<b>APPLICATION No:</b>	EPF/1033/09
<b>SITE ADDRESS:</b>	1st Theydon Garnon Scout Group Brookfield Fluxs Lane Epping Essex CM16 7PE
<b>PARISH:</b>	Epping
<b>WARD:</b>	Epping Hemnall
<b>DESCRIPTION OF PROPOSAL:</b>	Replacement Scout and Community Hall.
<b>DECISION:</b>	Grant Permission (With Conditions)

**CONDITIONS**

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 Details of the types and colours of the external finishes shall be submitted for approval by the Local Planning Authority in writing prior to the commencement of the development, and the development shall be implemented in accordance with such approved details.
- 3 Wheel washing or other cleaning facilities for vehicles leaving the site during construction works shall be installed in accordance with details which shall be submitted to and agreed in writing by the Local Planning Authority and these facilities installed prior to the commencement of any building works on site, and shall be used to clean vehicles leaving the site.
- 4 No development shall take place on site, including site clearance, tree works, demolition, storage of materials or other preparatory work, until all details relevant to the retention and protection of trees, hereafter called the Arboricultural Method Statement, have been submitted to the Local Planning Authority and approved in writing. Thereafter the development, including the demolition of the existing Scout Hut shall be undertaken only in accordance with the approved details, unless the Local Planning Authority has given its prior written consent to any variation.

The Arboricultural Method Statement shall include a tree protection plan to show the areas designated for the protection of trees, shrubs and hedges, hereafter referred to as Protection Zones. Unless otherwise agreed, the Protection Zones will be fenced, in accordance with the British Standard Trees in Relation to Construction-Recommendations (BS.5837:2005) and no access will be permitted for any development or demolition operation.

The Arboricultural Method Statement shall include all other relevant details, such as changes of level, methods of demolition and construction, the materials, design and levels of roads, footpaths, parking areas and of foundations, walls and fences. It

shall also include the control of potentially harmful operations, such as burning, the storage, handling and mixing of materials, and the movement of people or machinery across the site, where these are within 10m of any designated Protection Zone.

- 4 The fencing, or other protection which is part of the approved Statement shall not be moved or removed, temporarily or otherwise, until all works, including external works and demolition of the existing Scout Hut have been completed and all equipment, machinery and surplus materials removed from the site.

The Arboricultural Method Statement shall indicate the specification and timetable of any tree works, which shall be in accordance with the British Standard Recommendations for Tree Works (BS.3998: 1989).

The Arboricultural Method Statement shall include a scheme for the inspection and supervision of the tree protection measures. The scheme shall be appropriate to the scale and duration of the works and may include details of personnel induction and awareness of arboricultural matters; identification of individual responsibilities and key personnel; a statement of delegated powers; frequency, dates and times of inspections and reporting, and procedures for dealing with variations and incidents. The scheme of inspection and supervision shall be administered by a suitable person, approved by the Local Planning Authority but instructed by the applicant.

- 5 No tree, shrub, or hedge which are shown as being retained on the approved plans shall be cut down, uprooted, wilfully damaged or destroyed, cut back in any way or removed other than in accordance with the approved plans and particulars, without the written approval of the Local Planning Authority. All tree works approved shall be carried out in accordance with British Standard Recommendations for Tree Work (B.S.3998: 1989).

If any tree shown to be retained in accordance with the approved plans and particulars is removed, uprooted or destroyed, or dies, or becomes severely damaged or diseased within 3 years of the completion of the development, another tree, shrub, or hedge shall be planted at the same place, and that tree, shrub, or hedge shall be of such size, specification, and species, and should be planted at such time as may be specified in writing by the Local Planning Authority.

If within a period of five years from the date of planting any replacement tree is removed, uprooted or destroyed, or dies or becomes seriously damaged or defective another tree of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.

- 6 No development shall take place, including site clearance or other preparatory work, until full details of both hard and soft landscape works (including tree planting) have been submitted to an approved in writing by the Local Planning Authority, and these works shall be carried out as approved. These details shall include, as appropriate, and in addition to details of existing features to be retained: proposed finished levels or contours; means of enclosure; car parking layouts; other vehicle artefacts and structures, including signs and lighting and functional services above and below ground. Details of soft landscape works shall include plans for planting or establishment by any means and full written specifications and schedules of plants, including species, plant sizes and proposed numbers / densities where appropriate. If within a period of five years from the date of the planting or establishment of any tree, or shrub or plant, that tree, shrub, or plant or any replacement is removed,

uprooted or destroyed or dies or becomes seriously damaged or defective another tree or shrub, or plant of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.

- 7 Prior to commencement of development a method statement outlining the method of removal of the existing container adjacent to the existing building shall be submitted in writing with an assessment of any potential damage and/or works to the surrounding trees. The container shall be temporarily moved to the front of the site prior to commencement in accordance with this agreed statement.
- 8 The hall hereby permitted shall not be used for functions unrelated to Scouting use outside the hours of 08.00am to 11.00pm on Monday to Saturday, and 8.00am to 10.30pm on Sundays or public holidays.
- 9 The parking area shown on the approved plan shall be provided prior to the first occupation of the development and shall be retained free of obstruction for the hall users' vehicles.
- 10 No unbound material shall be used in the surface finish of the driveway or parking areas.
- 11 All construction/demolition works and ancillary operations (which includes deliveries and other commercial vehicles to and from the site) which are audible at the boundary of noise sensitive premises, shall only take place between the hours of 07.30 to 18.30 Monday to Friday and 08.00 to 13.00 hours on Saturday, and at no time during Sundays and Public/Bank Holidays unless otherwise agreed in writing by the Local Planning Authority.
- 12 Within 3 months of the first occupation of the hall hereby approved the existing hall as shown on the approved plans shall be demolished in entirety and all materials removed from site, together with any shipping container stationed on the site.

<b>WARD:</b>	Passingford
<b>DESCRIPTION OF PROPOSAL:</b>	Grade II* listed building application for the conversion of existing Grade II* Mansion into 7 no. flats, new rear garage block, 4 no. new build houses as enabling works and associated landscape works and restoration.
<b>DECISION:</b>	Grant Permission (With Conditions)

Applications EPF/1007/09 and EPF./1008/09 were deferred to seek further clarification of the viability of the proposed enabling development as a mechanism for off-setting the conservation deficit that would be created by carrying out the proposed works to Gaynes Park Mansion and to seek a more appropriate mechanism for controlling the phasing of the development.
