## **Recommendations/Decisions Required:**

**To note the attached Epping Forest Community Safety Partnership Annual Strategic Assessment, Annual Report and Partnership Plan on a Page.**

## **Report:**

Community Safety Partnerships are required to complete an annual Strategic Assessment which is used to direct and guide their activities, under the requirements as responsible authorities, of the Crime and Disorder Act 1998.

A strategic assessment should include

- an analysis of the levels and patterns of crime and disorder and substance misuse in the area.
- an analysis of the changes in those levels and patterns since the previous strategic assessment.
- an analysis of why those changes have occurred.
- the matters which the responsible authorities should prioritise when each are exercising their functions to reduce crime and disorder and to combat substance misuse in the area.
- the matters which the persons living and working in the area consider the responsible authorities should prioritise when each are exercising their functions to reduce crime and disorder and to combat substance misuse in the area.
- an assessment of the extent to which the partnership plan for the previous year has been implemented.

The CSP has produced an Annual Report which is available for consideration.

The CSP Plan on a Page provides information at a glance on the planned delivery of Epping Forest CSP going forward.
