WARD:	Loughton Forest
DESCRIPTION OF PROPOSAL:	TPO/EPF/04/98 (T1 and T3) 2 x Poplar trees - Crown lift by 4 metres and repollard (T2) Aspen - Remove and replace
DECISION:	Grant Permission (With Conditions)

CONDITIONS

- 1 All work authorised by this consent shall be undertaken in a manner consistent with British Standard 3998 (1989) (or with any similar replacement Standard).
- 2 The works hereby authorised shall not be undertaken after a period of three years from the date of this consent has expired.
- 3 The crown reduction authorised by this consent shall be to previous pruning points.
- 4 The work authorised by this consent shall be carried out under the direct supervision of the Local Planning Authority, who shall receive in writing, 5 working days notice of such works.
- 5 A replacement tree or trees, of a number, species, size and in a position as agreed in writing by the Local Planning Authority, shall be planted within one month of the implementation of the felling hereby agreed, unless varied with the written agreement of the Local Planning Authority. If within a period of five years from the date of planting any replacement tree is removed, uprooted or destroyed, dies or becomes seriously damaged or defective another tree of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.
- 6 The crown lifting authorised by this consent shall extend only to the whole or partial removal of branches necessary to give 4 metres clearance above ground level.

Report Item No: 3

APPLICATION No:	EPF/0533/10
SITE ADDRESS:	Loughton Sports Centre Rectory Lane Loughton Essex IG10
PARISH:	Loughton
WARD:	Loughton St Marys
DESCRIPTION OF PROPOSAL:	Demolition of Loughton Sports Centre. Proposal for 85 bed care home development with car parking and landscaped secure garden areas. (Revised application)
DECISION:	Refuse Permission

REASONS FOR REFUSAL

- 1 The proposal would result in the loss of a local sports facility. No provision is made for replacement sports facilities and it has not been adequately demonstrated that the site is no longer required to meet sporting needs within the local area, contrary to Government advice contained within Planning Policy Guidance Note 17.
- 2 The number and size of the car parking spaces proposed falls significantly below the standard set by the Essex County Council Parking Standards: Design and Good Practice (September 2007), contrary to policy ST6 of the Adopted Local Plan and Alterations.
- 3 The proposed care home, due to the limited size of the bedrooms, internal communal space and the amount of outdoor amenity space, would provide an inadequate level of amenity for its future occupiers, contrary to policy DBE8 of the Adopted Local Plan and Alterations.
- 4 There is insufficient need for the proposed facility within the local area and as a result it is likely that the future occupiers of the care home would be migrating into the locality, thereby placing an increased burden on local NHS services. The sum of the proposed financial contribution towards local GP services is insufficient to mitigate this harm, contrary to policy CP3 (i) of the Adopted Local Plan and Alterations.

Report Item No: 5

APPLICATION No:	EPF/0635/10
SITE ADDRESS:	1 Orchard Way Chigwell Essex IG7 6EE
PARISH:	Chigwell
WARD:	Chigwell Row
DESCRIPTION OF PROPOSAL:	Redevelopment of the site to create five dwellings with associated car parking and garaging.
DECISION:	Grant Permission (With Conditions)

CONDITIONS

- 1 The development hereby permitted must be begun not later than the expiration of five years beginning with the date of this notice.
- 2 Details of the types and colours of the external finishes shall be submitted for approval by the Local Planning Authority in writing prior to the commencement of the development, and the development shall be implemented in accordance with such approved details.
- 3 No development shall take place until measures to enable the provision of upgrades to street lighting within the vicinity of the site, necessitated by this development, are secured.
- 4 No development shall take place on site, including site clearance, tree works, demolition, storage of materials or other preparatory work, until all details relevant to the retention and protection of trees, hereafter called the Arboricultural Method Statement, have been submitted to the Local Planning Authority and approved in writing. Thereafter the development shall be undertaken only in accordance with the approved details, unless the Local Planning Authority has given its prior written consent to any variation.

The Arboricultural Method Statement shall include a tree protection plan to show the areas designated for the protection of trees, shrubs and hedges, hereafter referred to as Protection Zones. Unless otherwise agreed, the Protection Zones will be fenced, in accordance with the British Standard Trees in Relation to Construction-Recommendations (BS.5837:2005) and no access will be permitted for any development operation.

The Arboricultural Method Statement shall include all other relevant details, such as changes of level, methods of demolition and construction, the materials, design and levels of roads, footpaths, parking areas and of foundations, walls and fences. It shall also include the control of potentially harmful operations, such as burning, the storage, handling and mixing of materials, and the movement of people or

machinery across the site, where these are within 10m of any designated Protection Zone.

The fencing, or other protection which is part of the approved Statement shall not be moved or removed, temporarily or otherwise, until all works, including external works have been completed and all equipment, machinery and surplus materials removed from the site.

The Arboricultural Method Statement shall indicate the specification and timetable of any tree works, which shall be in accordance with the British Standard Recommendations for Tree Works (BS.3998: 1989).

The Arboricultural Method Statement shall include a scheme for the inspection and supervision of the tree protection measures. The scheme shall be appropriate to the scale and duration of the works and may include details of personnel induction and awareness of arboricultural matters; identification of individual responsibilities and key personnel; a statement of delegated powers; frequency, dates and times of inspections and reporting, and procedures for dealing with variations and incidents. The scheme of inspection and supervision shall be administered by a suitable person, approved by the Local Planning Authority but instructed by the applicant.

- 5 The development, including site clearance, must not commence until a scheme of landscaping and a statement of the methods of its implementation have been submitted to the Local Planning Authority and approved in writing. The approved scheme shall be implemented within the first planting season following the completion of the development hereby approved.

The scheme must include details of the proposed planting including a plan, details of species, stock sizes and numbers/densities where appropriate, and include a timetable for its implementation. If any plant dies, becomes diseased or fails to thrive within a period of 5 years from the date of planting, or is removed, uprooted or destroyed, it must be replaced by another plant of the same kind and size and at the same place, unless the Local Planning Authority agrees to a variation beforehand, and in writing.

The statement must include details of all the means by which successful establishment of the scheme will be ensured, including preparation of the planting area, planting methods, watering, weeding, mulching, use of stakes and ties, plant protection and aftercare. It must also include details of the supervision of the planting and liaison with the Local Planning Authority.

The landscaping must be carried out in accordance with the agreed scheme and statement, unless the Local Planning Authority has given its prior written consent to any variation.

- 6 Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any other order revoking, further amending or re-enacting that order) no development generally permitted by virtue of Schedule Part 1, Classes A, B and E shall be undertaken without the prior written permission of the Local Planning Authority.

7 Notwithstanding the provisions of the Town & Country Planning General Permitted Development Order 1995 (or of any equivalent provision in any Statutory Instrument revoking or re-enacting that Order), the garages hereby approved shall be retained so that it is capable of allowing the parking of cars together with any ancillary storage in connection with the residential use of the site, and shall at no time be converted into a room or used for any other purpose.

8 Prior to commencement of development, including demolition or site clearance works, a phased contaminated land investigation shall be undertaken to assess the presence of contaminants at the site in accordance with an agreed protocol as below. Should any contaminants be found in unacceptable concentrations, appropriate remediation works shall be carried out and a scheme for any necessary maintenance works adopted.

Prior to carrying out a phase 1 preliminary investigation, a protocol for the investigation shall be agreed in writing with the Local Planning Authority and the completed phase 1 investigation shall be submitted to the Local Planning Authority upon completion for approval.

Should a phase 2 main site investigation and risk assessment be necessary, a protocol for this investigation shall be submitted to and approved by the Local Planning Authority before commencing the study and the completed phase 2 investigation with remediation proposals shall be submitted to and approved by the Local Planning Authority prior to any remediation works being carried out.

Following remediation, a completion report and any necessary maintenance programme shall be submitted to the Local Planning Authority for approval prior to first occupation of the completed development.

9 Prior to the commencement of development details of screen walls, fences or such similar structures shall be agreed in writing by the Local Planning Authority, and shall be erected before the occupation of any of the dwellings hereby approved and maintained in the agreed positions.

10 Details of surface water drainage shall be submitted to and approved in writing by the Local Planning Authority before any work commences and the development shall be implemented in accordance with such agreed details.

11 Prior to the first occupation of the development hereby approved, hard standing car parking spaces shall be provided within the curtilage of the dwellings in accordance with the detail shown on the approved plan BRD/10/001/04 rev. A and shall be permanently retained for the parking of residents' and visitors' cars.

12 All construction/demolition works and ancillary operations (which includes deliveries and other commercial vehicles to and from the site) which are audible at the boundary of noise sensitive premises, shall only take place between the hours of 07.30 to 18.30 Monday to Friday and 08.00 to 13.00 hours on Saturday, and at no time during Sundays and Public/Bank Holidays unless otherwise agreed in writing by the Local Planning Authority.

- 13 Wheel washing or other cleaning facilities for vehicles leaving the site during demolition and construction works shall be installed in accordance with details which shall be submitted and agreed in writing by the Local Planning Authority. The facilities shall be installed prior to commencement of any works on the site and shall remain throughout the construction period.
- 14 Prior to the commencement of the development hereby approved, details of arrangements to facilitate the interception of surface water run-off within the site shall be submitted to the Local Planning Authority for approval in writing. The development shall proceed in accordance with the approved details.

Report Item No: 6

APPLICATION No:	EPF/0670/10
SITE ADDRESS:	Cakes and Shakes 246B High Road Loughton Essex IG10 1RB
PARISH:	Loughton
WARD:	Loughton St Marys
DESCRIPTION OF PROPOSAL:	Change of use from purposes within Use Class A1 to a mixed use for purposes within Use Classes A1 and A3. (Revised application)
DECISION:	Grant Permission (with conditions)

Following careful consideration of the submitted proposal the Sub-committee found the use to be unique in the locality, to include a high proportion of retail activity and to be a particular draw for young people in the High Road. The Sub-committee therefore recognised the particular use carried out by the applicant enhances the vitality and viability of the Loughton town centre and took the view that it was very unlikely that any other person would carry it out.

CONDITIONS

- 1 This planning permission is solely for the benefit of the applicant for the primary purpose of the sale of cakes, milkshakes and other non-alcoholic drinks for consumption on or off the premises. It shall not have effect for any other person or persons.
- 2 No seating shall be provided inside the ground floor shop within 3.3m of the inside of the shopfront. No tables or chairs shall be placed in that part of the shop. All existing seating in that area shall be removed within 3 months of the date of this planning permission.
- 3 A shop window display shall be provided within 0.5m of the inside of the shopfront within 3 months of the date of this planning permission and thereafter shall be permanently maintained in that area.
- 4 Within 3 months of the date of this permission a refuse storage area shall be provided on site in accordance with details previously submitted to and approved in writing by the Local Planning Authority.
- 5 The use hereby permitted shall not be open to customers outside the hours of 07:00 to 23:00.
- 6 No tables or chairs shall be placed on the land used as a footway between the shopfront and the carriageway of the High Road.

Report Item No: 7

APPLICATION No:	EPF/0850/10
SITE ADDRESS:	20 Tomswood Road Chigwell Essex IG7 5QS
PARISH:	Chigwell
WARD:	Grange Hill
DESCRIPTION OF PROPOSAL:	First floor front extension and formation of balcony, first floor side extension, single storey rear extension and enlargement and extension of pitched roof in connection with a loft conversion including front, side and rear dormer windows. (Revised application)
DECISION:	Refuse Permission

REASONS FOR REFUSAL

- 1 The development the application relates to is substantially complete. The submitted drawings do not accurately describe the development and are therefore a misrepresentation of it.
- 2 By reason of its proximity to the eaves of the new roof, the side dormer window appears as an over-large and incongruous feature that detracts from the appearance of the house, and consequently that of the street scene, contrary to policies CP2 and DBE10 of the adopted Local Plan and Alterations.
- 3 By reason of their colour, size and texture, the external materials of the enlargement to the front elevation give the house a gaudy appearance that detracts from its appearance and results in a highly unsympathetic relationship to the neighbouring houses. Consequently the development is harmful to the character and appearance of the locality, contrary to policies CP2 and DBE10 of the adopted Local Plan and Alterations.
- 4 By reason of its very close proximity to the boundary with 18 Tomswood Road, the first floor side addition has an overbearing appearance that causes excessive harm to the amenities of the occupants of that property.
