SITE ADDRESS:

Samantha, Tysea Hill, Stapleford Abbots.

DESCRIPTION OF PROPOSAL:

Outline application for the demolition of a single detached dwelling and the construction of 3 no. replacement dwellings. (Revised application).

GRANTED SUBJECT TO:

1. Submission of details within 3 years.
2. The development hereby permitted shall be carried out in accordance with detailed plans and particulars which shall have previously been submitted to and approved by the Local Planning Authority, showing the layout of proposed development including the provision of garaging/visitors' car parking spaces/vehicles loading or unloading, and turning areas, and the siting, design and external appearance of each of the buildings.
3. Materials of construction to be agreed.
4. Erection of screen walls/fences.
5. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any other order revoking, further amending or re-enacting that order) no development generally permitted by virtue of Part 1, Class B shall be undertaken without the prior written permission of the Local Planning Authority.
6. Submission of tree protection statement.
7. Submission of Landscape Proposals.
8. Prior to the commencement of the development, details of the proposed surface materials for the access road shall be submitted to and approved by the Local Planning Authority. The agreed surface treatment shall be completed prior to the first occupation of the development.
9. Construction of road prior to dwellings.
10. Prior to commencement of development, details of the access way shall be submitted to and approved in writing by the Local Planning Authority, this shall include a width of 4.1 metres with equal radii and measures so that no surface water shall drain onto the highway. The access shall be constructed in accordance with those details.

REFUSED:

1. The proposed alterations due to their size, scale and the increased roof height, would be out of character in this location and would detract from the current appearance of the street scene.
2. The proposed alterations due to their scale and the increase in roof height would have a detrimental impact on adjacent neighbours amenities.

10. **APPLICATION NO:** EPF/10/05 **PARISH** Theydon Garnon

SITE ADDRESS:

Gaynes Park Estate, Gaynes Park, Coopersale, Theydon Garnon.

Members asked if officers would approach the Highway Authority to seek measures, which would improve the proposed access to the site.

DESCRIPTION OF PROPOSAL:

Redevelopment and change of use of former agricultural outbuildings to provide a facility for the holding of civil weddings and wedding receptions, together with ancillary night accommodation, car parking and landscaping.

GRANTED SUBJECT TO:

1. To be commenced within 5 years.
2. The development shall be undertaken in accordance with the programme of phasing for phases 1 to 3 as submitted to the Local Planning Authority on 13 May 2005 unless otherwise agreed in writing by the Local Planning Authority.
3. Materials of construction to be agreed.
4. Erection of screen walls/fences.
5. Wheel washing equipment to be installed.
6. The proposed units of accommodation shall only be ancillary to the use of the premises as a wedding facility and shall not be subdivided from the site for use as any hotel or residential accommodation separate from the facility.
7. Retention of existing trees and shrubs.
8. Submission of a landscape scheme.
9. Prior to the commencement of the development hereby approved, the buildings labeled as 'Buildings 9 and 10' shall be demolished and all materials removed from the site.
10. Prior to the commencement of the development, details of secure covered bicycle and motorcycle parking shall be submitted to and agreed in writing by the Local Planning Authority.
11. Details of external lighting shall be submitted to and approved in writing by the Local Planning Authority prior to commencement of the development. The lighting

shall be provided in accordance with those details and retained, with no additional fixtures thereafter without prior written approval. The agreed lighting shall not be illuminated outside the hours of 08.00 hours to 23.30 hours.

12. The circulation areas within the car park shall be kept clear at all times so that all vehicles visiting the site can turn and exit in forward gear.
13. No demolition or construction work shall be permitted on the site outside the hours of 07.30 – 18.30 hours on Mondays to Fridays and 08.00 – 13.00 on Saturdays. No works shall take place on Sundays and Bank Holidays.
14. No deliveries shall be made to the site, outside the hours of 07.30 – 18.30 hour on Mondays to Fridays and 08.00 – 13.00 on Saturdays, or at any time on Sundays or Bank Holidays.
15. The function facility shall not be open for the holding of weddings or wedding receptions outside the hours of 08.30 – 23.30.
16. A flood risk assessment shall be submitted to and approved by the Local Planning Authority prior to commencement of development. The assessment shall include calculations of increased run-off and associated volume of storm detention using Windes or other similar programme. The approved measures shall be undertaken prior to the first occupation of the building hereby approved and shall be adequately maintained.
17. Prior to commencement of development, including demolition or site clearance works, a phased contaminated land investigation shall be undertaken to assess the presence of contaminants at the site in accordance with an agreed protocol as below. Should any contaminants be found in unacceptable concentrations, appropriate remediation works shall be carried out and a scheme for any necessary maintenance works adopted.

Prior to carrying out a phase 1 preliminary investigation, a protocol for the investigation shall be agreed in writing with the Local Planning Authority and the completed phase 1 investigation shall be submitted to the Local Planning Authority upon completion for approval.

Should a phase 2 main site investigation and risk assessment be necessary, a protocol for this investigation shall be submitted to and approved by the Local Planning Authority before commencing the study and the completed phase 2 investigation with remediation proposals shall be submitted to and approved by the Local Planning Authority prior to any remediation works being carried out.

Following remediation, a completion report and any necessary maintenance plan shall be submitted to the Local Planning Authority for approval prior to first occupation of the completed development.

18. An appropriate noise control device shall be put in place and used for any amplified sound. The device shall be set so that the volume of any amplified sound emanating from the premises does not cause a statutory nuisance to the occupiers of any noise sensitive premises and shall be set at a level that will have been previously agreed in writing by the Local Planning Authority. The Noise Control Device shall be permanently used at all times when amplified sound is played in accordance with the approved details, and any alterations to the sensitivity of the unit shall be agreed in writing by the Local Planning Authority.
19. Prior to the commencement of the development, a scheme providing for the storage of refuse shall be submitted to and approved in writing by the Local

Planning Authority. The scheme shall be implemented in accordance with those approved details.

20. Prior to the commencement of the development, details for the provision of drainage shall be submitted to and approved in writing by the Local Planning Authority. The drainage shall be implemented in accordance with those approved details and retained throughout the duration of the approved use on the site. Foul water shall be discharged to a public sewer, or if this is not viable, to a sewage treatment plant or cesspit (sealed tank). If a treatment plant is chosen, it would require prior approval at the Environment Agency, and the discharge shall continue to meet the Environment Agency's minimum requirements. If a cesspit is chosen, appropriate approval must be sought from the Local Authority prior to use.
21. Tree protection measures required.

12. **APPLICATION NO:** EPF/379/05

PARISH

Theydon Garnon

SITE ADDRESS:

Barkers Farm, Theydon Mount.

DESCRIPTION OF PROPOSAL:

Change of use of part of existing agricultural building to provide overnight accommodation.

REFUSED:

1. The Local Planning Authority is not satisfied from the evidence submitted by the applicant that a need has been demonstrated for the proposed overnight accommodation and furthermore, is premature because there is no firm evidence of viability of an agricultural enterprise. In these circumstances, it is considered to represent an inappropriate development within the Green Belt and therefore contrary to national planning policy guidance, the Essex and Southend on Sea Structure Plan and policies GB2 and GB17 of the adopted Local Plan.
