(a) Fixed Penalty Notices – Littering including Cigarette Butts

By Councillor D Dodeja to Councillor Mrs M Sartin, Environment Portfolio Holder

(1) Do the Council's Environment and Neighbourhood Officers have the power to issue Fixed Penalty Notices to deal with the dropping of cigarette butts and other types of litter; and If so, what is the Fixed Penalty Charge and how many have been issued? If not does she have any plans to follow the lead of councils which use Fixed Penalty Notices of around £80 to deal with the dropping of cigarette butts and other litter in public areas?

(2) How many waste bins with cigarette receptacles are provided by the District Council, broken down by parish?
