<b>DESCRIPTION OF PROPOSAL:</b>	New shop front, customer parking and modifications to jet wash facility including plant room, refuse enclosure. (Revised application)
<b>DECISION:</b>	Grant Permission (With Conditions)

**CONDITIONS**

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 Details of the types and colours of the external finishes of the jet wash structure shall be submitted for approval by the Local Planning Authority in writing prior to the commencement of the development, and the development shall be implemented in accordance with such approved details.
- 3 The car wash hereby permitted shall not be open to customers outside the hours of 08.30 to 19.30 on Mondays to Fridays and 09.00 to 17.00 hours on Saturdays and not at all on Sundays or public holidays.
- 4 Waste, foul and surface water shall be discharged into an appropriate foul water system, the details of which shall have been agreed in writing by the Local Planning Authority within three months of the date of this notice. The agreed details shall be implemented within three months of approval and be retained permanently thereafter.
- 5 The external public seating area hereby permitted shall not be open to customers outside the hours of 08.00 to 22:00 on Mondays to Fridays and 09.00 to 21:00 hours on Saturdays, Sundays and public holidays.
- 6 No tree, shrub, or hedge which are shown as being retained on the approved plans shall be cut down, uprooted, wilfully damaged or destroyed, cut back in any way or removed other than in accordance with the approved plans and particulars, without the written approval of the Local Planning Authority. All tree works approved shall be carried out in accordance with British Standard Recommendations for Tree Work (B.S.3998: 1989).

If any tree shown to be retained in accordance with the approved plans and

particulars is removed, uprooted or destroyed, or dies, or becomes severely damaged or diseased within 3 years of the completion of the development, another tree, shrub, or hedge shall be planted at the same place, and that tree, shrub, or hedge shall be of such size, specification, and species, and should be planted at such time as may be specified in writing by the Local Planning Authority.

If within a period of five years from the date of planting any replacement tree is removed, uprooted or destroyed, or dies or becomes seriously damaged or defective another tree of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.

- 7 Prior to the commencement of the development details of the proposed surface materials for the forecourt shall be submitted to and approved in writing by the Local Planning Authority. The agreed surface treatment shall be completed prior to the first occupation of the development.
- 8 A flood risk assessment shall be submitted to and approved by the Local Planning Authority prior to commencement of development. The assessment shall include calculations of increased run-off and associated volume of storm detention using Windes or other similar programme. The approved measures shall be undertaken prior to the first occupation of the building hereby approved and shall be adequately maintained in accordance with a management plan to be submitted concurrently with the assessment.
- 9 Prior to commencement of development, including demolition or site clearance works, a phased contaminated land investigation shall be undertaken to assess the presence of contaminants at the site in accordance with an agreed protocol as below. Should any contaminants be found in unacceptable concentrations, appropriate remediation works shall be carried out and a scheme for any necessary maintenance works adopted.

Prior to carrying out a phase 1 preliminary investigation, a protocol for the investigation shall be agreed in writing with the Local Planning Authority and the completed phase 1 investigation shall be submitted to the Local Planning Authority upon completion for approval.

Should a phase 2 main site investigation and risk assessment be necessary, a protocol for this investigation shall be submitted to and approved by the Local Planning Authority before commencing the study and the completed phase 2 investigation with remediation proposals shall be submitted to and approved by the Local Planning Authority prior to any remediation works being carried out.

Following remediation, a completion report and any necessary maintenance programme shall be submitted to the Local Planning Authority for approval prior to first occupation of the completed development.

- 10 The parking area shown on the approved plan shall be retained free of obstruction for the parking of visitors vehicles.

<b>PARISH:</b>	North Weald Bassett
<b>WARD:</b>	North Weald Bassett
<b>DESCRIPTION OF PROPOSAL:</b>	Erection of single attached dwelling and ancillary works.
<b>DECISION:</b>	Refuse Permission

**REASONS FOR REFUSAL**

- 1 The design, size, siting and bulk of the proposed scheme are such that it would represent a poor, cramped form of development which fails to respect its setting and harms the character and appearance of the street scene and area more widely.

<b>DESCRIPTION OF PROPOSAL:</b>	Removal of planning condition 2 'obscure glass fixed frames to front windows' on EPF/1972/08 for loft conversion with dormer windows to front and rear.
<b>DECISION:</b>	Refuse Permission

**REASONS FOR REFUSAL**

- 1 The removal of the condition would allow the use of clear glass in the dormer windows and/or the use of windows that are fully operable. That would result in excessive overlooking of Hill House from 1 Aukingford Green to the detriment of the amenities of the occupants of Hill House. Therefore, the proposal is contrary to the requirements of policy DBE9 of the Adopted Local Plan and Alterations.

<b>DESCRIPTION OF PROPOSAL:</b>	Demolition of existing utilitarian farm buildings, erection of new farm buildings, relocation of listed granary, extension to listed house.
<b>DECISION:</b>	Deferred

A decision on this application was deferred to allow for further information on the need for condition 4 to be presented to the Committee.

**CONDITIONS**

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 Details of the types and colours of the external finishes shall be submitted for approval by the Local Planning Authority in writing prior to the commencement of the development, and the development shall be implemented in accordance with such approved details.
- 3 The development, including site clearance, must not commence until a scheme of landscaping and a statement of the methods of its implementation have been submitted to the Local Planning Authority and approved in writing. The approved scheme shall be implemented within the first planting season following the completion of the development hereby approved.

The scheme must include details of the proposed planting including a plan, details of species, stock sizes and numbers/densities where appropriate, and include a timetable for its implementation. If any plant dies, becomes diseased or fails to thrive within a period of 5 years from the date of planting, or is removed, uprooted or destroyed, it must be replaced by another plant of the same kind and size and at the same place, unless the Local Planning Authority agrees to a variation beforehand, and in writing.

The statement must include details of all the means by which successful establishment of the scheme will be ensured, including preparation of the planting area, planting methods, watering, weeding, mulching, use of stakes and ties, plant

protection and aftercare. It must also include details of the supervision of the planting and liaison with the Local Planning Authority.

The landscaping must be carried out in accordance with the agreed scheme and statement, unless the Local Planning Authority has given its prior written consent to any variation.

- 4 Prior to commencement of development, including demolition or site clearance works, a phased contaminated land investigation shall be undertaken to assess the presence of contaminants at the site in accordance with an agreed protocol as below. Should any contaminants be found in unacceptable concentrations, appropriate remediation works shall be carried out and a scheme for any necessary maintenance works adopted.

Prior to carrying out a phase 1 preliminary investigation, a protocol for the investigation shall be agreed in writing with the Local Planning Authority and the completed phase 1 investigation shall be submitted to the Local Planning Authority upon completion for approval.

Should a phase 2 main site investigation and risk assessment be necessary, a protocol for this investigation shall be submitted to and approved by the Local Planning Authority before commencing the study and the completed phase 2 investigation with remediation proposals shall be submitted to and approved by the Local Planning Authority prior to any remediation works being carried out.

Following remediation, a completion report and any necessary maintenance programme shall be submitted to the Local Planning Authority for approval prior to first occupation of the completed development.

- 5 Prior to commencement of development on the house extension, full details of window and door details, materials and surface finishes for walls and roof are to be submitted to and approved in writing by the Local Planning Authority. The development is to proceed in accordance with the approved details unless otherwise agreed in writing by the Local Planning Authority.
- 6 Prior to commencement of development, full details of the proposed foul drainage and surface water drainage are to be submitted to and approved in writing by the Local Planning Authority. The development is to proceed in accordance with the approved details unless otherwise agreed in writing by the Local Planning Authority.
- 7 Prior to commencement of works to demolish the barns, a Bat Survey is to be undertaken by a suitably competent person and a report submitted to and approved in writing by the Local Planning Authority.
- 8 Prior to commencement of works to demolish and resite the granary building, the existing granary building is to be recorded in drawings and photographs to be submitted to and approved in writing by the Local Planning Authority. The works are to be undertaken in accordance with the approved records and using the existing materials, unless otherwise agreed in writing with the Local Planning Authority.
- 9 No demolition/conversion or preliminary groundworks of any kind shall take place until the applicant has secured the implementation of a programme of archaeological work in accordance with a written scheme of investigation which has been previously submitted by the applicant and approved by the Local Planning Authority.

- 10 The barns shown to be demolished on the approved plan number 2, shall be demolished and all resulting material and hardstanding shall be removed from the site within 28 days of the substantial completion of barn A or within 12 months of commencement of development, whichever is the sooner.

<b>APPLICATION No:</b>	EPF/2439/08
<b>SITE ADDRESS:</b>	Land off Abridge Road (ex Old Forrester Club) Theydon Bois Essex CM16 7NN
<b>PARISH:</b>	Theydon Bois
<b>WARD:</b>	Theydon Bois
<b>DESCRIPTION OF PROPOSAL:</b>	Provision of commuter car park on land off Abridge Road, Theydon Bois.
<b>DECISION:</b>	Refuse Permission

**REASONS FOR REFUSAL**

- 1 The site is within the Metropolitan Green Belt. The proposed works represent inappropriate development and are therefore at odds with Government advice, as expressed in PPG2, the policies of the adopted Local Plan and Alterations and the East of England Plan. The latter state that within the Green Belt permission will not be given, except in very special circumstances for the construction of new buildings or for the change of use or extension to existing buildings except for the purposes of agriculture, mineral extraction or forestry, small scale facilities for outdoor participatory sport and recreation, cemeteries, or similar uses which are open in character.

In the view of the Local Planning Authority the proposed development does not comply with these policies as the applicant has not proved to the Council's satisfaction that very special circumstances exist which would outweigh the harm to the Green Belt from the construction of this commuter car park; specifically, the need for this land use has not been proved and in any event the scheme would cause unacceptable harm to the character and appearance of the Green Belt contrary to policies GB2A and GB7A of the Adopted Local Plan and Alterations.

- 2 The proposed development due to the use for the open parking of vehicles, the siting, design and lighting would have a significant adverse impact on the visual amenity, landscape and rural character of the area contrary to policies CP2, DEB1, DBE4, LL2 and LL3 of the Adopted Local Plans and Alterations

- 3 As far as can be determined from the proposed site plan 4184\_206C contained within the Transport Assessment Report produced by Savell, Bird and Axon, the applicant does not appear to control sufficient land to connect the application site to public highway. Moreover, the applicant has not demonstrated to the satisfaction of the Highway Authority that the proposed access arrangements and impact on the network are acceptable in terms of highway safety, capacity and accessibility. Consequently, the proposed development is contrary to the requirements of the Adopted Local Plan and Alterations policies ST2 and ST4.
  
- 4 As far as can be determined from the submitted plans the applicant does not appear to have taken account of Public Footpath 4 Theydon Bois as recorded on the Definitive Map of Public Rights of Way. The proposal as submitted would obstruct public passage along the footpath with loss of amenity and enjoyment of the public right of way. Consequently, the proposed development is contrary to the requirements of the Adopted Local Plan and Alterations policy RST3.
