CONDITIONS

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 Details of the types and colours of the external finishes shall be submitted for approval by the Local Planning Authority in writing prior to the commencement of the development, and the development shall be implemented in accordance with such approved details.
- 3 Before any part of the development hereby permitted is occupied the glazed areas of the entrance lobby shall be permanently glazed with obscured glass that has been approved under the provisions of condition 2.
- 4 Wheel washing or other cleaning facilities for vehicles leaving the site during construction works shall be installed in accordance with details which shall be submitted to and agreed in writing by the Local Planning Authority and these facilities installed prior to the commencement of any building works on site, and shall be used to clean vehicles leaving the site.
- 5 Before any part of the development hereby permitted is occupied, the parking areas shown on the approved plans shall be provided and thereafter retained solely for the parking of motor vehicles used by the occupiers of the development hereby permitted, Diggins Court and Vanryn House and/or their visitors.
- 6 A flood risk assessment shall be submitted to and approved by the Local Planning Authority prior to commencement of the development. The assessment shall demonstrate that adjacent properties shall not be subject to increased flood risk and, dependant upon the capacity of the receiving drainage, shall include calculations of any increased storm run-off and the necessary on-site detention. The approved measures shall be carried out prior to the first occupation of the building hereby approved and shall be adequately maintained in accordance with a management

plan to be submitted concurrently with the assessment.

- 7 No development shall take place, including site clearance or other preparatory work, until all details relevant to the implementation of hard and soft landscape works and tree planting, hereafter called the Landscape Method Statement, have been submitted to the LPA, and the development shall not commence until the Landscape Method Statement has been approved by the LPA in writing. All landscape works shall be undertaken in accordance with the approved details, unless the LPA has given its prior written consent to any variation.

The Landscape Method Statement shall include as appropriate, protection of the planting areas, where appropriate by fencing, during construction; preparation of the whole planting environment, particularly to provide adequate drainage; and the provision which is to be made for weed control, plant handling and protection, watering, mulching, and the staking, tying and protection of trees. The Landscape Method Statement shall also normally include provision for maintenance for the period of establishment, including weeding, watering and formative pruning, and the removal of stakes and ties. Provision shall be made for replacement of any plant, including replacements, that are removed, are uprooted, or which die or fail to thrive, for a period of five years from their planting, in the first available season and at the same place, with an equivalent plant, unless the LPA has given its prior written consent to any variation.

All hard and soft landscape works shall be completed prior to the occupation or use of any part of the development, unless the LPA has given its prior written consent to a programme of implementation. The hard and soft landscape works, including tree planting, shall be carried out strictly in accordance with any approved timetable.

The Landscape Method Statement shall state the provision which is to be made for supervision of the full programme of works, including site preparation, planting, subsequent management and replacement of failed plants.

- 8 Before the development hereby permitted is commenced, details of a scheme for the on-site storage of refuse generated by the development shall be submitted to and approved in writing by the Local Planning Authority and the scheme shall be implemented in accordance with the approved details prior to occupation of any part of the development and thereafter retained.
- 9 All construction/demolition works and ancillary operations (which includes deliveries and other commercial vehicles to and from the site) which are audible at the boundary of noise sensitive premises, shall only take place between the hours of 07.30 to 18.30 Monday to Friday and 08.00 to 13.00 hours on Saturday, and at no time during Sundays and Public/Bank Holidays unless otherwise agreed in writing by the Local Planning Authority.
- 10 The headroom in the internal parking area of the development hereby permitted shall not be less than 2.5 metres, which dimensions shall be clear of any encroachments such as pipes, trunking and vents.

- 11 Before the development hereby permitted is commenced, details of secure/covered bicycle and motorcycle parking/storage for the use of occupiers of the development shall be submitted to and approved in writing by the Local Planning Authority, and the bicycle and motorcycle parking/storage shall be provided in accordance with the approved details prior to the occupation of any part of the development and shall thereafter be retained.
- 12 There shall be no obstruction to vehicular traffic crossing the site between the High Road and Wesley Hall, Loughton Methodist Church, and Vanryne House at any time during the construction of the development hereby approved and thereafter.

CONDITIONS

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 The development shall be carried out in accordance with the amended plans received on 14 September 2010 unless otherwise agreed in writing with the Local Planning Authority.
- 3 Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any other order revoking, further amending or re-enacting that order) no development generally permitted by virtue of Part 1, Classes A and B shall be undertaken without the prior written permission of the Local Planning Authority.
- 4 Details of the types and colours of the external finishes shall be submitted for approval by the Local Planning Authority in writing prior to the commencement of the development, and the development shall be implemented in accordance with such approved details.
- 5 Prior to the commencement of development details of screen walls, fences or such similar structures shall be agreed in writing by the Local Planning Authority, and shall be erected before the occupation of any of the dwellings hereby approved and maintained in the agreed positions.
- 6 Wheel washing or other cleaning facilities for vehicles leaving the site during construction works shall be installed in accordance with details which shall be submitted to and agreed in writing by the Local Planning Authority and these facilities installed prior to the commencement of any building works on site, and shall be used to clean vehicles leaving the site.

- 7 The development, including site clearance, must not commence until a scheme of hard and soft landscaping (this includes the rear patio) and a statement of the methods of its implementation have been submitted to the Local Planning Authority and approved in writing. The approved scheme shall be implemented within the first planting season following the completion of the development hereby approved.

The scheme must include details of the proposed planting including a plan, details of species, stock sizes and numbers/densities where appropriate, and include a timetable for its implementation. If any plant dies, becomes diseased or fails to thrive within a period of 5 years from the date of planting, or is removed, uprooted or destroyed, it must be replaced by another plant of the same kind and size and at the same place, unless the Local Planning Authority agrees to a variation beforehand, and in writing.

The statement must include details of all the means by which successful establishment of the scheme will be ensured, including preparation of the planting area, planting methods, watering, weeding, mulching, use of stakes and ties, plant protection and aftercare. It must also include details of the supervision of the planting and liaison with the Local Planning Authority.

The landscaping must be carried out in accordance with the agreed scheme and statement, unless the Local Planning Authority has given its prior written consent to any variation.

- 8 Prior to commencement of development, details of levels shall be submitted to and approved by the Local Planning Authority showing the levels of the site prior to development and the proposed levels of all ground floor slabs of buildings, roadways and accessways and landscaped areas. The development shall be carried out in accordance with those approved details.
- 9 All material excavated from the below ground works hereby approved shall be removed from the site unless otherwise agreed in writing by the Local Planning Authority.

APPLICATION No:	EPF/1689/10
SITE ADDRESS:	Hedgeside 132 High Road Chigwell Essex IG7 5BQ
PARISH:	Chigwell
WARD:	Chigwell Village
DESCRIPTION OF PROPOSAL:	Demolition of existing dwelling and erection of a replacement detached dwelling house.
DECISION:	Refuse Permission

http://planpub.eppingforestdc.gov.uk/Anitelm.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=520586

Following consideration of the submitted plans Members found the building proposed would have an unsympathetic design that would relate poorly to its neighbours. Members were particularly concerned about its proximity to site boundaries with 130 and 134 High Road, its relationship to the existing houses at those properties and the design of the part of the building adjacent to 134 High Road. Some concern was also expressed about the depth of the proposed house in relation to 130 High Road. Consequently it was resolved to refuse to grant planning permission on the grounds that the development amounted to poor design.

REASON FOR REFUSAL

- 1 The proposed house would have an unsympathetic and over-bulky appearance that would result in an unsatisfactory relationship to its immediate neighbours. It would appear disproportionately wide in relation to the width of the site which, together with its appearance of bulk and the close proximity of adjacent houses, would give the development a cramped appearance.

The proposed house would present a tall and deep mass of brick to its south-western flank, which would appear excessively dominant. The narrow and relatively tall south-eastern element of the house would not appear sufficiently subordinate to the main house, exacerbating its over-dominant appearance on the boundary with 134 High Road.

As a consequence the proposed development amounts to a poor design contrary to policies CP2 (iv), CP3 (v), CP7 and DBE1 of the adopted Local Plan and Alterations.

CONDITIONS

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 Details of the types and colours of the external finishes shall be submitted for approval by the Local Planning Authority in writing prior to the commencement of the development, and the development shall be implemented in accordance with such approved details.
- 3 Prior to commencement of development further details of the north-eastern and south-western flank elevations shall be submitted to and approved in writing by the Local Planning Authority and implemented in accordance with those approved details.
- 4 The development, including site clearance, must not commence until a scheme of landscaping and a statement of the methods of its implementation have been submitted to the Local Planning Authority and approved in writing. The approved scheme shall be implemented within the first planting season following the completion of the development hereby approved.

The scheme must include details of the proposed planting including a plan, details of species, stock sizes and numbers/densities where appropriate, and include a timetable for its implementation. If any plant dies, becomes diseased or fails to thrive within a period of 5 years from the date of planting, or is removed, uprooted or destroyed, it must be replaced by another plant of the same kind and size and at the same place, unless the Local Planning Authority agrees to a variation beforehand, and in writing.
