Report Item No: 2

APPLICATION No:	EPF/1748/09
SITE ADDRESS:	Adjacent 148 Buckhurst Way Buckhurst Hill Essex IG9 6HY
PARISH:	Buckhurst Hill
WARD:	Buckhurst Hill East
DESCRIPTION OF PROPOSAL:	Erection of a pair of semi detached houses.
DECISION:	Refused Permission

REASON FOR REFUSAL

- 1 By reason of their size, the proposed houses are likely to be occupied by families who, in this locality, are likely to own cars, regardless of how well it is served by public transport. Since the site cannot be safely accessed by motor vehicles, the proposal does not include any provision for off-street car parking in accordance with the minimum standards for trip origins set out in the Essex County Council and Essex Planning Officers Association Parking Standards dated September 2009. Cars owned by the occupants of the houses would therefore have to be kept on the highway. This would exacerbate the demand for on-street parking in the locality, the cumulative impact of which is unsustainable and harmful to the amenities of the locality. the proposed development is therefore contrary to policy ST6 of the adopted Local Plan and Alterations.
