Report Item No: 3

APPLICATION No:	EPF/1637/08
SITE ADDRESS:	Youth Hostels Association Wellington Hill Waltham Abbey Essex IG10 4AG
PARISH:	Waltham Abbey
WARD:	Waltham Abbey High Beach
DESCRIPTION OF PROPOSAL:	Demolition of existing youth hostel and erection of new building for use as a wellness retreat, with associated landscaping. (Revised Application)
DECISION:	Refuse Permission

REASON FOR REFUSAL

- 1 New development should be located in places that encourage walking, cycling and the use of public transport. In rural areas, for developments which have transport implications, preference will be given to locations with access to regular public transport services. The proposed development is not located close to public transport services and relies heavily on vehicle movements to and from the site. Therefore the development is contrary to policy ST1 of the Adopted Local Plan and Alterations.
- 2 The proposed development would, by reason of inadequate on-site car parking provision, be likely to result in unacceptable overspill onto the adjoining roads detrimental to highway safety and residential amenity and contrary to policy ST4 and ST6 of the Adopted Local Plan and Alterations.
- 3 Insufficient evidence has been submitted to demonstrate that this building is not needed for any community facility and therefore the proposal is contrary to policy CF12A of the Adopted Local Plan and Alterations.
- 4 The site is within the Metropolitan Green Belt and is inappropriate development, by definition, harmful to the Green Belt. There are no very special circumstances sufficient to outweigh the harm and the proposal is therefore contrary to Government advice and policy GB2A of the Adopted Local Plan and Alterations.

PARISH:	Waltham Abbey
WARD:	Waltham Abbey South West
DESCRIPTION OF PROPOSAL:	Proposed construction of Wind Turbine.

- 1 The proposed wind turbine due to its height, modern appearance and siting would appear out of character and unsympathetic to the surrounding Royal Gunpowder Mills Conservation Area and would be detrimental to the setting of the nearby Grade II Listed Building contrary to policies HC6, HC7, HC12 and CP10 of the Adopted Local Plan and Alterations.
