Dear Mr. Willett

Community Governance Review

Thank you for your letter of 24th July and the enclosed information being prepared for the Cabinet meeting on 7th September.

In answer to the two questions raised in your letter.

- (a) Yes our Council will be able to assist in the distribution of the consultation material within the affected parishes.
- (b) Members have re-considered the name of the new ward and concluded that 'The Lavers' is the most appropriate title for the combined parishes. There is local recognition of the parishes as a group under that title. There are already many local organisations using that form of heading – The Friends of Lavers Churches – The Lavers Entertainers drama group – The Lavers & District Horticultural Society – Lavers Carpet Bowls – Lavers History Group – Lavers Table Tennis – Lavers Youth Club - The Lavers & Matching News village magazine (*The Alleluia village magazine covers Moreton & Bobbingworth parishes*).

It is therefore evident using 'The Lavers' for the combined ward would be a logical choice.

If there is anything else we can do to assist the process please advise us.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Colin Thompson'.

Colin Thompson
Clerk to the Parish Council.
