<b>DESCRIPTION OF PROPOSAL:</b>	Change of use to Class B2 Business Use for occupation by Steel Fabrication Business.
<b>DECISION:</b>	Granted Permission (With Conditions)

**CONDITIONS**

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 The rating level of noise (as defined by BS4142:1997) emitted from equipment on the site shall not exceed 5dB(A) above the prevailing background noise level. The measurement position and assessment shall be made according to BS4142:1997.
- 3 Before the permitted use commences, the developer shall submit in writing to the Local Planning Authority, measures to ensure that the predicted noise levels in the neighbouring commercial units do not exceed an LAeq of 50dBA. These measures shall be carried out, and assessed in accordance with BS9233 (1999): Sound insulation and noise reduction for buildings - code of practice. Should it be found that this level is not achieved, the use shall not commence until it has been achieved. The noise level shall thereafter be adhered to throughout the hereby permitted use.
- 4 No work using equipment used for working the steel that is likely to generate noise shall take place outside the building. All work shall be carried out within the building with doors and windows closed.
- 5 No deliveries shall be taken at or despatched from the southern part of the site outside the hours of 07.30 - 19.00 Monday to Friday and 08.00 - 14.00 Saturday nor at any time on Sundays, Bank or Public Holidays.
- 6 Before the use commences a noise barrier shall be constructed along the southern boundary of the site to a height and specification to be agreed in writing by the Local Planning Authority.

- 7 Prior to the premises being brought into use for the purpose hereby permitted, a scheme providing for the adequate storage of refuse from this use shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall be carried out and thereafter retained at all times.
- 8 No refuse collection shall be carried out from the site outside the following times: 07.30 - 18.30 hours Monday to Friday, 08.00 - 13.00 hours Saturday, nor at any time on Sundays, Bank Holidays or Public Holidays.

<b>DESCRIPTION OF PROPOSAL:</b>	New detached double garage block and space for an Eco Friendly Biomass boiler.
<b>DECISION:</b>	Refused Permission

**REASONS FOR REFUSAL**

- 1 The proposed outbuilding, by reason of its size and bulk, detracts from the open character of the Green Belt and is thus contrary to national and local policies, including policies GB2A and GB14A of the adopted Local Plan and Alterations.

<b>APPLICATION No:</b>	EPF/0399/08
<b>SITE ADDRESS:</b>	44 Epping Road Ongar Essex CM5 9SQ
<b>PARISH:</b>	Stanford Rivers
<b>WARD:</b>	Passingford
<b>DESCRIPTION OF PROPOSAL:</b>	First floor rear extensions, single storey rear extension, front porch and alterations to roof with enlarged front and rear dormer windows. (Revised application)
<b>DECISION:</b>	Granted Permission (with conditions)

The committee were persuaded that the size of the additions were acceptable because of the location in a built-up enclave and that the design was not out of character in a road of varying dwelling types.

**CONDITIONS**

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 Details of the types and colours of the external finishes shall be submitted for approval by the Local Planning Authority in writing prior to the commencement of the development, and the development shall be implemented in accordance with such approved details.

<b>WARD:</b>	Theydon Bois
<b>DESCRIPTION OF PROPOSAL:</b>	Erection of detached house and garages (revised application).
<b>DECISION:</b>	Granted Permission (With Conditions)

The committee's attention was drawn to further comments from the Parish Council and from the Theydon Bois Rural Preservation Society.

**CONDITIONS**

- 1 Prior to first occupation of the building hereby approved the proposed window openings in the first floor side elevations shall be fitted with obscured glass and have fixed frames up to a height of 1.7 metres above floor level, and shall be permanently retained in that condition.
- 2 Notwithstanding the provision of the Town and Country Planning General Permitted Development Order 1995 (or of any equivalent provisions of any Statutory Instrument revoking or re-enacting the Order) no windows other than any shown on the approved plan shall be formed at any time in the flank walls of the development hereby permitted without the prior written approval of the Local Planning Authority.
- 3 Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any other order revoking, further amending or re-enacting that order) no development generally permitted by virtue of Part 1, Class A and B shall be undertaken without the prior written permission of the Local Planning Authority.
- 4 Prior to the first occupation of the development hereby approved, planting and landscaping shall be implemented in accordance with the approved plan reference NewThey/L1RevE unless otherwise agreed in writing by the local planning authority.
- 5 Prior to the landscaping required in condition 4, a statement of the methods of its implementation shall be submitted to the Local Planning Authority and approved in writing. The approved scheme shall be implemented within the first planting season following the completion of the development hereby approved.

The statement must include details of all the means by which successful establishment of the scheme will be ensured, including preparation of the planting area, planting methods, watering, weeding, mulching, use of stakes and ties, plant protection and aftercare. It must also include details of the supervision of the

planting and liaison with the Local Planning Authority.

The landscaping must be carried out in accordance with the agreed scheme and statement, unless the Local Planning Authority has given its prior written consent to any variation.

The fencing, or other protection which is part of the approved Statement shall not be moved or removed, temporarily or otherwise, until all works, including external works have been completed and all equipment, machinery and surplus materials removed from the site.

The Arboricultural Method Statement shall indicate the specification and timetable of any tree works, which shall be in accordance with the British Standard Recommendations for Tree Works (BS.3998: 1989).

The Arboricultural Method Statement shall include a scheme for the inspection and supervision of the tree protection measures. The scheme shall be appropriate to the scale and duration of the works and may include details of personnel induction and awareness of arboricultural matters; identification of individual responsibilities and key personnel; a statement of delegated powers; frequency, dates and times of inspections and reporting, and procedures for dealing with variations and incidents. The scheme of inspection and supervision shall be administered by a suitable person, approved by the Local Planning Authority but instructed by the applicant.

- 6 No tree, shrub, or hedge which are shown as being retained on the approved plans shall be cut down, uprooted, wilfully damaged or destroyed, cut back in any way or removed other than in accordance with the approved plans and particulars, without the written approval of the Local Planning Authority. All tree works approved shall be carried out in accordance with British Standard Recommendations for Tree Work (B.S.3998: 1989).

If any tree shown to be retained in accordance with the approved plans and particulars is removed, uprooted or destroyed, or dies, or becomes severely damaged or diseased within 3 years of the completion of the development, another tree, shrub, or hedge shall be planted at the same place, and that tree, shrub, or hedge shall be of such size, specification, and species, and should be planted at such time as may be specified in writing by the Local Planning Authority.

If within a period of five years from the date of planting any replacement tree is removed, uprooted or destroyed, or dies or becomes seriously damaged or defective another tree of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.

- 7 Prior to occupation of the dwelling a 1.5 metre x 1.5 metre pedestrian visibility sight splay as measured from the highway boundary, shall be provided on both sides of the vehicular access. There shall be no obstruction above a height of 600mm as measured from the finished surface of the access within the visibility sight splays thereafter.
- 8 No unbound material shall be used in the surface finish of the driveway within 6 metres of the highway boundary of the site.

- 9 Any gates provided at the vehicle access shall only open inwards and shall be set back a minimum of 4.8 metres from the nearside edge of the carriageway.
- 10 Prior to occupation of the development hereby permitted, the existing crossover shall be removed and the footpath resurfaced and kerb reinstated for use as approved in writing by the Local Planning Authority.
- 11 Immediately, when the new access is used, the existing access shall be permanently closed in accordance with details which shall have been previously submitted to and approved in writing by the Local Planning Authority.
- 12 The access shall be laid at a gradient not exceeding 4% for the first 6 metres from the highway boundary and not exceeding 8% thereafter.
- 13 Prior to occupation of the development details shall be approved in writing by the Local Planning Authority showing the means to prevent the discharge of surface water from the development onto the highway. The approved scheme shall be carried out in its entirety before the access is first used and shall be retained at all times.
