Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence you should make a new premises licence application under section 17 of the Licensing Act 2003.

Notes for Guidance

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate. Indoors may include a tent.
3. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises please tick on, if you wish people to be able to purchase alcohol to consume away from the premises please tick off. If you wish people to be able to do both please tick both.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
12. Where there is more than one applicant, both applicants or their respective agents must sign the application form.
13. This is the address which we shall use to correspond with you about this application.

Nichola Glasscock - Morrison's Supermarket, Opening Hours

From: Amanda Wong <[REDACTED]>

Subject: Morrison's Supermarket, Opening Hours

Dear Ms Glasscock

We have recently been informed that Morrison's Supermarket have applied to the Council for extended opening hours and for the variation of the Premises Licence to sell alcohol during these new opening times.

As residents of The Drive, Loughton, whose property backs onto the Supermarket's car park, we would like to inform you of our strong objection to this application. We are concerned for the following reasons: -

- Additional noise disturbance - increasing the opening hours will not only mean that customers will be arriving early in the morning and leaving late at night but also that staff will be arriving even earlier than 6am, to prepare to open the store and leaving later than 11pm, after closing up. Additional opening hours may also require extra deliveries (going against the original planning permission for the store) which will also cause more disturbance for local residents.
- Alcohol related crime - allowing Morrison's to sell alcohol during these extended hours does nothing to help the local area control alcohol related incidences.
- Value of our property - increasing the opening hours can only go against the value of properties that back onto the Supermarket, as buyers will be less willing to consider a property in this location, knowing that the Supermarket is open for such a long period of the day and night.

As a family with two young children you can understand, from the reasons stated above, why we strongly object to any extension of the current opening hours.

Yours sincerely

Mr & Mrs Wong

11 NOV 2010

I write on behalf of Loughton Methodist Church to oppose Morrison's application for extended licensing hours. Our objections are three fold.

1. Protection of children from harm.

Although Morrison's would not sell alcohol to underage young people they will sell it as a 'loss leader' to adults and this encourages a drinking culture. Alcohol abuse sets a poor example to children even if they are not actually physically harmed. Sadly alcohol abuse breeds domestic violence both on the street and in the home. We are opposed to this application because it flies in the face of government concern that cheap supermarket alcohol is linked to huge domestic issues where children are often the most vulnerable victims. Almost adjacent to Morrison's is the shop 'Cakes & Shakes' which is open in the evenings and is very popular with young people. If Morrison's was to open up to 11pm each evening it could easily attract the young people to also drink alcohol.

2. Prevention of crime and disorder and public safety.

We are also concerned that young people will find ways of acquiring alcohol from places that sell it without actually buying it themselves. This would have real implications for public safety.

In recent years Loughton has had significant problems of young people congregating on the High Road. Through the hard work of the local police, St. Mary's 'ignite' youth activities, The Space and Epping Forest Youth for Christ our High Road is now a much less intimidating place in the evenings with no large groups of teenagers roaming around. Any increase in drinking on the streets would lead to the perception of street crime. This is particularly relevant for senior citizens for whom perceptions of an aggressive street culture will limit their willingness to go out in the evening. We fear that increased licensing hours would ultimately be calculated in a less safe and secure High Road environment.

3. Prevention of public nuisance

Loughton High Road is home to a large number of people in flats above shops and they currently face weekend disorder that includes late night noise, rowdism, street fighting, cans and bottles on the pavement and people vomiting. We believe that extended licensing hours can only exacerbate these problems. Finally, the church is only a few yards away from the supermarket and the proposed opening hours would adversely affect those who are attending our Alcoholics Anonymous groups and courageously seeking to "kick the habit".

In conclusion we believe that there is no need for these additional licensing opening hours in Loughton. There are other shops already fulfilling this need elsewhere but away from the centre of the town.

We are not opposed to alcohol consumption, but as with much of the country we are very concerned with its adverse effects. We assert that increased licensing hours can only have a detrimental impact upon Loughton's town centre. We are particularly anxious about the potential impact upon the quality of life for some youth and children.

We urge the Licensing Panel not to grant this license.

Subject: Proposed Loughton Morrison's Opening hours extension

Hi Nicola

I understand that Morrison's Loughton have applied for an extension to their opening hours, as a resident living near to the supermarket (Habgood Road) I would just like to say that *I am more than happy for this to happen.*

As it stands I work at irregular times and cannot always reach the supermarket during it's current opening hours therefore the extension would make life easier for me.

Please pass my comments on to the Licensing Committee.

Many thanks

Martin Bristow.

Subject: Morrisons' application re extension of opening hours/variation of alcohol licence.

As someone who lives in the Drive and whose garden is quite close to the boundary of the car park for Morrisons, I would very strongly object to any further extension of the opening hours and most especially the alcohol licence; my reasons are as follows:-

When I first moved here, some 20 years ago now, the boundary of the then Fine Fare was some distance from my garden. As a result of the purchase by Fine Fare(as it was at that time) of most of the houses at the bottom end of the Drive -which had extremely long gardens- the car park area and eventual Store size was greatly increased. This brought the boundary much closer to a number of houses. It also effected the traffic into the Drive, most particularly because of the very large container lorries.

At present with the hours of 8 a.m to 8 p.m. Monday to Saturday, and 11 a.m. to 5 p.m. Sundays, there is already a lot of motor noise, crashing of trolleys, car alarms - which regularly go off whilst their owners are in the store. During the summer, sitting and trying to enjoy your garden can be quite a noisy, unappealing situation. This has become much worse since Epping Forest lost the appeal against the increased size of the store and car-park.

These houses and the ones in the adjacent roads were here long before the Supermarket - and its'now greatly increased size. It is essentially a residential area and any extended trading hours will be very much to the detriment of those who live in the vicinity.

The other issue, that of variation of the licence to extend the hours in order to sell alcohol, is a recipe for disaster - given that there is no off-licence in the centre of Loughton - the already considerable problems in the High Road with what can only be described as very anti-social behaviour. As a resident whose garden is a very short distance from the car park and back of the store, I view with dread the distinct possibility that this would become an area (very difficult to police) used by groups in the same way they use other areas near the Station, and in the High Road, except any escape route might be over our garden fences!

I sincerely hope that this application is rejected since there appears to be no proper justification for such an expansion of hours - other of course than sheer profit.

Subject: Morrisons request for later opening hours

Dear Ms Glasscock,

I am a resident of The Drive, Loughton and I strongly object to the request for longer opening hours from Morrisons Supermarket. We already have a lot of traffic with regard to the supermarket and this can only get worse with longer hours of the shop being open. Also with regard to the selling of alcohol this can only mean trouble in the making. With youths trying to obtain alcohol and then maybe hanging around the streets whilst consuming it. Once again I strongly object to this proposal.

Subject: Licensing

Hi Nicola;

I live down Habgood Road and today in the post we got a home made hand delivered letter (organised by one of the neighbors) calling for support in trying to reject the local Morrisons' application for longer hours, with liquor license. I personally would encourage the authorities here to approve the application.

There have been countless times where I've forgotten things, and just wished the supermarket was open that bit longer. Personally, I think longer hours at the supermarket will benefit all concerned - the flexibility of the longer service for customers, a little more employment for the people wishing to working the hours, etc.

Regarding the liquor licensing, I hardly think Loughton has much to be concerned about. I've lived here (within a minute or two's walking distance from Morrisons, and the high street) a year now, and I've never seen alcoholics congregating there, and neither have I seen evidence suggesting that the supermarket is any more or less responsible than the clubs down the far end of high street. Loughton seems to be an affluent area, where locals appear to have a high standard of schooling, parents are quite concerned.

I used to live in Germany where they only recently have started relaxed Sunday trading laws. Compared to my native New Zealand where we've had 24hr Supermarkets for quite some time, this certainly seemed prehistoric. As society starts burning the candles at both ends, its up to each individual to choose how he or she wants to live their lives, not to try and impart their moral codes on everyone else. If Morrisons realise that the economic benefits aren't enough, and recind some of those hours, then thats a fair indicator of the state of things. However, that would be market forces, not busybodies in our neighborhood.

If this letter would carry more weight by being hand written, I would gladly do so. (kindly tell me - I would be more than happy!) Additionally, I would be happy to show my face to make this submission.

Thanks for taking the time to read this!

Regards;
Ian Manson

Dear Madam,

I would like to register my objections to the planning application submitted by the Morrisons Supermarket chain to extend the opening hours of the store in the High Road Loughton. I also wish to object to the application for variation of the licence to sell alcohol.

As a resident of the Drive living in close proximity to the store I am already frequently inconvenienced by the volume of traffic in and out of the supermarket car park. The road marking on the car park exit road which, should give priority to traffic travelling up and down the Drive are ignored by motorists leaving the supermarket. I have personally had one minor accident when someone exiting the car park drove out and into the back of my car.

The close proximity of the exit from the supermarket car park and the entrance and exit from the adjacent council car park frequently cause traffic jams back into the High Road. Cars trying to turn into the council car park are often prevented from entering by cars exiting the Morrisons car park pulling out and stopping across the council car park entrance, The fact that there is a "Keep Clear" box sign on the road at this point seems to be an irrelevance to most drivers. It is a common occurrence that cars stop across the pavement whilst waiting for the lights at the end of the drive to change, in the belief that they will then be able to force their way out into the drive traffic. Unless police are stationed at these points all the time during supermarket opening hours I see little prospect of the road markings or the highway code being observed.

Extended opening hours must bring increased sales or there is no business case for doing it, this in turn means extra deliveries. The large articulated lorries which are currently used already add to the problems of traffic flow since they are frequently stuck in a queue trying to enter the supermarket car park and then completely block the drive. HGVs also often arrive two at a time and one then has to wait on the car park access road whilst the first one is unloaded.

To extend the opening hours further and subject the residents of The Drive, Habgood and Woodland Roads to further inconvenience will make our lives intolerable we already have to allow extra time when driving out just to get clear of the Drive and into the High road.

To then sell alcohol during extended hours will simply add to late night problems of hooliganism in the surrounding roads. We hear government and doctors' talk of alcohol abuse and cheap alcohol from supermarkets as a serious problem.

A supermarket selling alcohol 19 hours a day doesn't seem to be in tune with what our administrators and health professionals are telling us.

I do not believe the Morrisons organisation seriously expect to get approval for what they have proposed but have cynically submitted these outrageous proposals in the expectation that if they are turned down they will get a lesser extension on appeal. I sincerely hope that they do not succeed with this ploy.

Yours Faithfully,

John Banks

Re: Morrisons Supermarket, High Road, Loughton - application for extended opening hours and an extended licence to sell alcohol.

Dear Ms Glasscock

I am a resident of Woodland Road, in the vicinity of the commercial premises described above. I am writing to register my objection to Morrisons' application. My reasons are as follows:
There is no proven need for the supermarket to be open from 6am. There is no proven need for it to be selling alcohol during these extended hours and this may cause a nuisance and encourage street drinking. Young people already gather in the late evening in the car park adjacent to Morrisons' car park in the drive - if the licence is extended until the late evening, there is a likelihood that they will stay later and drink longer, causing difficulties for local residents. I work late shifts and on my way home, towards midnight, frequently pass groups of youths that are customers of Cakes and Shakes or the fried chicken shop on the high road. While this has not been a difficulty to me, it can be intimidating. These youths are apparently not drinking, but I fear with more opportunity to purchase alcohol nearby, they might. Woodland Road, where I live, is two streets behind Morrisons. The road is already a free parking spot for the High Road and among those who use it as such are Morrisons' staff. If the shop opens at 6am we will doubtless be woken by the slamming of car doors and the sound of car radios in the early hours. As it is, this does not usually start until some time just before 8am. I would also add that the road is used for the school run for Staples Road school so there are already parking issues in Woodland Road. Doubtless Habgood Road and the Drive would have the same problem. I therefore object to the application on the grounds of: The prevention of disorder The protection of minors from harm Public safety Stopping noise and nuisance in a residential area.

I urge the sub-committee to reject Morrisons application.

Yours sincerely
Ian McCann

Dear Sir,

Morrison's Supermarket, High Road, Loughton

I understand that Morrison's has applied to you to

1. sell alcohol between the hours of 0600 and 2300 for seven days a week
2. to open from 0600 to 2300 hours over seven days a week
3. to remove conditions governing the sale of alcohol on Christmas Day and Good Friday

Living in The Drive, Loughton, we residents would be directly and adversely affected. There would be no day - or evening - when we would be free of the supermarket traffic and its associated noise, as well as the noise caused by drinkers who will be given permanent access to cheap alcohol.

Many years ago, when Safeway triumphed in the extension of its parking spaces and the extension of its warehousing, we were told that there would be no further plans to extend the size of the supermarket's premises. Such promises are worthless: the evidence is there for all to see. What *is* within the council's power is the right to put a stop to Morrison's insidious, piecemeal expansion programme. We urge you to reject Morrison's application.

Yours sincerely,

M.P.S.BIRKS

Dear Ms Glasscock,

I am writing to register my objection to the current application by Morrisons in Loughton to extend their licensing hours and, by implication, their opening hours.

Morrisons do not allow their staff to park in the supermarket car park which already creates issues for the residents in the local area. I am frequently woken at 3.45am by their bakery staff parking in The Drive before starting a 4am shift. If the entire store was to open at 6am there would be increased disruption from many more members of staff parking in the very early hours of the morning and leaving late at night.

I am also concerned by the impact of longer opening hours on deliveries to the supermarket at unsocial hours. There is disruption for residents even under the current restrictions. For example, the delivery vehicle for Warburtons does not enter the supermarket carpark prior to making a delivery, but reverses from The Drive into Morrisons entrance. This results in the constant beep of the reversing alarm at 6.30am in the morning which disrupts sleep for local residents.

Finally, there are never more than a few customers in the supermarket at the current opening and closing times, and I do not believe that there is a community need for earlier or later opening hours.

Yours sincerely

Dear Miss Glasscock,

We understand that Morrisons ~~has~~ applied to the Council for extended opening hours from 6a.m. to 11pm Monday to Sunday inclusive and also for the variation of the Premises Licence to sell alcohol during these new opening hours.

An extension to the opening hours would only add noise and pollution to the surrounding area, would not benefit the residents of Loughton as a whole, and is no doubt requested purely to benefit Morrisons' purse strings.

We also object most strongly to the encouragement of alcohol sales. If bought by youngsters late at night this could have all sorts of unpleasant consequences. Surely with recent health studies we should be encouraging people to cut down on their alcohol intake.

This application would be a disaster for Loughton if it were to be granted. Please do not let the residents of Loughton down again with ill thought out proposals.

Yours faithfully,

Mr. A. A Rivers

Mrs. S. Rivers

P.S. Morrisons is currently open until 10pm on two or three days during the week. An extension until 11pm is totally unnecessary.

Dear Sirs

Application to extend opening hours by Morrisons Supermarket

As a local resident, I was appalled to discover that Morrisons have applied to extend their opening hours to 6am to 11pm. The car park is situated in a residential area and the resultant noise and disturbance from customer vehicles arriving and departing at these unsociable hours, as well staff and delivery lorries at even earlier and later times, would certainly cause a high level of disturbance and noise on the surrounding neighbourhood. What justification do Morrisons have for such an extension, and I was under the impression that Sunday opening times were limited to six hours only.

As far as being able to sell alcohol as well, I am truly astonished. The relaxing of licensing laws certainly appears to have had a detrimental affect on our society, especially for young people, resulting in more crime and public nuisance. Having alcohol readily available practically 24 hours will only cause a further downward spiral for safety on our streets. As a frequent walker in Epping Forest there is much evidence to be found of cans and bottles of drink being consumed there, and the resultant litter left behind. Greater protection from the adverse affects of alcohol for young people is needed, not even further availability.

I sincerely hope that the application is declined, in order to maintain a quality of life that seems to take second place these days to commercialism.

Yours Faithfully

**COcerning MORRISON'S LOUGHTON APPLICATION TO
VARY THEIR HOURS OF BUSINESS AND EXTEND THE HOURS
FOR THE SALE OF LIQUOR**

I have strenuous objections to the current proposals to vary Morrison's supermarket in Loughton's conditions of sale.

The first two applications, namely that opening hours should be extended to 6.00am – 11.00pm. from Monday – Sunday, and that the sale of alcohol be permitted during these extended hours, are to be taken together.

It is well known that young people under 16 have little problem in obtaining alcohol if they want it. Friends, relatives or family are usually on-hand, somewhere, sometime to get them their cheap beer, cheap super-strength cider, or even harder drink. Therefore:

1. If Morrison's is going to be open AND selling liquor until 11.00pm every night of the week, the store is going to become a Mecca for these young people, or their agents.
2. Given that liquor may be purchased until late at night it is highly likely, particularly during the months of daylight saving, that it will be consumed by young people in the streets around Loughton.
3. If young people are consuming liquor in the streets and public places, they will not be under any adult supervision, hence the possibility of anti-social or even criminal behaviour is enhanced.
4. Given the constant rise in under-age drinking, and the associated rise in under-age alcohol-induced hospital admissions, it is incumbent on any licensing authority to make the most strenuous efforts in order that this situation not be made worse than it already is.
5. Allowing Morrison's of Loughton to sell liquor until late every night of the week constitutes a direct attack on the principle of curbing

under-age drinking, and for that matter, the binge drinking of those of a legal age to purchase alcohol. The Commission would do well to bear in mind the report in yesterday's medical journal *The Lancet*, which asserts that alcohol in the UK does more harm than heroin and crack cocaine combined.

I am not a Christian, nevertheless I am appalled at the manner in which days that are meant to be "holy", meant to be days of reflection and quiet have been transformed by so many businesses into the crassest and lowest forms of commercialism, just another opportunity to flog merchandise and make profits. If Loughton were a predominantly Muslim or Jewish area there might then be an argument for opening Morrison's on Christmas Day and Good Friday: it is not. No argument regarding this aspect of multi-cultural Britain can be mounted in regard to this area. Morrison's is applying initially to sell alcohol on 363 days of the year. Now it wants to grab the last two, supposedly the most special in the calendar of the greatest number of Britons. If Morrison's is so desperate to grab the last remaining days the year, there can only be two conclusions. They are that, any self-serving claims to the contrary, as a major corporate business in the UK, it has consciously adopted a policy where:

- a) any concern for the effects of alcohol drinking on young and old alike is abandoned and
- b) the profit motive is the only thing that drives this business: no other considerations matter. In particular the health, social and spiritual welfare of the community are quite evidently set at nought.

Yours sincerely,

(Dr.) David Taylor

Subject: Support for Loughton Morrisons Extended Opening Hours

Nicola,

I received a flyer from Councillor Rod Barrett regarding objecting to the change. My wife and I do not agree with Cllr Barrett and wholeheartedly support the change. Also I have not heard of anyone else in our neighbourhood who agrees with Cllr Barrett.

Given that there is nowhere in central Loughton to buy a pint on milk after 5pm on a Sunday, the extended hours would improve our lives massively.

I don't believe Cllr Barrett can represent the views of residents in the St Mary's Ward on this matter.

Kind regards

Subject: Objection to Morrison's Licensing application

Hello,

I write to object to the application from Morrisons in Loughton to extend opening hours and for variation to the Premises License.

There is already a problem with drunken crowds hanging outside the supermarket in question, and it is well known that supermarkets are currently undercutting the prices generally available from pubs. It is likely that extending the hours would result in an increase in public disorder and drunkenness. Further, it is a certainty that nearby residents will experience an increase in noise and disturbance. ✓

This application is clearly at odds with the objectives of the Licencing act, and should therefore be rejected.

Thank you

Dear Ms. Glasscock.

I would like to raise my objection to the Morrissons application to extend opening hours. I feel that it is completely inappropriate that in a residential area opening hours should be allowed to be extended. It will increase exponentially both the noise and traffic problems that already occur on The Drive. It is a further concern that if alcohol is also available to be sold we will see an increase of discarded empties littering the adjacent area, and potentially an increase in anti social behaviour.

I hope you take my concerns seriously. I look forward to hearing from you.

Yours Sincerely.

Sandy Yamaguchi.

Dear Nicky,

We are writing to strongly object to the application from Wm Morrison Supermarkets PLC to extend their opening hours from 6am - 11am Monday to Sunday inclusive.

The car park of the store in question backs on to residential properties in two roads namely Habgood Road and The Drive, and we believe these new opening hours if approved would have an extremely adverse effect on these residents quality of life. The existing opening hours are long enough and there is no need to extend these further.

Nichola Glasscock - Proposed extension of shopping hours at Morrisons on Sundays including alcohol sales.

Subject: Proposed extension of shopping hours at Morrisons on Sundays including alcohol sales.

Dear Nicola,

Thank you for informing us about the proposed extension of opening hours from 6am - 11pm Monday to Sunday by Morrisons. We strongly object to this proposal and especially the opportunity for people to purchase alcohol during these hours. It is common on Sundays to find large groups of teenagers congregating around the entrance of Morrisons and the added bonus of another 7 hours trading including the possibility of those groups having access to buying alcohol is just too much. There are moves to cut licensing hours as the proposed moves towards European drinking habits failed miserably. If there is the slightest possibility of buying cheap alcohol then these kids will try and find ways to get it even with age restrictions in place. The best way of keeping them away from it is to not give them the opportunity. It is not fair to allow these Supermarkets who have destroyed local shops to be able to stay open all hours. There will be more traffic and noise and this will prove intolerable, and if I lived on the borders of the Supermarket Parking areas I would be up in arms at the possibility of this going ahead. Where will it end if this is allowed to go through? as Marks and Spencer would follow suit as would Sainsburys and then what in the future 24 hour shopping is my guess !!

We object strongly to this proposal, on all the reasons stated above.

Kindest Regards
