<b>SITE ADDRESS:</b>	Farmhouse Gravel Lane Chigwell Essex IG7 6DQ
<b>PARISH:</b>	Chigwell
<b>WARD:</b>	Chigwell Village
<b>DESCRIPTION OF PROPOSAL:</b>	Demolition of existing house and erection of replacement two storey four bedroom residential dwelling.
<b>DECISION:</b>	Grant Permission (With Conditions)

**CONDITIONS**

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 Details of the types and colours of the external finishes shall be submitted for approval by the Local Planning Authority in writing prior to the commencement of the development, and the development shall be implemented in accordance with such approved details.
- 3 Notwithstanding the provision of the Town and Country Planning General Permitted Development Order 1995 (or of any equivalent provisions of any Statutory Instrument revoking or re-enacting the Order) no windows other than any shown on the approved plan shall be formed at any time in the first floor flank walls of the development hereby permitted without the prior written approval of the Local Planning Authority.
- 4 Wheel washing or other cleaning facilities for vehicles leaving the site during construction works shall be installed in accordance with details which shall be submitted to and agreed in writing by the Local Planning Authority and these facilities installed prior to the commencement of any building works on site, and shall be used to clean vehicles leaving the site.
- 5 Prior to the commencement of development details of screen walls, fences or such similar structures shall be agreed in writing by the Local Planning Authority, and shall be erected before the occupation of any of the dwellings hereby approved and maintained in the agreed positions.
- 6 Prior to first occupation of the building hereby approved the proposed window openings in the first floor flank walls shall be fitted with obscured glass and have fixed frames to a height of 1.7m above the internal floor level, and shall be permanently retained in that condition.
- 7 No tree, shrub, or hedge which are shown as being retained on the approved plans shall be cut down, uprooted, wilfully damaged or destroyed, cut back in any way or

removed other than in accordance with the approved plans and particulars, without the written approval of the Local Planning Authority. All tree works approved shall be carried out in accordance with British Standard Recommendations for Tree Work (B.S.3998: 1989).

If any tree shown to be retained in accordance with the approved plans and particulars is removed, uprooted or destroyed, or dies, or becomes severely damaged or diseased within 3 years of the completion of the development, another tree, shrub, or hedge shall be planted at the same place, and that tree, shrub, or hedge shall be of such size, specification, and species, and should be planted at such time as may be specified in writing by the Local Planning Authority.

If within a period of five years from the date of planting any replacement tree is removed, uprooted or destroyed, or dies or becomes seriously damaged or defective another tree of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.

8 Prior to the commencement of the development details of the proposed surface materials for the driveway shall be submitted to and approved in writing by the Local Planning Authority. The agreed surface treatment shall be completed prior to the first occupation of the development.

9 Prior to commencement of development, including demolition or site clearance works, a phased contaminated land investigation shall be undertaken to assess the presence of contaminants at the site in accordance with an agreed protocol as below. Should any contaminants be found in unacceptable concentrations, appropriate remediation works shall be carried out and a scheme for any necessary maintenance works adopted.

Prior to carrying out a phase 1 preliminary investigation, a protocol for the investigation shall be agreed in writing with the Local Planning Authority and the completed phase 1 investigation shall be submitted to the Local Planning Authority upon completion for approval.

Should a phase 2 main site investigation and risk assessment be necessary, a protocol for this investigation shall be submitted to and approved by the Local Planning Authority before commencing the study and the completed phase 2 investigation with remediation proposals shall be submitted to and approved by the Local Planning Authority prior to any remediation works being carried out.

Following remediation, a completion report and any necessary maintenance programme shall be submitted to the Local Planning Authority for approval prior to first occupation of the completed development.

10 All material excavated from the below ground works hereby approved shall be removed from the site unless otherwise agreed in writing by the Local Planning Authority.

- 11 Prior to commencement of development, details of levels shall be submitted to and approved by the Local Planning Authority showing the levels of the site prior to development and the proposed levels of all ground floor slabs of buildings, roadways and accessways and landscaped areas. The development shall be carried out in accordance with those approved details.
- 12 Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 (or of any equivalent provisions of any Statutory Instrument revoking or re-enacting the Order) no development generally permitted by virtue of Part 1, Classes A and B shall be undertaken without the prior written permission of the Local Planning Authority.
- 13 The development, including site clearance, must not commence until a tree protection plan, to include all the relevant details of tree protection has been submitted to the Local Planning Authority and approved in writing.

The statement must include a plan showing the area to be protected and fencing in accordance with the relevant British Standard (Trees in Relation to Construction-Recommendations; BS.5837:2005). It must also specify any other means needed to ensure that all of the trees to be retained will not be harmed during the development, including by damage to their root system, directly or indirectly.

The statement must explain how the protection will be implemented, including responsibility for site supervision, control and liaison with the LPA.

The trees must be protected in accordance with the agreed statement throughout the period of development, unless the Local Planning Authority has given its prior written consent to any variation.

- 14 No development shall take place until a Sustainability Report to achieve at least Level 3\* of the Code for Sustainable Homes has been submitted to be approved in writing by the Local Planning Authority. The house shall not be occupied until it has been issued with a final Code certificate of compliance.

<b>DESCRIPTION OF PROPOSAL:</b>	Demolition of existing and erection of new five bedroom house with accommodation at basement level.
<b>DECISION:</b>	Grant Permission (With Conditions)

**CONDITIONS**

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 Details of the types and colours of the external finishes shall be submitted for approval by the Local Planning Authority in writing prior to the commencement of the development, and the development shall be implemented in accordance with such approved details.
- 3 Prior to first occupation of the building hereby approved the proposed window openings in first floor side elevations shall be fitted with obscured glass and have fixed frames up to a height of 1.7 metres above the finished floor level, and shall be permanently retained in that condition.
- 4 Notwithstanding the provision of the Town and Country Planning General Permitted Development Order 1995 (or of any equivalent provisions of any Statutory Instrument revoking or re-enacting the Order) no windows other than any shown on the approved plan shall be formed at any time in the flank elevations of the development hereby permitted without the prior written approval of the Local Planning Authority.
- 5 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any other order revoking, further amending or re-enacting that order) no development generally permitted by virtue of Part 1, Classes A and B shall be undertaken without the prior written permission of the Local Planning Authority.
- 6 All construction/demolition works and ancillary operations which are audible at the boundary of noise sensitive premises, shall only take place between the hours of 07.30 to 18.30 Monday to Friday and 08.00 to 13.00 hours on Saturday, and at no time during Sundays and Public/Bank Holidays unless otherwise agreed in writing by the Local Planning Authority.

7 All material excavated from the below ground works hereby approved shall be removed from the site unless otherwise agreed in writing by the Local Planning Authority.

8 The development, including site clearance, must not commence until a scheme of landscaping and a statement of the methods of its implementation have been submitted to the Local Planning Authority and approved in writing. The approved scheme shall be implemented within the first planting season following the completion of the development hereby approved.

The scheme must include details of the proposed planting including a plan, details of species, stock sizes and numbers/densities where appropriate, and include a timetable for its implementation. If any plant dies, becomes diseased or fails to thrive within a period of 5 years from the date of planting, or is removed, uprooted or destroyed, it must be replaced by another plant of the same kind and size and at the same place, unless the Local Planning Authority agrees to a variation beforehand, and in writing.

The statement must include details of all the means by which successful establishment of the scheme will be ensured, including preparation of the planting area, planting methods, watering, weeding, mulching, use of stakes and ties, plant protection and aftercare. It must also include details of the supervision of the planting and liaison with the Local Planning Authority.

The landscaping must be carried out in accordance with the agreed scheme and statement, unless the Local Planning Authority has given its prior written consent to any variation.

9 Prior to the first occupation of the dwelling hereby approved, a screen shall be erected to the side of the rear balcony, as shown on the approved plans. A screen of the same height shall be retained in this position thereafter.

10 Prior to commencement of development, details of levels shall be submitted to and approved by the Local Planning Authority showing the levels of the site prior to development and the proposed levels of all ground floor slabs of buildings, roadways and accessways and landscaped areas. The development shall be carried out in accordance with those approved details.

11 Prior to the commencement of the development details of the proposed surface materials for the front garden areas of hardsurfacing shall be submitted to and approved in writing by the Local Planning Authority. The agreed surface treatment shall be completed prior to the first occupation of the development.

12 No development shall take place until a Sustainability Report to achieve at least Level 3\* of the Code for Sustainable Homes has been submitted to be approved in writing by the Local Planning Authority. The house shall not be occupied until it has been issued with a final Code certificate of compliance.

<b>APPLICATION No:</b>	EPF/1411/08
<b>SITE ADDRESS:</b>	2C Goldings Road Loughton Essex IG10 2QN
<b>PARISH:</b>	Loughton
<b>WARD:</b>	Loughton St Johns
<b>DESCRIPTION OF PROPOSAL:</b>	Replace existing garage and rear extension with two storey side extension and loft conversion with rear dormer to provide 1 no. one bedroom flat and 1 no. two bedroom flat.
<b>DECISION:</b>	Refused Permission

**REASONS FOR REFUSAL**

- 1 The proposal would result in an over-intensive use of the site that would be out of keeping with the predominant character of the surrounding area, setting an undesirable precedent for sub-division of properties into flats in this road, and result in loss of amenity to the occupants of neighbouring residential properties. The proposal would therefore be contrary to policies DBE9 and DBE11 of the Adopted Local Plan and Alterations.
