

**Application Ref:** EPF/1323/22  
**Application Type:** Full planning permission  
**Case Officer:** Caroline Brown  
**Site Address:** Coopersale Hall Farm, Unit 10, Fluxs Lane, Epping, CM16 7PE  
**Proposal:** Conversion of existing ancillary building to dwelling with associated amenity space and parking for use by site manager. (Revised application to EPF/3076/20).  
**Ward:** Epping Hemnall  
**Parish:** Epping  
**View Plans:** <https://eppingforestdcpr.force.com/pr/s/planning-application/a0h8d000000O1Ki>  
**Decision:** Refuse

**Refusal Reason(s):** (3)

- 1 The previous reasons for refusal have not been fully addressed and the development would result in the unacceptable loss of employment floorspace within a designated employment site. Sufficient robust evidence has not been advanced that clearly and reasonably demonstrates the need for a dwellinghouse to accommodate a site manager/employees that would outweigh this harm. The principle of residential is also deemed inappropriate out of context and contrary to policy CP1, CP2, CP9, ST1 and E1 of the adopted Local Plan & Alterations (1998-2006), and E1, SP1, SP2 of the Submission Version, 2017 and the National Planning Policy Framework, 2021
- 2 The proposed dwellinghouse by reason of its design and siting would result in n overlooking and a loss of privacy to the adjoining occupiers and an unsatisfactory form of accommodation to the future occupiers of the development. Such substantial harm to the living conditions of the adjoining properties is contrary to policy DBE9 of the adopted Local Plan and Alterations (1998-2006) and policy DM9 and DM10 of the Submission Version, 2017 and with the core objective of the National Planning Policy Framework to secure a good standard of amenity for all existing and future occupiers
- 3 In the absence of a completed Section 106 planning obligation the proposed development fails to mitigate against the adverse impact that it will have on the Epping Forest Special Area for Conservation in terms of air pollution. Failure to secure such mitigation is contrary to policies CP1 and CP6 of the adopted Local Plan 1998 & 2006, Policies DM2 and DM22 of the Local Plan Submission Version 2017, Paragraph 180 of the NPPF 2021, and the requirements of the Habitats Regulations 2017.
