Please complete the form below to request consideration of your issue by the Overview and Scrutiny Committee

Proposers Name: Jon Whitehouse	Date of Request 9 April 2008
Supporting Councillors (if any): Ann Haigh, Janet Whitehouse and Roland Frankel	
Summary of Issue you wish to be scrutinised: Review of planning application decisions (to inform the preparation of the local development framework and also to help development control decision-making) Although we receive reports on the council's performance at appeal I can't ever remember any group of councillors evaluate whether issues raised as concerns during the application process were problems in reality or whether the right assessments were made in terms of design, traffic, massing etc. A small task and finish group, incorporating representatives from each area planning committee could look at a set of schemes which were controversial at application stage (e.g. refused and agreed at appeal, or agreed with reluctance) to see whether we can learn lessons for the future. This should involve site visits.	
NOTE: ENTRIES BELOW RELATE TO ISSUE CATEGORIES OF THE PICK PROCESS. PLEASE REFER TO THE EXPLANATORY NOTES TO THIS FORM FOR FURTHER INFORMATION
