

CHILDREN SERVICES TASK AND FINISH PANEL: TERMS OF REFERENCE

Origin:

The Cabinet at its meeting on 8 March 2010 considered a report about Essex Children's Trust. The Children's Act 2004 provided the legal underpinning for the national framework established by "Every Child Matters: Change for Children" with District Councils having a duty to cooperate in the making of arrangements to improve well being for children and young people 19 years or under. The most specific duty is to safeguard and promote the welfare of children alongside the more general "duty to cooperate" within Children's Trust arrangements.

At the inaugural meeting of the Essex Children's Trust Partnership Board on 27 November 2009 it had been agreed that a Memorandum of Agreement be entered into by all the constituent partners with the aim of demonstrating a commitment to a shared approach and to get all the partners working together to achieve common objectives.

The Cabinet decided that the Memorandum of agreement should not be signed as it did not appear to be clear, concise and contain specific proposals to safeguard the welfare of children or an assurance that Essex County Council would embrace best practice. The cabinet expressed the view that the emphasis appeared to be on bureaucracy rather than results, with as much responsibility as possible delegated to the borough and district councils. The Cabinet also requested that a Task and Finish Scrutiny Panel should be established to examine the Council's approach to Children's Services and its provision throughout the District.

At its meeting on 15 April 2010, the Overview and scrutiny Committee agreed that a Task and Finish Scrutiny Panel should be established to examine the Council's approach to Children's Services and its provision throughout the District and to review the provision of the Essex County Council Youth Service within the District.
