

Dear Mr Hill & Mr Lunnun,

I was hoping our views maybe taken into consideration for the decision to not renew the contract for the Town Centre Manager Post.

Recently, a Town Centre Business Association has been formed with 46 members representing 40 businesses. The Group has been set up with the sole purpose of improving the commerce in Waltham Abbey Town Centre. Cathy has been instrumental in helping us with this process and her ideas and suggestions have been a great help. At a time when many of the business are extremely concerned about their futures, we feel it would be a great shame to no longer receive this support from EFDC.

Kind regards

Gavin Ward
