<b>SITE ADDRESS:</b>	12-30, Church Hill Loughton Essex IG10 1LA
<b>PARISH:</b>	Loughton
<b>WARD:</b>	Loughton St Johns
<b>DESCRIPTION OF PROPOSAL:</b>	Demolition of existing buildings and erection of three linked blocks of three storeys with accommodation at roof level. The development comprises 24 apartments, 3 retail units and 27 car parking spaces, cycles parking and amenity area. (Revised application)
<b>DECISION:</b>	Refuse Permission

**REASONS FOR REFUSAL**

- 1 The building, by virtue of its height, bulk and proximity to the street would be an overly dominant and overbearing addition to the street scene which would fail to complement the surrounding buildings, contrary to policies DBE1, CP2 and CP7 of the adopted Local Plan and Alterations.
- 2 The proposed rear balconies would result in a material loss of privacy to the occupiers of neighbouring residential properties in Queens Road, contrary to policies DBE2 and DBE9 of the adopted Local Plan and Alterations.

<b>WARD:</b>	Loughton Forest
<b>DESCRIPTION OF PROPOSAL:</b>	Change of use from A1 (shop) to A5 (hot food take-away).
<b>DECISION:</b>	Refuse permission

**REASONS FOR REFUSAL**

- 1 The proposed use would cause a material increase in noise and disturbance to nearby residential properties, resulting in a detrimental loss of amenity, contrary to policies DBE2 and DBE9 of the adopted Local Plan and Alterations.
- 2 The proposed use would exacerbate existing problems of crime and antisocial behaviour within the area, which is subject to a Dispersal Order held by the Safer Communities Partnership. This would be contrary to policy CP6 of the adopted Local Plan and Alterations, which seeks to improve the quality of life in urban areas, making them more attractive places to live. Furthermore, the change of use would fail to create a safe and accessible environment where crime and disorder does not undermine quality of life, contrary to Central Government advice contained within PPS1.
- 3 The proposed change of use would result in harm to the vitality and viability of the Town Centre due to the loss of an A1 retail use. The vitality and viability of the Town Centre is presently threatened by the high percentage of non-retail uses within the key retail frontage. Accordingly, the use would be contrary to policy TC3 of the adopted Local Plan and Alterations.
