<b>APPLICATION No:</b>	EPF/1716/09
<b>SITE ADDRESS:</b>	Beechlands 42 Alderton Hill Loughton Essex IG10 3JB
<b>PARISH:</b>	Loughton
<b>WARD:</b>	Loughton St Marys
<b>DESCRIPTION OF PROPOSAL:</b>	Renewal of outline planning permission for the erection of a private dwelling house for the proprietor of 'Beechlands'.
<b>DECISION:</b>	That, had the application been one the District Council could decide, the Council would have refused to grant permission.

Members resolved that, had the application been one that the Committee could decide, it would have refused to grant outline planning permission. A letter should be sent to the Planning Inspectorate setting out what the Sub-Committee's decision would have been and the reasons for it in the following terms:

That outline planning permission should be refused for the following reasons:

1. The proposed house would be inappropriate development in a back garden setting, it could set a precedent to encourage other similar developments, it would be out of character with the locality, and would be likely to detract from the amenity and outlook of adjoining residents.
2. Because of its likely height, scale and siting, the proposed house would be likely to be detrimental to the character of the rear garden setting, and would detract from the visual amenity and outlook of adjoining residents.
3. The basis on which the house is proposed is not consistent with the original outline planning permission and indicates it may generate a greater degree of activity that could be harmful to the character of the locality and amenities enjoyed by the occupants of neighbouring dwellings.
4. As a consequence of the above reasons the proposed house would conflict with policies CP2, DBE1, DBE2, and DBE9 of the Adopted Local Plan and Alterations.
