Report Item No: 3

APPLICATION No:	EPF/0073/09
SITE ADDRESS:	Land to rear 40-62 Hoe Lane Abridge Lambourne Essex RM4 1AU
PARISH:	Lambourne
WARD:	Lambourne
DESCRIPTION OF PROPOSAL:	Proposed erection of cattle shelters.
DECISION:	Refuse Permission

REASON FOR REFUSAL

- 1 The proposed building is not demonstrably necessary for the purposes of agriculture on that land and would be harmful to the appearance and character of the locality. As such, it is inappropriate development in the Metropolitan Green Belt. No very special circumstances sufficient to outweigh the harm that would be caused exist. Accordingly, the proposed development is contrary to policies CP2, GB2A, GB7A, GB11 and LL2 of the Epping Forest District Local Plan and Alterations.

Report Item No: 5

APPLICATION No:	EPF/2410/08
SITE ADDRESS:	Wayletts 28 London Road Stanford Rivers Ongar Essex CM5 9QB
PARISH:	Stanford Rivers
WARD:	Passingford
DESCRIPTION OF PROPOSAL:	Erection of new outbuilding into annexe accommodation with link extension.
DECISION:	Grant Permission Subject to Section 106 agreement

Resolved that planning permission be granted subject to the completion of an agreement under s106 of the Town and Country Planning Act 1990 requiring the building not be severed or sold separately from the remainder of the site and, on occupation of the dwellinghouse approved under planning permission EPF/1163/08 or any other dwellinghouse subsequently given planning permission to be erected in replacement of the demolished original house, to only be used as ancillary accommodation to that new house.

CONDITIONS

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 Details of the types and colours of the external finishes shall be submitted for approval by the Local Planning Authority in writing prior to the commencement of the development, and the development shall be implemented in accordance with such approved details.
- 3 The outbuilding shall not be severed or sold separately from the remainder of the site and, on occupation of either the dwellinghouse approved under planning permission EPF/1163/08 or any other dwellinghouse subsequently given planning permission to be erected in replacement of the demolished original house known as Wayletts, shall only be used as ancillary accommodation to that new house.
- 4 Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any other order revoking, further amending or re-enacting that order) no development generally permitted by virtue of Part 2, Class A - E shall be undertaken without the prior written permission of the Local Planning Authority.
- 5 No tree, shrub, or hedge which are shown as being retained on the approved plans shall be cut down, uprooted, wilfully damaged or destroyed, cut back in any way or removed other than in accordance with the approved plans and particulars, without

the written approval of the Local Planning Authority. All tree works approved shall be carried out in accordance with British Standard Recommendations for Tree Work (B.S.3998: 1989).

If any tree shown to be retained in accordance with the approved plans and particulars is removed, uprooted or destroyed, or dies, or becomes severely damaged or diseased within 3 years of the completion of the development, another tree, shrub, or hedge shall be planted at the same place, and that tree, shrub, or hedge shall be of such size, specification, and species, and should be planted at such time as may be specified in writing by the Local Planning Authority.

If within a period of five years from the date of planting any replacement tree is removed, uprooted or destroyed, or dies or becomes seriously damaged or defective another tree of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.

- 6 Prior to commencement of development, including demolition or site clearance works, a phased contaminated land investigation shall be undertaken to assess the presence of contaminants at the site in accordance with an agreed protocol as below. Should any contaminants be found in unacceptable concentrations, appropriate remediation works shall be carried out and a scheme for any necessary maintenance works adopted.

Prior to carrying out a phase 1 preliminary investigation, a protocol for the investigation shall be agreed in writing with the Local Planning Authority and the completed phase 1 investigation shall be submitted to the Local Planning Authority upon completion for approval.

Should a phase 2 main site investigation and risk assessment be necessary, a protocol for this investigation shall be submitted to and approved by the Local Planning Authority before commencing the study and the completed phase 2 investigation with remediation proposals shall be submitted to and approved by the Local Planning Authority prior to any remediation works being carried out.

Following remediation, a completion report and any necessary maintenance programme shall be submitted to the Local Planning Authority for approval prior to first occupation of the completed development.
