chosen to opt into its national scheme. 98% of eligible bodies made the choice to opt-in for the five-year period commencing in April 2018.

We will appoint an auditor for all opted-in bodies for each of the five financial years beginning from 1 April 2023.

We aim for all opted-in bodies to receive an audit service of the required quality at a realistic market price and to support the drive towards a long term competitive and more sustainable market for local audit. The focus of our quality assessment will include resourcing capacity and capability including sector knowledge, and client relationship management and communication.

#### **What the appointing person scheme from 2023 will offer**

We believe that a sector-led, collaborative, national scheme stands out as the best option for all eligible bodies, offering the best value for money and assuring the independence of the auditor appointment.

The national scheme from 2023 will build on the range of benefits already available for members:

- transparent and independent auditor appointment via a third party;
- the best opportunity to secure the appointment of a qualified, registered auditor;
- appointment, if possible, of the same auditors to bodies involved in significant collaboration/joint working initiatives, if the parties believe that it will enhance efficiency;
- on-going management of any independence issues which may arise;
- access to a specialist PSAA team with significant experience of working within the context of the relevant regulations to appoint auditors, managing contracts with audit firms, and setting and determining audit fees;
- a value for money offer based on minimising PSAA costs and distribution of any surpluses to scheme members - in 2019 we returned a total £3.5million to relevant bodies and more recently we announced a further distribution of £5.6m in August 2021;
- collective efficiency savings for the sector through undertaking one major procurement as opposed to a multiplicity of smaller procurements;
- avoids the necessity for local bodies to establish an auditor panel and undertake an auditor procurement, enabling time and resources to be deployed on other pressing priorities;
- updates from PSAA to Section 151 officers and Audit Committee Chairs on a range of local audit related matters to inform and support effective auditor-audited body relationships; and
- concerted efforts to work with other stakeholders to develop a more sustainable local audit market.

We are committed to keep developing our scheme, taking into account feedback from scheme members, suppliers and other stakeholders, and learning from the collective post-2018 experience. This work is ongoing, and we have taken a number of initiatives to improve the operation of the scheme for the benefit of all parties.

Importantly we have listened to your feedback to our recent consultation, and our response is reflected in [the scheme prospectus](#).

## **Opting in**

The closing date for opting in is 11 March 2022. We have allowed more than the minimum eight-week notice period required, because the formal approval process for most eligible bodies is a decision made by the members of the authority meeting as a whole [Full Council or equivalent], except police and crime commissioners who are able to make their own decision.

We will confirm receipt of all opt-in notices. A full list of eligible bodies that opt in will be published on our website. Once we have received an opt-in notice, we will write to you to

request information on any joint working arrangements relevant to your auditor appointment, and any potential independence matters which may need to be taken into consideration when appointing your auditor.

### **Local Government Reorganisation**

We are aware that reorganisations in the local government areas of Cumbria, Somerset, and North Yorkshire were announced in July 2021. Subject to parliamentary approval shadow elections will take place in May 2022 for the new Councils to become established from 1 April 2023. Newly established local government bodies have the right to opt into PSAA's scheme under Regulation 10 of the Appointing Person Regulations 2015. These Regulations also set out that a local government body that ceases to exist is automatically removed from the scheme.

If for any reason there is any uncertainty that reorganisations will take place or meet the current timetable, we would suggest that the current eligible bodies confirm their acceptance to opt in to avoid the requirement to have to make local arrangements should the reorganisation be delayed.

### **Next Steps**

We expect to formally commence the procurement of audit services in early February 2022. At that time our procurement documentation will be available for opted-in bodies to view through our e-tendering platform.

Our recent webinars to support our consultation proved to be popular, and we will be running a series of webinars covering specific areas of our work and our progress to prepare for the second appointing period. Details can be found on [our website](#) and in [the scheme prospectus](#).
