

## Conclusions

- Good location due to proximity to road network and lack of surrounding residential areas
- Simple and robust design – not much to go wrong
- Flat & smooth floor is easy to keep clear and clean
- Mobile concrete barriers enable the space to be easily divided to give maximum flexibility for storing different waste types
- Minimal staffing required - full time weighbridge operator & site supervisor + part time site manager
- Plenty of land space provides easy access and truck manoeuvring  
(and sub-letting opportunities...)
