Report Item No: 2

APPLICATION No:	EPF/0583/09
SITE ADDRESS:	Netherhouse Farm Sewardstone Road Waltham Abbey Essex E4 7RJ
PARISH:	Waltham Abbey
WARD:	Waltham Abbey High Beach
DESCRIPTION OF PROPOSAL:	Demolition of ancillary farm buildings and construction of 41 residential units with parking and associated landscaping. Restoration of listed barn to provide 160sqm (G.E.A) shop/community use. (Revised application)
DECISION:	Refuse Permission

REASONS FOR REFUSAL

- 1 The proposal represents inappropriate development within the Metropolitan Green Belt, which by definition is harmful to the openness and the objectives of including land within it. Furthermore the very special circumstances proposed are not considered sufficient to outweigh this harm. As such the development is contrary to Government guidance in PPG2 and policy GB2A of the adopted Local Plan and Alterations.
- 2 The proposed development involves the intensification of the use of the site and the existing access onto Sewardstone Road, which is a Radial Feeder road, the principle function of which is to carry traffic freely between major centres. This development is therefore contrary to policy ST4 of the adopted Local Plan and Alterations.
- 3 The proposed development is in an unsustainable location not well served by public transport or local services. As such the development would result in an increase in vehicle commuting contrary to policies CP1, CP3, CP6 and ST1 of the adopted Local Plan and Alterations.
