3.2	Have you consulted or involved those groups that are likely to be affected by the policy or decision you want to implement? If so, what were their views and how have their views influenced your decision? Young people are consulted with at the biannual Epping Forest Youth Conference and the concerns highlighted are what becomes the focus for Youth Council projects. Youth Councillors consult with their peers within their schools. Consultation is undertaken with other Youth providers to ensure synergy and shared information.
3.3	If you have not consulted or engaged with communities that are likely to be affected by the policy or decision, give details about when you intend to carry out consultation or provide reasons for why you feel this is not necessary: N/A
