

~(a) Question by councillor S. Murray to Councillor B. Rolfe (Portfolio Holder for Leisure & Wellbeing)

“Could the portfolio holder please update members as regards the following ;

1. the plans for the Roding Valley recreation ground lake
2. the progress made on these plans (including the control of fishing by bailiffs), with implementation dates if relevant and
3. what other plans are in place to deal with the anti-social behaviour of some fisherman (usually not locals) before the implementation of any longer term arrangements.”
